PEER & SELF REVIEW

- ✓ Using the 6 traits of writing to help students analyze their own and their peer's writing improves everyone's writing skills.
- ✓ Use each trait individually to focus on specific skills. Checklists are easy to print on post-it notes, or assign digitally with drop-down boxes.
- ✓ Each checklist is completely editable, so you can customize to suit your class's needs.

I plan on having students rotate to different "stations" to read and discuss narratives. Post-it note writing checklists are perfect for guiding students towards "look for" without being overwhelmed! LOVE IT!!! Only wish I had found this sooner, as the planning guide for narrative would have been perfect for differentiating and supporting struggling students!
