Common Ground What All Christians Believe And Why It Matters

William Tait, Christian Isobel Johnstone

Common Ground What All Christians Believe And Why It Matters:

Common Ground Keith Drury, 2008 What Do Christians Believe FOR CENTURIES the answer to that question has been found in the creeds those carefully crafted sparingly articulate statements form the minimum definition of the Christian faith In a day when the Church faces the rising tide of world religions and question of relevance and ultimate meaning many Christ followers have retreated into personal spirituality unsure of what Christians believe or why In this elegantly simple book Drury draws us back to the ancient statement that has been the bedrock of Christian identity for nearly 2 000 years the Apostles Creed Each chapter explores the meaning behind a creedal statement showing its biblical foundation historical framework and relevance of life in postmodern times The concise work will leave you more certain of the essential truths of the Christian faith and more in love with the awesome God who stands behind it from back cover *Missionary Baptism & Evangelical Unity* J. Cameron Fraser, 2021-10-15 The concept of missionary baptism is based on the household baptism of converts and their families described in the New Testament This is most commonly experienced today in missionary situations when entire families become Christians Building on the work of nineteenth century Scottish theologian William Cunningham this study explores some implications for the connection between believers baptism infant baptism baby dedication and Christian unity particularly among evangelicals **A Handbook for Christian Philosophy** L. Russ Bush, 1991 This handbook acquaints readers with philosophy in an introductory and nontechnical way These materials first developed for use in classes as a supplement to other formal textbooks are designed to gain the confidence of students who have no technical level of expertise in the field of philosophy There is a very useful glossary at the end that will be of help to all readers listing more than just simple definitions Often the glossary explanations are like brief essays in themselves Many significant issues arise in the field but this book treats three in particular theistic proofs evil and creation A Handbook for Christian Philosophy offers several contributions that make it unique First there is a section on logic that relates the subject of logic to biblical exegesis Second the treatment of evil puts special emphasis on the biblical themes that provide practical and theoretical help for people who are experiencing evil and going through suffering Third the chapter on creation includes an up to date critique of naturalistic evolution and a review of the recurrent Christian principles on this topic The author provides an excellent worldview evaluation something that is desperately needed today by all Christians The chapters include What is philosophy How to study philosophy Learning to think logically Recognizing worldviews Testing worldviews The existence of God Creation the reasonable alternative and a final chapter on God and evil **The Collected Works of Theodore Parker: A discourse of matter pertaining to religion** Theodore Parker, 1876 **The Congregationalist and Christian World**, 1904 *Christolution, with Its Evolution Illustrations* Charles Robinson Edwards, 1894 *The Mosaic of Christian Belief* Roger E. Olson, 2016-03-21 In this second edition of Roger E Olson s classic work he thematically traces the contours of Christian belief down through the ages revealing a pattern of both unity and diversity He finds a consensus of

teaching that is both unitive and able to incorporate a faithful diversity when not forced into the molds of false either or alternatives Christian Advocate ,1908 **A Conversation between a Muslim and a Christian** Peter Barnes,Mohamad Younes,2023-07-13 There are many books which set out the case for Islam or for Christianity and point out what they regard as defects in the other religion This book does that but it seeks to do so in the form of a workbook which groups of Christians or Muslims might use and it is conducted in a spirit where truth is paramount but so too is kindness and civility The two authors have become friends and hope that this can be detected in the exchanges As the major doctrines of each religion are dealt with we are conscious that these doctrines are important and need to be examined rigorously and charitably We hope we have succeeded to some degree at least **Tait's Edinburgh Magazine** William Tait,Christian Isobel Johnstone,1836

Getting to Know God Elisheva Mechanic,2021-07-15 This book is a journey of discovery into the fascinating world of Christian theology Elisheva Mechanic begins an exploration into the question of what theology is and how we do theology She introduces some of the early church fathers and tells their stories and what contribution they made to the development of theology and the great tradition This book gives a wide ranging survey of Christian theology and encourages us all to get to know God better **The Rambler** ,1853 **The Rambler, a Catholic journal of home and foreign literature [&c.]. Vol.5-new [3rd] [Vol.11 of the new [2nd] ser. is imperf. Continued as The Home and foreign review]. ,1853**

Bible Society Record ,1886 **The Mission and Death of Jesus in Islam and Christianity** A. H. Mathias Zahniser,2017-09-15 The common wisdom is that Christians and Muslims should dialogue only about what they agree on This book takes a different approach As the author observes If we focus only on our common ground we will miss some of the motivating force of our traditions because that force derives not only from what we hold in common but also from those convictions that keep us apart YGod Danielle D'Souza,2012-11-05 Faith is a dynamic thing a lively thing of asking questions and finding answers says Danielle D Souza In Y God she addresses more than thirty of the most interesting and pressing questions being asked about God by believers and skeptics alike Rather than coming across as having all the answers Danielle puts her ideas in the form of a conversation Yet at her core she has convictions that come from a faith rooted in her heart as well as her head Y God will appeal to Millennials the Y generation and anyone who has ever had doubts about the biblical story of God Questions include Is faith reasonable Are miracles really possible Is the Bible literally true Is God the author of morality Are other religions false Is America a Christian nation Does anyone deserve hell Why do people become atheists Is science at war with religion Is evolution compatible with the Bible If Jesus did exist who was he How would Christianity change my life **Seeking the Common Ground** Philip L. Wickeri,2011-08-05 This is the most comprehensive treatment ever written of the history of the Protestant Church in China over the last forty years Philip Wickeri takes an unprecedented look at one of the most turbulent periods in Chinese history the years from 1949 to the present Wickeri explicates what Chinese Protestants have been saying about themselves in historical and theological perspective His

interpretation is based on one particular dynamic how Chinese Protestants have sought to situate themselves in a socialist society within the unifying framework of the united front After an overview of church Marxism and Christianity in China Wickeri discusses the united front He focuses on ideology organization and religious policy Wickeri then explores the Three Self Movement as both a Chinese and a Christian movement His conclusion the Three Self Movement despite problems has made Christianity more accessible to the average Chinese and the church more acceptable to Chinese society
