Cars, Cats and Crooks R. Carter, 2014-11-10 Peyton Kimble is 42 years old and has recently been made redundant from his boring dead end job at an independent car factory in Chester UK What should he do next with his life Become a private detective of course Although the answer is obvious to the imaginative and intelligent Peyton who feels like he s been waiting for this opportunity all his life his other half Sherri initially thinks he s having some sort of mid life crisis But with the support of his sister Ros and her eighteen year old lazy but clever drop out son Jackson Chadwick who soon becomes Peyton s assistant the Kimble Detective Agency takes off with a bang Their first case is the mystery of Mrs Boggins missing cat a seemingly simple boring and childish investigation which actually ends up being a little more complicated than they initially imagined and lands them an article in the local paper after their heroic rescue of poor Speckles But when an ex work colleague Gordon Tate turns up dead Peyton and Jackson are drawn into an entirely more sinister world that will change both their lives forever The police rule the death as a suicide but Peyton and Jackson have other ideas But with all the evidence stacked against them and even the police turning their backs can Peyton and Jackson prove that this was something more than a simple suicide The revelations they uncover will turn Peyton s entire family upside down dredging up old secrets and scandals from the past that most thought were long buried and forgotten The Case of the Crafty Christmas Crooks (a Buckley and Bogey Cat Detective Caper) Cindy Vincent, 2013-10 Buckley and Bogey Cat Detectives find their next case hits a little too close to home Because someone has been breaking into houses and stealing all the Christmas presents And the first two robberies even took place in their very own neighborhood Holy Catnip Of course the boys leap in on all fours to investigate right away Then it isn t long before they realize they are dealing with some real criminal masterminds since these burglars know exactly how to cover their tracks Plus the crooks have the whole town of St Gertrude on edge and they re threatening to ruin Christmas for everyone But figuring out the identity of the Christmas Crooks isn t the only mystery around After all Buckley had just been adopted from the cat shelter this year and this was the first he d ever heard about Christmas And he quickly finds out there is a lot to learn From Christmas trees to Santa Claus and jingle bells to the birth of baby Jesus the real meaning of Christmas is a mystery to him But he and Bogey can t really enjoy any of it until the Christmas Crooks are caught That s because it becomes very clear very quick these Christmas Crooks have set their sights on the boys house too And the burglars are headed straight for their door Holy Mackerel The Case of the Clever Secret Code (a Buckley and Bogey Cat Detective Caper) Cindy Vincent, 2015-10-01 Buckley and Bogey Cat Detectives find their next big case with the Buckley and Bogey Cat Detective Agency to be their most difficult yet It all starts one hot summer day when the boys are sitting in the front window of their Mom s antique store That s when they see a big black limo crawling up the street and going right through downtown St Gertrude So who is in that long black car None other than famous movie star Steele Bronson And his surprise arrival sends the entire town into a tizzy Especially when he announces his plans to shoot his next

movie right there at the St Gertrude Library housed in a historic four story mansion And wouldn't you know it but it all happens just Gracie the boys human sister is a finalist in the town's Fourth of July essay contest Holy Catnip But it isn't long before Buckley and Bogey realize there is something very wrong with the whole picture including the one that Steele Bronson is filming Because it soon becomes very clear that the guy is after much more than just an Academy Award And when the drama turns to danger for the boys and their family that's when Buckley and Bogey jump into the scene Because this is one case that has it all from Fourth of July festivities to tales of the American Revolution and from a secret code to a hidden key And unless Buckley and Bogey want to see this movie turn into a tragedy it'll be up to them to crack the case as well as the secret code Holy Mackerel

Jones, 2012-09-13 When Dirk Dilly gets a call from Holly asking him to help her find her missing cat he thinks that the case will be very tedious However soon he and the intrepid Holly are engaged in a life or death struggle in which the missing cats play only a small part This is a case that will seriously test Dilly's detective skills as he finds himself up against some very dangerous foes
