Communicate with the dead Laurent Poret, Do you want to talk to a loved one who has died or learn more about an ancestor? You may hope to be able to reason with a mind that seems to haunt your home. People have been talking with the dead for thousands of years using varieties of different reasons. *Talking with the Dead* Kiv Books, 2017-02-21 Is there life after death? What happens on the other side? Is it possible to contact those who have already passed away? These are usually the questions people have in mind about life after death. Sometimes you think grief gets in the way of your judgement. You don't know if you're just hallucinating or letting your imagination run wild. You have this inner conflict where you end up keeping these experiences to yourself. Otherwise your friends or family might just stare at you with wide eyes. Back in the days, civilizations have long believed in an afterlife. People in almost every culture think that it is indeed possible to communicate with the dead. Throughout the ages, many have reported that they have been able to speak with their dearly departed. Even in classic literature, communication with ghosts and spirits frequently shows up. In a 2014 news poll, it is said that three out of four people believe there's something after death. Many have sensed and received signs from their loved ones after passing. The idea that the living can make contact with the spirits of those who have passed over is popular today primarily because of the modern channeling trend, which is considered part of the New Age movement stemming from Hinduism, Buddhism and other traditions. However, it is also important to understand everything about after death.

Breaking Strongholds of the Devil, Satan Donald Evans, 2023-02-27 The devil's strongholds originated in the spirit realm Satan the devil has many ways of creating and holding a person in a certain condition to benefit his purposes and cause in the world Once he sets his plan it's going to be carried out by the individual regardless of being a Christian believer or nonbeliever it makes no difference He has a way to hold individuals to his cause whether it's delayed or not his method of holding persons under his control is even greater among Christians Why is that Because most Christians believe they are exempt from the devil's strongholds Big mistake No one is exempt from the forces of evil whose strongholds are among the highest level of evil and wickedness in the spiritual realm A person can bind themselves in a stronghold without having any knowledge it's not Satan but their spirit of perception which is as real active and alive as the person themselves for which Satan the devil gets the credit and blame The spirit of perception of the mind is more powerful than the world acknowledges The spirit of perception can hold a person in restraint forever without changing their perception The world does not acknowledge or consider the spirit of perception is the culprit which Satan feeds off and that holds the world the entire world in total darkness Satan is the god of this world and its system of things which he controls because of the world's lack of knowledge of strongholds Most of the world population does not know what a

stronghold really represents in all human lives No one is exempt from strongholds which can bind a person until death This book Breaking Strongholds of the Devil Satan shall give some light to the world about how strongholds bind persons for lifetimes He or she can be set free of any and all strongholds in minutes where others have been held a lifetime and died
