*Work, Labour and Cleaning* Singha, Lotika, 2019-07-24 The outsourcing of domestic work in the UK has been steadily rising since the 1970s, but there has been little research into White British women who work as independent providers of cleaning services. *Work, Labour and Cleaning* is a cross-cultural analysis based on new research into two particular social contexts: one in the UK and one in India.

It argues that outsourced domestic cleaning can be undertaken either as work using mental and manual skills or as labour usually defined as unskilled natural women s work depending on the social context and working conditions in which it occurs The book challenges feminist dogma and popular myths about housework      **The Literary Digest** ,1910      **Counselor's Handbook** United States Employment Service,1967 Manual for the vocational guidance counsellor in the USA includes job requirements and occupational qualifications and covers aptitude testing and interviewing techniques      **Service Contract Wage Determinations Manual of Operations** ,1988      **1987 Industry and Product Classification Manual (1987 SIC Basis).** ,1989      *Agriculture Handbook* ,1949 Set includes revised editions of some issues      *The Journal of Industrial Hygiene* ,1920
