Commitment to Conquer Bob Beckett, Rebecca Wagner Sytsema, 1997-07-01 Targeted plans and specific strategies including spiritual mapping for local churches to powerfully reclaim and renew their communities through prayer

Beyond Illusion Carl Townsend, 2009-12 There is no doubt that we see a failure of leadership today Political leaders are unable to forge a path out of two wars we were led into by lies and greed Today we see the economic system that has fueled capitalism for years is collapsing from greed and mismanagement Much of the existing leadership has been unwilling to change passing the costs of their selfishness and mismanagement to the next generations and the generations after them Paradigms of the past remain only as illusions and no longer work What does real leadership today look like Beyond Illusion Leading from Reality takes a hard look at what is missing in today's leadership using as effective models outstanding leaders in the Bible such as Nehemiah Moses and Jesus If you want to be a leader today you will find essential clues in this book as well as stories that show you how you can lead in transforming your community nation and in the world Carl is a man who hears what the Spirit is saying and places the poetry of that message for the reader to hear for himself Bettie P Mitchell Founder and former International Executive Director Good Samaritan Ministries **Books in Print Supplement**, 2002

Understanding Spiritual Warfare Sam Storms, 2021-04-27 A comprehensive theological guide to everything the Bible has to say about spiritual warfare Many Christians today are unaware or skeptical of the reality of Satan and the role he and his demonic hordes seek to exert on our lives But if we're to take Scripture seriously we can't overlook the biblical assertions about the spiritual battles between the kingdom of God and the kingdom of the devil The truth is that believers in Jesus are certain to encounter men and women of all ages who are oppressed tormented and tempted by demonic powers In Understanding Spiritual Warfare theologian and professor Sam Storms confronts the reality of the spiritual conflict in our midst the threat of the demonic and how we as Christians can respond to such a threat in our own lives and in the lives of others Storms explains the biblical teaching on spiritual warfare and shares numerous personal accounts of victories over the demonic answering question like Who is Satan and his demons and how do they act Can a Christian be demonized How does the authority of Christ defeat the devil and the demonic What is warfare prayer and how can we wield it Perfect for any individual or group who wants to grow in their understanding of spiritual warfare Understanding Spiritual Warfare also serves as a training manual for a ministry of deliverance and inner healing **The Voice of Poland**, 1944 Urban Conquest Dr. Mishael Carson, 2025-02-16 Welcome to Urban Conquest A 30 Day Prophetic Prayer Declaration for Taking Cities for Christ In this book you are invited on a transformative journey one that calls you to engage in the spiritual warfare and intercessory prayer necessary to reclaim our cities for the Kingdom of God Cities are much more than collections of buildings and streets they are vibrant communities cultural hubs and centers of influence that shape the lives of millions Yet beneath their bustling surface every city is a battleground where spiritual forces vie for control As believers we have been

commissioned by Christ to take our cities for Him to bring His light into every dark corner to dismantle strongholds and to establish His rule over every sphere of society Over the next 30 days this book will guide you through a series of prophetic prayer declarations designed to activate God's transformative power in your community Each day's declaration is rooted in Scripture and inspired by the insights gleaned from works like Urban Revival God's Blueprint for Transforming Cities and the Spiritual Mapping Workbook Together these declarations form a comprehensive blueprint for spiritual warfare and urban revival one that equips you to stand in the gap break down barriers and usher in God's Kingdom in tangible measurable ways Throughout this journey you will be encouraged to Pray Boldly Stand on the promises of God's Word and declare His truth over every aspect of your city its government education economy family arts and media Engage Spiritually Recognize that cities are not only physical entities but also spiritual territories where forces of darkness have taken root Through prophetic prayer you have the authority to dismantle these strongholds Partner in Unity Join with other believers in a unified intercession knowing that when two or more agree in prayer the heavens respond Our collective efforts are a powerful catalyst for transformation Walk in Victory Embrace the victory of Jesus Christ who has overcome every obstacle As you declare these truths remember that you are more than a conqueror by the power of His love Each day's declaration builds on the previous one creating a cumulative impact that is designed not only to transform your own heart but also to ignite revival throughout your city As you move through these 30 days allow the Holy Spirit to guide your prayers and renew your passion for urban transformation This is not merely a devotional exercise it is a strategic call to action for every believer who desires to see their community reflect the glory and power of God May this book inspire you to rise up stand firm and boldly declare the promises of God over your city Let your heart be filled with the vision of a transformed urban landscape a place where the light of Christ shines brightly where every soul experiences His redeeming love and where His Kingdom is advanced on earth as it is in heaven Welcome to the battle Welcome to the breakthrough Welcome to Urban Conquest The Art of Strategic Intercession Duan Hill, 2019-06-18 Most people believe that Prayer and Intercession are the same thing when nothing could be further from the truth Prayer is simply how believers in God communicate with Him Prayer is meant to be a two way conversation between God and His children not a monologue where one lays out a laundry list of requests but a personal conversation where BOTH parties speak and listen Intercession on the other hand is a form of Spiritual Warfare True Intercession is triggered by a burden one receives from God to declare the Word of God for a particular person place or thing It is how believers in Christ use their spiritual authority in Him to regulate and influence the spiritual climate making the atmosphere conducive for the Word of God to manifest whether it be in an individual's life a city region or even a Nation The Art of Strategic Intercession will equip the reader with the necessary knowledge skills and spiritual tools needed to operate effectively and efficiently as they respond to the burden placed upon them to declare the Word of God for His people
