Coming To A Collection Of Erotic And Other Epiphanies

Jeffrey P. Ulrich

Coming To A Collection Of Erotic And Other Epiphanies:

Coming To Lukas Hand, 2022-12 What gay man hasn't had that encounter with another man that turned his world upside down When he was left sweating and out of breath heart pounding perspective askew because the sensuality of warm flesh and breath is as intoxicating as any drug Author Lukas Hand has collected stories of just these brief trysts the ones we've all had or wished we'd had that meet at the crossroads of guilt and passion repression and ardor Previous engagements that end in surprising ways drunken groomsmen at weddings even a famous reporter named Clark with a penchant for dashing off these are the assignations Hand offers readers in *Coming To* All are memorable All are arousing *Divine Epiphany in*

Greek Literature and Culture Georgia Petridou, 2016-01-28 In ancient Greece epiphanies were embedded in cultural production and employed by the socio-political elite in both perpetuating pre-existing power structures and constructing new ones This volume is the first comprehensive survey of the history of divine epiphany as presented in the literary and epigraphic narratives of the Greek speaking world It demonstrates that divine epiphanies not only reveal what the Greeks thought about their gods they tell us just as much about the preoccupations the preconceptions and the assumptions of ancient Greek religion and culture In doing so it explores the deities who were prone to epiphany and the contexts in which they manifested themselves as well as the functions narratives and situational they served addressing the cultural specificity of divine morphology and mortal immortal interaction *Divine Epiphany in Greek Literature and Culture* re-establishes epiphany as a crucial mode in Greek religious thought and practice underlines its centrality in Greek cultural production and foregrounds its impact on both the political and the societal organization of the ancient Greeks **Epiphanies and Dreams**

in Greek Polytheism Michael Lipka, 2021-12-06 While modern students of Greek religion are alert to the occasion boundedness of epiphanies and divinatory dreams in Greek polytheism they are curiously indifferent to the generic parameters of the relevant textual representations on which they build their argument Instead generic questions are normally left to the literary critic who in turn is less interested in religion To evaluate the relation of epiphanies and divinatory dreams to Greek polytheism the book investigates relevant representations through all major textual genres in pagan antiquity The evidence of the investigated genres suggests that the epiphany mindedness of the Greeks postulated by most modern critics is largely an academic chimaera a late comer of Christianizing 19th century scholarship It is primarily founded on a misinterpretation of Homer's notorious anthropomorphism in the *Iliad* and *Odyssey* but also in the Homeric Hymns This anthropomorphism which is keenly absorbed by Greek drama and figural art has very little to do with the religious lifeworld experience of the ancient Greeks as it appears in other genres By contrast throughout all textual genres investigated here divinatory dreams are represented as an ordinary and real part of the ancient Greeks lifeworld experience

Bearing Witness to Epiphany John Russon, 2014-02-07 In this probing sequel to the popular and award winning *Human Experience* John Russon asks What is it to be a person The answer the key to our humanity lies in our sexuality where we

experience the freedom to shape identities creatively in cooperation with another With grace and philosophical rigor Russon shows that an exploration of sexuality not only illuminates the psychological dimensions of our interpersonal lives but also provides the basis for a new approach to ethics and politics Responsibilities toward others he contends develop alongside our personal growth Bearing Witness to Epiphany brings to light the essential relationship between ethical and political bonds and the development of our powers of expression leading to a substantial study of the nature and role of art in human life

Courting Death Desmond Manderson, 1999-09-20 This collection deals with complex issues relating to death such as mercy killings the right to die and murder the relationship will always be controversial This timely and provocative collection brings together scholars from Australia Britain and the US The God Who May Be Richard Kearney, 2001-10-03 Kearney is one of the most exciting thinkers in the English speaking world of continental philosophy and he joins hands with its fundamental project asking the question what or who comes after the God of metaphysics John D Caputo Engaging some of the most urgent issues in the philosophy of religion today in this lively book Richard Kearney proposes that instead of thinking of God as actual God might best be thought of as the possibility of the impossible By pulling away from biblical perceptions of God and breaking with dominant theological traditions Kearney draws on the work of Ricoeur Levinas Derrida Heidegger and others to provide a surprising and original answer to who or what God might be For Kearney the intersecting dimensions of impossibility propel religious experience and faith in new directions notably toward views of God that are unforeseeable unprogrammable and uncertain Important themes such as the phenomenology of the persona the meaning of the unity of God God and desire notions of existence and difference and faith in philosophy are taken up in this penetrating and original work Richard Kearney is Professor of Philosophy at Boston College and University College Dublin He is author of many books on modern philosophy and culture including *Dialogues with Contemporary Continental Thinkers* *The Wake of Imagination* and *The Poetics of Modernity* *Epiphany of the Long Sun* Gene Wolfe, 2000-11-04 After becoming the first Cald in more than a century Silk gets a glimpse into the nature of the Whorl and of his own purpose **Star Trek: The Original Series: Vulcan's Soul #3: Epiphany** Josepha Sherman, Susan Schwartz, 2008-02-26 The secret history of the Romulans is revealed And to stave off an escalation of galactic warfare Spock and his allies race across time and space to confront a terrifying interstellar menace **The Epiphany of an Explorer** Linda Rae Sande, 2016-07-02 If you're only on a quest to find a rare tree how can you expect to find your Aphrodite When archeologist Alexander Duke of Westhaven goes missing while searching for an important Greek artifact explorer Harold Earl of Everly is pressed into service by fellow members of the Royal Society to find him On his last visit to the island of Delos Harry was blessed with a visit from a young woman his very own version of Aphrodite rising from the Aegean Sea to regard him with an arched eyebrow and a simple question that left him so discombobulated he could barely speak Born of a Mykonian mother and a British duke Estelle Jones isn't particularly comfortable in either world With her father's recent disappearance and no prospects for marriage she may

end up stranded on Mykonos spending her days assisting her uncle in his hunt for Greek treasures he can sell to Europeans At night she remembers the bespectacled earl who nearly broke her foot during a waltz back in London When Harry arrives on Mykonos to begin his hunt for the duke and to begin his own research he ll have to learn far more about mythology antiquities and Greek goddesses than he cares to know The search may be worth it especially if he can find his very own

Aphrodite in The Epiphany of an Explorer **The Redensive Epiphanies of Pouty McNavel** Edited by David

Gullen,2012-04-10 Victim or perpetrator woman and man She s on a journey he s on a quest Doing what we all do trying to understand It s just beyond his grasp she knows it s round the next corner The Redensive Epiphanies of Pouty McNavel

Journeys endings and p Cherry Blossom Epiphany -- The Poetry and Philosophy of a Flowering Tree Robin D. Gill,2006-10

Cherry Blossom Epiphany the poetry and philosophy of a flowering tree a selection translation and lengthy explication of

3000 haiku waka senry and ky ka about a major theme from I P O O H In Praise Of Olde Haiku by robin d gill 1 Haiku

Translation from Japanese to English 2 Japanese poetry 8c 20c waka haiku and senry 3 Natural History flowering cherries 4

Japan Culture Edo Era 5 Nonfiction Literature 6 Translation applied 7 You tell me If the solemn yet happy New Year s is the

most important celebration of Japanese Yamato ethnic culture and the quiet aesthetic practice of Moon viewing in the fall the

most elegant expression of Pan Asian Buddhism religion the subject of this book Blossom viewing which generally means

sitting down together in vast crowds to drink dance sing and otherwise enjoy the flowering cherry in full bloom is less a rite

than a riot a word originally meaning an uproar The major carnival of the year it is unusual for being held on a date that is

not determined by astronomy astrology or the accidents of history as most such events are in literate cultures It takes place

whenever the cherry trees are good and ready Enjoyed in the flesh the blossom viewing or hanami is also of the mind so

much so in fact that poetry is often credited with the spread of the practice over the centuries from the Imperial courts to the

maids of Edo Nobles enjoyed link verse contests presided over by famous poet judges Hermits hung poems feting this flower

of flowers to say the generic flower hana in Japanese connotes cherry on strips of paper from the branches of lone trees

where only the wind would read them In the Occident too flowers embody beauty and serve as reminders of mortality but

there is no flower that like the cherry blossom stands for all flowers Even the rose by any name cannot compare with the

sakura in depth and breadth of poetic trope or viewing practice In Cherry Blossom Epiphany Robin D Gill hopes to help

readers experience metaphysically some of this alternative world Haiku is a hyper short 17 syllabet or 7 beat Japanese poem

directly or indirectly touching upon seasonal phenomena natural or cultural Literally millions of these ku have been written

some perhaps many times about the flowering cherry sakura and the human activity associated with it blossom viewing

hanami As the most popular theme in traditional haiku haikai cherry blossom ku tend to be overlooked by modern critics

more interested in creativity expressed with fresh subjects but this embarrassment of riches has much to offer the poet who

is pushed to come up with something anything different from the rest and allows the editor to select from what is for all

practical purposes an infinite number of ku Literary critics take note Like Rise Ye Sea Slugs 2003 and Fly ku 2004 this book not only explores new ways to anthologize poetry but demonstrates the practice of multiple readings an average of two per ku as part of a composite translation turned into an object of art by innovative clustering Book collectors might further note that while Cherry Blossom Epiphany may not be hardback it takes advantage of the many symbols included with Japanese font to introduce design ornamentation the circle within the circle the reverse Buddhist swastika etc hitherto not found in English language print It is a one of a kind work of design by the author **Epiphanies** Sophie Grace Chappell,2022 Epiphanies is a philosophical exploration of epiphanies peak experiences wow moments or ecstasies as they are sometimes called What are epiphanies and why do so many people so frequently experience them Are they just transient phenomena in our brains or are they the revelations of objective value that they very often seem to be What do they tell us about the world and about ourselves How if at all do epiphanies fit in with our moral systems and our theories of how to live And how do epiphanic experiences fit in with the rest of our lives These are Sophie Grace Chappell s questions in this ground breaking new study of an area of inquiry that has always been right under our noses but remains surprisingly under explored in contemporary philosophy The Ancient Greek Hero in 24 Hours Gregory Nagy,2020-01-07 What does it mean to be a hero The ancient Greeks who gave us Achilles and Odysseus had a very different understanding of the term than we do today Based on the legendary Harvard course that Gregory Nagy has taught for well over thirty years The Ancient Greek Hero in 24 Hours explores the roots of Western civilization and offers a masterclass in classical Greek literature We meet the epic heroes of Homer s Iliad and Odyssey but Nagy also considers the tragedies of Aeschylus Sophocles and Euripides the songs of Sappho and Pindar and the dialogues of Plato Herodotus once said that to read Homer was to be a civilized person To discover Nagy s Homer is to be twice civilized Fascinating often ingenious A valuable synthesis of research finessed over thirty years Times Literary Supplement Nagy exuberantly reminds his readers that heroes mortal strivers against fate against monsters and against death itself form the heart of Greek literature He brings in every variation on the Greek hero from the wily Theseus to the brawny Hercules to the monolithic Achilles to the valiantly conflicted Oedipus Steve Donoghue Open Letters Monthly *The Shadow of an Ass* Jeffrey P. Ulrich,2024-11-06 Jeffrey Ulrich s The Shadow of an Ass addresses fundamental questions about the reception and aesthetic experience of Apuleius Metamorphoses popularly known as The Golden Ass by situating the novel in a contemporaneous literary and philosophical discourse emerging in the Second Sophistic This unique Latin novel follows a man who is accidentally turned into a donkey because of his curiosity viewing the world through a donkey s eyes until he is returned to human form by the Egyptian goddess Isis In the end he chooses to become a cult initiate and priest instead of a debased and overindulgent ass On the one hand the novel encourages readers to take pleasure in the narrator s experiences as he relishes food sex and forbidden forms of knowledge Simultaneously it challenges readers to reconsider their participation in the story by exposing its donkey narrator as a failed model of heroism

and philosophical investigation Ulrich interprets the *Metamorphoses* as a locus of philosophical inquiry positioning the act of reading as a choice of how much to invest in this tale of pleasurable transformation and unanticipated conversion The *Shadow of an Ass* further explores how Apuleius as a North African philosopher translating an originally Greek novel into a Latin idiolect transforms himself into an intermediary of Platonic philosophy for his Carthaginian audience Situating the novel in a long history of philosophical and literary conversations Ulrich suggests that the *Metamorphoses* anticipates much of the philosophical burlesque we tend to associate with early modern fiction from *Don Quixote* to Lewis Carroll

The Epiphany Machine David Burr Gerrard, 2017-07-18 Best New Science Fiction for Summer by The Washington Post A Most Anticipated book of 2017 by The Millions Everyone else knows the truth about you now you can know it too That's the slogan The product a junky contraption that tattoos personalized revelations on its users forearms It's an old con playing on the fear that we are obvious to everybody except ourselves This particular ad has been circulating New York since the 1960s and it works But oddly enough so might the device A small stream of city dwellers buy into this cult of the epiphany machine including Venter Lowood's parents This stigma follows them when they move upstate where Venter can't avoid the whispers of teachers and neighbors any more than he can ignore the machine's accurate predictions his mother's abandonment and his father's disinterest So when Venter's grandmother finally asks him to confront the epiphany machine and inoculate himself against his family's mistakes he's only too happy to oblige Like his parents before him Venter is quick to fall under the spell of the device's sweat stained profane and surprisingly charming operator Adam Lyons But unlike them Venter gets close enough to Adam to learn a dark secret There's an undeniable pattern between specific epiphanies and violent crimes And Adam won't jeopardize the privacy of his customers by alerting the police It may be a hoax but that doesn't mean what Adam is selling isn't also spot on And in this sprawling snarling tragicomedy about accountability in contemporary America the greater danger is that Adam Lyon's apparatus may just be right about us all This is can't miss pop culture Vox

Sappho Thomas McEvilley, 2008-03 The current volume on Sappho represents many years of work and includes two major unpublished new studies *The Garden of the Graces* *The Survival of Bronze Age Religious Motifs into the Modern Lyric Poem* and *The Clear Voiced Song* *Loving Lyre* Recent Explorations in Sapphic Studies BOOK JACKET

Doorway to Artistry Esther Lightcap Meek, 2023-06-15 Your artistry involves you intimately with the world around and beyond you So your artistry involves profound but simple philosophical matters As a human person you are artful and philosophical at the core of your being *Doorway to Artistry* offers a playful everyday philosophical approach necessary for life integration healing and thriving in artistry It reflects on the real and how we are involved with it especially in our creative effort In short the real hospitably welcomes us and in our artistry we reciprocate in noble courtesy Human persons were made for this communion with the real Find in this book a hospitable welcome to belong at home beyond where you are

The Rhetoric of Emotions Robert Perinbanayagam, 2017-07-05 Kenneth Burke founder of the critical method of dramatism believed that

motives and attitudes are constantly generated by individuals as they encounter social situations and material objects in the course of their everyday lives In *The Rhetoric of Emotions* Robert Perinbanayagam proposes that by analysing individuals experiences especially through their interaction with creative outlets we can come to a deeper understanding of how the human mind systematically approaches the emotive process The author maintains that individuals use spoken language and all other forms of symbolism including art and literature to elicit social cooperation and emotional understanding both in regard to the world around them and within themselves Rhetoric and culture are mechanisms for managing values behaviour and emotions In order to ground this philosophical viewpoint Perinbanayagam strategically discusses famous novels and paintings to show how individuals construct emotional responses to the rhetorical objects at their disposal In addition to the ideas of Burke and George Herbert Mead the ideas of Max Weber Georg Simmel Charles Sanders Peirce Edmund Husserl Alfred Schutz and Erving Goffman are also reflected in this provocative analysis Trailing Clouds David G.

Cowart,2018-07-05 We stand to learn much about the durability of or changes in the American way of life from writers such as Bharati Mukherjee born in India Ursula Hegi born in Germany Jerzy Kosinski born in Poland Jamaica Kincaid born in Antigua Cristina Garcia born in Cuba Edwidge Danticat born in Haiti Wendy Law Yone born in Burma Myl ne Dressler born in the Netherlands Lan Cao born in Vietnam and such Korean born authors as Chang rae Lee Theresa Hak Kyung Cha and Nora Okja Keller writers who in recent years have come to this country and in their work contributed to its culture David CowartIn *Trailing Clouds* David Cowart offers fresh insights into contemporary American literature by exploring novels and short stories published since 1970 by immigrant writers Balancing historical and social context with close readings of selected works Cowart explores the major themes raised in immigrant writing the acquisition of language the dual identity of the immigrant the place of the homeland and the nature of citizenship Cowart suggests that the attention to first generation writers those whose parents immigrated has not prepared us to read the fresher stories of those more recent arrivals whose immigrant experience has been more direct and unmediated Highlighting the nuanced reflection in immigrant fiction of a nation that is ever more diverse and multicultural Cowart argues that readers can learn much about the changes in the American way of life from writers who have come to this country embraced its culture and penned substantial literary work in English *Indian Asceticism* Carl Olson,2015-03-03 Throughout the history of Indian religions the ascetic figure is most

closely identified with power A by product of the ascetic path power is displayed in the ability to fly walk on water or through dense objects read minds discern the former lives of others see into the future harm others or simply levitate one s body These tales give rise to questions about how power and violence are related to the phenomenon of play Indian Asceticism focuses on the powers exhibited by ascetics of India from ancient to modern time Carl Olson discusses the erotic the demonic the comic and the miraculous forms of play and their connections to power and violence He focuses on Hinduism but evidence is also presented from Buddhism and Jainism suggesting that the subject matter of this book pervades India s major

indigenous religious traditions The book includes a look at the extent to which findings in cognitive science can add to our understanding of these various powers Olson argues that violence is built into the practice of the ascetic Indian Asceticism culminates with an attempt to rethink the nature of power in a way that does justice to the literary evidence from Hindu Buddhist and Jain sources

Unveiling the Magic of Words: A Report on "**Coming To A Collection Of Erotic And Other Epiphanies**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
