Career Aspirations And Expeditions Advancing Your Career In Higher Education Administration:

Career Aspirations & Expeditions Nancy Archer Martin, Jennifer L. Bloom, 2003 **Careers For Dummies** Marty Nemko, 2018-05-18 Feeling stuck Find out how to work toward the career of your dreams If you're slogging through your days in a boring or unrewarding job it may be time to make a big change **Careers For Dummies** is a comprehensive career guide from a top career coach and counselor that will help you jump start your career and your life Dive in to learn more about career opportunities with a plethora of job descriptions and the certifications degrees and continuing education that can help you build the career you've always wanted Whether you're entering the workforce for the first time or a career oriented person who needs or wants a change this book has valuable information that can help you achieve your career goals Find out how you can build your personal brand to become more attractive to potential employers how to create a plan to get from here to there on your career path and access videos and checklists that help to drive home all the key points If you're not happy in your day to day work now there's no better time than the present to work towards change Get inspired by learning about a wide variety of careers Create a path forward for a new or better career that will be rewarding and fun Determine how to build your personal brand to enhance your career opportunities Get tips from a top career coach to help you plan and implement a strategy for a more rewarding work life **Careers For Dummies** is the complete resource for those looking to enhance their careers or embark on a more rewarding work experience **Research Anthology on Challenges for Women in Leadership Roles** Management Association, Information Resources, 2021-03-19 The role of women in the workplace has rapidly advanced and changed within the previous decade leading to a current position in which women are taking over leadership roles and being offered these positions more than ever before However a gap still exists with the representation of women in the workforce especially in power positions and roles of authority in organizations While the representation of women in leadership roles is impressive and exciting for the future women still face many challenges when taking over these positions of power and face many issues related to gender inclusivity There is also still gender bias and discrimination against women who have been given the opportunity to become authority figures It is essential to acknowledge and discuss these critical issues and challenges that women in leadership roles must handle to better understand the current climate of gender roles across various industries and types of leadership The **Research Anthology on Challenges for Women in Leadership Roles** discusses the role of women in positions of authority across diverse industries and businesses By reviewing the biases struggles discrimination and overall challenges of being a woman in a powerful role women leaders can be better understood for their role in a male dominated world This includes topics of concern such as equal treatment proper implementation of women's policies social justice activism discrimination and sexual harassment in the workplace and the importance of diversity and empowerment of women in leadership positions with chapters pertaining specifically to African American Hispanic Asian and Middle Eastern women This book is ideal for professionals researchers

managers executives leaders academicians sociologists policymakers and students in fields that include humanities social sciences women s studies gender studies business management management science health sciences educational studies and political sciences *Career Moves* Athena Vongalis-Macrow,2014-02-05 Mentoring and career guidance are the missing ingredients in women s career planning at the higher education level Career Moves recognizes and gives voice to some of the common career concerns of women in higher education and responds to these through well informed researched and experiential chapters focussing on interests specific to women in academia Career Moves draws on the substantial knowledge experience and information of successful women currently working in higher education Each chapter presents strategic information for academics working in higher education who may be seeking insider s advice about negotiating their careers The authors as mentors reflect discuss and offer critical learning to the readers The aim is to help guide and shape women s career moves in higher education In this international edition authors have given personal accounts of what works and how women could prepare for the next stages of their academic careers Authors have given sociological accounts of obstacles and how these can impede women if they are not aware of strategies to overcome barriers Insights about successful mentoring programs are highlighted to provide possible models for organizations Career Moves is an international collection of book chapters that explore a range of specific issues that all women in higher education face or will face as they move up the career ladder **Increasing Persistence** Wesley R. Habley,Jennifer L. Bloom,Steve Robbins,2012-09-04

INCREASING PERSISTENCE Of all the books addressing the puzzle of student success and persistence I found this one to be the most helpful and believe it will be extremely useful to faculty and staff attempting to promote student success The authors solidly ground their work in empirical research and do a brilliant job providing both an overview of the relevant literature as well as research based recommendations for intervention GAIL HACKETT PH D provost and executive vice chancellor for academic affairs professor counseling and educational psychology University of Missouri Kansas City Research indicates that approximately forty percent of all college students never earn a degree anywhere any time in their lives This fact has not changed since the middle of the 20th century Written for practitioners and those who lead retention and persistence initiatives at both the institutional and public policy levels Increasing Persistence offers a compendium on college student persistence that integrates concept theory and research with successful practice It is anchored by the ACT s What Works in Student Retention WWISR survey of 1 100 colleges and universities an important resource that contains insights on the causes of attrition and identifies retention interventions that are most likely to enhance student persistence The authors focus on three essential conditions for student success students must learn students must be motivated committed engaged and self regulating and students must connect with educational programs consistent with their interests and abilities The authors offer a detailed discussion of the four interventions that research shows are the most effective for helping students persist and succeed assessment and course placement developmental education initiatives academic advising and student

transition programming Finally they urge broadening the current retention construct providing guidance to policy makers campus leaders and individuals on the contributions they can make to student success

Transformational Leadership in Nursing, Second Edition Elaine Sorensen Marshall, PhD, RN, FAAN, Marion E. Broome, PhD, RN, FAAN, 2016-08-26 This award winning text guides nursing graduate students in developing the key skills they need to fulfill emerging leadership roles as our health care system experiences profound change and increasing complexity The book provides a wealth of critical information practical tools creative vision and inspiration that will help to facilitate leadership at the highest level of clinical practice This second edition is expanded and updated to incorporate leadership challenges resulting from health care reform changes in the current vision of health care and innovations that foster leadership development Two completely new chapters address transformational leadership regarding changing health care perspectives and emerging contexts for health care The text helps graduate students to master the skills they need to work effectively with interdisciplinary colleagues address challenges within the confines of budget constraints and resolve health care disparities and improve outcomes in all settings With contributions from expert scholars and clinicians in the humanities natural and social sciences organizational studies business nursing and other health care sciences this inspirational text fulfills the DNP core competencies as described in the American Association of Colleges of Nursing AACN Essentials of DNP Education New to the Second Edition Updated and expanded to incorporate new leadership challenges resulting from health care reform Expands the scope of leadership to encompass emerging health care contexts transformation of vision and practice innovations Includes a new chapter addressing transformative leadership vis vis changing health care perspectives Presents a new chapter describing emerging contexts for health care and how to build a respectful culture in which emerging leaders can thrive Includes updated tools health care paradigms and leadership inspiration Presents cases and reflective questions that help students apply the theoretical content to their own situations and generate discussion across cohorts of students Key Features Written expressly for APRNs transitioning into leadership roles Grounded in competencies and essentials of doctorate education for advanced nursing practice Traces the trajectory from expert clinician to role of leader of complex organizations and patient populations Draws from experts in the humanities natural and social sciences business nursing and health care

NACADA Journal ,2006
