*Common Core Curriculum: United States History, Grades K-2* Great Minds, 2014-03-10. Comprehensive Common Core curriculum for United States History, Grades K-2. The Alexandria Plan is Common Core's curriculum tool for the teaching of United States and World History. It is a strategic framework for identifying and using high-quality informational texts and narrative nonfiction to meet the expectations of the Common Core State Standards (CCSS) for English Language Arts (ELA) while also sharing essential historical knowledge drawn from the very best state history and civics standards from around the country. The curriculum is presented in this four-volume series: *Common Core Curriculum: United States History, Grades K-2*, *Common Core Curriculum: World History, Grades K-2*, *Common Core Curriculum: United States History, Grades 3-5*, and *Common Core Curriculum: World History, Grades 3-5*. Features of each book include Learning Expectations, which articulate the key ideas, events, facts, and figures to be understood by students in a particular grade span; suggested anchor texts for each topic; in-depth text studies comprised of text-dependent questions, student responses, and assessments based on a featured anchor text; select additional resources; concise era summaries that orient both teachers and students to the historical background. The curriculum helps teachers pose questions about texts covering a wide range of topics. This volume, *Common Core Curriculum: United States History, Grades K-2*, introduces lower elementary students to 18 key eras in our country's history, from the original Native American people to modern times, through stories that they will treasure forever.

*A Common Sense Guide for Teaching Common Core Literacy* Jennifer Dutra, 2014-07-01. A Common Sense Guide for Common Core Literacy is a must-have for teachers who are responsible for implementing the new Common Core State Standards in their classrooms. With nearly 1,000 pages of information, Common Core-aligned sample questions, and reproducible classroom-ready resources, it is guaranteed to assist teachers in making the transition to the new CCSS. Not only will this book help teachers better understand the standards,

what they mean how they are crafted and how they build on one another from one grade to the next but it will explain how to implement the standards in their classrooms how to align their existing materials to the CCSS and how to craft formative and summative assessments to track student mastery of the standards The resources provided in this book aim to help teachers make the Common Core State Standards work for them Nobody wants to have to throw away years of hard work spent on crafting refining and perfecting lessons materials and assessments just because they were aligned to an old set of standards and this doesn't have to be the case With this book teachers can build off of their existing curriculum and make connections between what they are already doing and what is required by the new CCSS Teachers departments professional learning communities schools and districts all play a role in implementing the CCSS and whether individual teachers use this book to help achieve their own goals for integrating the standards into their classrooms or entire districts use it is a resource to train teachers and administrators in how to implement the standards create quality Common Core aligned assessments and track student mastery of the standards this book contains a wealth of invaluable information and resources that can help make the transition to the Common Core State Standards easier for everyone **The Common Core Companion** Leslie

Blauman,2015 **The Common Core Companion: Booster Lessons, Grades K-2** Janiel Wagstaff,2015-09-02 You can find hundreds of literacy lessons in hundreds of places but none of them will do for students what the ones in this book do What's the magic bullet Potent integration Divided into five weeklong learning sequences the 50 lessons span the ELA standards bringing a Monday through Friday clarity to the sometimes mysterious process of skill building through demonstrations and practice Follow each sequence and week by week you'll build the instructional potency to help students achieve a year's worth of growth as you integrate Writing Narratives with Identifying Sensory Words in Text Research with Identifying Topic and Details Opinion Writing with Close Reading for Text Evidence Comparing and Contrasting with Publishing Using Digital Tools Informative Writing with Use of Text Features Each of the 50 lessons is eminently dipable But if you want to do more extended instructional planning there are lots of additional tools including lists of mentor texts and If Then and Extending the Work charts within the book and on the companion website [www.corwin.com](http://www.corwin.com/commoncorecompanion)
