Ezekiel Matthew Henry, 2015-06-26 Matthew Henry 1662 1714 was a British Non Conformist minister and author Henry s commentaries are primarily exegetical dealing with the scripture text as presented with his prime intention being explanation for practical and devotional purposes While not being a work of textual research for which Henry recommended Matthew Poole s Synopsis Criticorum Henry s Exposition gives the result of a critical account of the original as of his time with practical application It was considered

sensible and stylish a commentary for devotional purposes Famous evangelical Protestant preachers such as George Whitefield and Charles Spurgeon used and heartily commended the work with Whitefield reading it through four times the last time on his knees Spurgeon stated Every minister ought to read it entirely and carefully through once at least Perhaps his best known quotation is about the relationship between men and women from the story of the creation of Eve in the Book of Genesis the woman was made of a rib out of the side of Adam not made out of his head to rule over him nor out of his feet to be trampled upon by him but out of his side to be equal with him under his arm to be protected and near his heart to be beloved

Matthew Henry's Commentary Matthew Henry,David Brian Winter,1974 **Felix Holt** George Eliot,2017 Felix Holt the Radical appeared in 1866 The title and what by courtesy could be regarded as the main plot have reference to politics but most of the incidents and illustrations of character relate to religious and social peculiarities rather than to the party feelings of Tories Whigs or dicals Though inferior in sustained interest to the other English tales of the author Felix Holt has passages of great vigour and some exquisitely drawn characters we may instance that of Rufus Lyon a Dissenting minister and also some ne pure and natural description This is the brightest the least penetrated with inner melancholy of all George Eliot s stories *Matthew Henry's commentary* Matthew Henry, **The Law of Freedom** Daniel L. Rentfro,2019-10-29 The Law of Freedom Justice and Mercy in the Practice of Law examines the legal and theological roots of the concept of equity and the implications that the diminishment of equity as a legal concept has for the moral dilemmas faced by the practicing lawyer Meditating on the book of Micah the book argues that the Christian duty asks for both strict justice and gracious mercy with the prophet s third value humility essential for both the individual lawyer and the legal system as a whole to balance strict justice and mercy **Matthew Henry's Commentary** Matthew Henry,1975 Matthew Henry's Commentary for Today's Reader Matthew Henry,1975 **Judas Iscariot** Richard Harvey,2018-07-23 The name Judas Iscariot usually provokes a negative response as the disciple who betrayed his Lord to death It is difficult to think of another person dead for so long who is so closely associated with betrayal In recent times some commentators have urged a rethink on Judas arguing that he has been unfairly treated This book will show that the traditional picture of Judas as a traitor best fits the biblical evidence It also establishes two other points Firstly although Judas was a human being he had the literary features of an idol Secondly

the earliest gospel Mark clearly establishes his guilt and Matthew and Luke show how uniquely guilty Judas was

Matthew Henry's Commentary: Matthew to John Matthew Henry, 1991 Commentary on Joshua to Esther Book of Ezekiel Ezekiel, God, 2014-03-16 I will give you a new heart and put a new spirit in you I will remove from you your heart of stone and give you a heart of flesh Ezekiel 36:26 The Book of Ezekiel is one of the major prophetic books in the Old Testament and had more influence on Revelation than any other book It records seven visions of the prophet Ezekiel exiled in Babylon during the 22 years from 593 to 571 BC The visions and the book are structured around three themes 1 judgment on Israel chapters 1-24 2 judgment on the nations chapters 25-32 3 and future blessings for Israel chapters 33-48 The book opens with a vision of Yahweh the God of Israel moves on to anticipate the destruction of Jerusalem and the Temple explains this as Yahweh's punishment and closes with the promise of a new beginning and a new Temple God is free to judge and he is equally free to be gracious His stern judgments on Israel ultimately reflect his grace He allows the total dismemberment of Israel's political and religious life so that her renewed life and his presence with her will be clearly seen as a gift from the Lord of the universe In Hebrew the book is titled *laqzhy* meaning God strengthens Some of the highlights include the throne vision in which Ezekiel sees God enthroned in the Temple among the heavenly host the first temple vision in which Ezekiel sees God leave the Temple because of the abominations being practiced there images of Israel in which Israel is seen as a harlot bride among other things the valley of dry bones in which the prophet sees the dead rise again the destruction of Gog and Magog in which he sees Israel's enemies destroyed and a new age of peace established and the final temple vision in which Ezekiel is transported to Jerusalem and sees a new commonwealth centered around a new Temple to which God's glory has returned Ezekiel had considerable influence on the Book of Revelation more than on any other New Testament writing To take just two well known passages the famous Gog and Magog prophecy in Revelation 20:8 refers back to Ezekiel 38-39 and in Revelation 21:22 as in the closing visions of Ezekiel the prophet is transported to a high mountain where a heavenly messenger measures the symmetrical new Jerusalem complete with high walls and twelve gates the dwelling place of God where his people will enjoy a state of perfect well being The Book of Ezekiel is presented here in five different versions and includes an exhaustive commentary by Matthew Henry The King James Version Douay Rheims American Standard Version Bible in Basic English Version Webster Bible Version Complete Chapter and Verse Commentary by Matthew Henry Commentary *Gems from Matthew Henry* Matthew Henry, 1875 Baptism Jim Petty, Miles Cotham, 2022-11-11 In this study Jim Petty and Miles Cotham have made a thorough analysis of the biblical passages concerning the purpose of baptism particularly as it relates to holiness and forgiveness The authors have looked beyond the traditional church dogmas to discover and restore the beauty and significance of the baptismal event As the doctrine of baptism is wound and entwined through other doctrines taught in the New Testament a tapestry of salvation emerges in which each doctrine is dependent on and complimentary to the others Following a careful examination of the meaning of

holiness the authors have demonstrated its close affinity to baptism as seen in the practice of baptism by John the Baptist and Jesus in the preaching of the early church and in the writings of the New Testament letters In the appendix the study concludes with a selected list of quotations throughout the history of the church that includes various interpretations of the purpose of baptism **Matthew Henry's Commentary** Matthew Henry,1959
