

World History Final Research Project

The world is a fascinating, diverse, and rapidly changing place. As members of a global community, it is imperative that we continue to seek knowledge about international events, and to ask questions that allow us to consider where we are heading.

The Project

In this final project, you will have the opportunity to research a modern global issue or country of your choice (see options on next page). Whichever option you choose, you must answer the following three questions through your research and presentation:

What major historical events led to the situation today?

What is currently happening?

What are the two (2) of the most important takeaways that we should have about the topic/country?
