AND THE  
INTENSIFICATION  
OF POLITICS

KAM SHAPIRO

MODERNITY AND POLITICAL THOUGHT

# Carl Schmitt And The Intensification Of Politics Modernity And Political Thought

**Mika Ojakangas**

## **Carl Schmitt And The Intensification Of Politics Modernity And Political Thought:**

*Carl Schmitt and the Intensification of Politics* Kam Shapiro, 2008-07-25 This book explores Carl Schmitt's efforts to distinguish sources of sovereignty and political identity in an age of rapid and volatile social change. In Schmitt's writings, Shapiro finds a dynamic conception of the relationship between political power and social form, organic traditions and their strategic deployment. As these writings indicate, the political constitution of a sovereign people involves the channeling of attachments and antagonisms of various kinds. The book explicates this process as it appears in changing contexts following Schmitt's turn from Catholic politics to secular nationalism and finally beyond the nation state during and after the Second World War. These shifts in Schmitt's approach reflect a general intensification of politics as its grounds are rendered increasingly fluid and volatile by accelerated movements of finance, warfare and communication. The result is a both a transformation in the practice of government requiring flexible and rapid adjustments to changes across the globe and in the nature of legitimacy whereby an ethos of belief grounded in relatively stable cultural and social rituals is supplanted by a more fluid and mobile pathos of identification.

**Carl Schmitt and the Intensification of Politics** Kam Shapiro, 2008

*Publius and Political Imagination* Jason Frank, 2013-12-05 Jason Frank's *Publius and Political Imagination* is the first volume of the *Modernity and Political Thought* series to take as its focus not a single author but collaboration between political thinkers. In this very special case, the collective known by the pseudonym Publius. Frank's revisionist reading of *The Federalist Papers*, perhaps the most canonical text in American political thought, counters familiar realist and deliberativist interpretations and demonstrates the neglected importance of political imagination to both Publius's arguments and to the republic he was invented to found.

**Impressions of Hume** Davide Panagia, 2013-08-22 Davide Panagia's *Impressions of Hume: Cinematic Thinking and the Politics of Discontinuity* is volume fifteen of *Modernity and Political Thought*, the Rowman Littlefield series in contemporary political theory. Through close attention to Hume's theories of sensation, Davide Panagia conceptualizes the modern even more radically, though also more literally, than many of the previous authors in this series. While devoting attention to how a historical thinker such as Hume is read and misread, used and abused in the modern intellectual world, Panagia also focuses on developing a theory of Humean perception and by so doing emphasizes the contemporaneity of Hume's thought. In what at first seems to be an anachronistic as well as wildly curious claim about a philosopher of the eighteenth century, Panagia holds that Hume was a cinematic thinker.

Deleuze's Political Vision Nicholas Tampio, 2015-08-06 French philosopher Gilles Deleuze and the psychiatrist/activist Félix Guattari's 1980 book *A Thousand Plateaus* is widely recognized as a masterpiece of twentieth-century Continental philosophy. Until now, however, few scholars have dared to explain the book's political importance. *Deleuze's Political Vision* reconstructs Deleuze's conception of pluralism, human nature, the social contract, liberalism, democracy, socialism, feminism, and comparative political theory. Unlike scholars who read Deleuze as a Marxist author, Nicholas Tampio argues that Deleuze was a cutting-edge liberal concerned

about protecting difference from what John Stuart Mill called the tyranny of the majority The book brings Deleuze into conversation with other contemporary political theorists such as Hannah Arendt William E Connolly Jürgen Habermas Bruno Latour Charles Mills Martha Nussbaum Carole Pateman Abdolkarim Soroush Leo Strauss and Charles Taylor Deleuze's Political Vision translates Deleuze's ideas into popular vernaculars to realize his political vision and reveal his work as essential to modern discussions of political theory and philosophy *Unsettling the World* Jeanne Morefield, 2022-04-29

*Unsettling the World* is the first book length treatment of Edward Said's influential cultural criticism from the perspective of a political theorist Arguing that the generative power of Said's thought extends well beyond *Orientalism* the book explores Said's writings on the experience of exile the practice of contrapuntal criticism and the illuminating potential of worldly humanism Said's critical vision Morefield argues provides a fresh perspective on debates in political theory about subjectivity global justice identity and the history of political thought Most importantly she maintains Said's approach offers theorists a model of how to bring the insights developed through historical analyses of imperialism and anti colonialism to bear on critiques of contemporary global crises and the politics of American foreign policy **Lincoln** Steven Johnston, 2018-08-16

The judgment that Abraham Lincoln is the finest president in the history of the United States borders on self evident This status tends to disable the very possibility of a more critical understanding or appreciation one that does not work explicitly or implicitly within the taken for granted frame of his greatness Still America is not blind to or ignorant of Lincoln's shortcomings Rather it is in part because of these shortcomings that Lincoln is revered Thus if the country needs to legitimize a problematic course of action it is Lincoln to whom it turns Lincoln America reminds itself suspended habeas corpus jailed political opponents suppressed speech held racist views and pursued racist policies The Lincoln that America idealizes is a thoroughly ambiguous figure Simultaneously the country tends to downplay or conveniently overlook the underside of Lincoln part of a larger political pattern in which it proclaims its exceptionalism while indulging the very worst as it conducts its political affairs It is time to take Lincoln's ambiguity seriously which might put America in position to recognize that one reason it routinely falls short of its democratic principles and commitments is that it may not just like Lincoln fully believe in them In *Lincoln The Ambiguous Icon* Steven Johnston explores Lincoln's complicated political thought and practice reinterpreting the Gettysburg Address the Second Inaugural and some of the many manifestations of Lincoln in film monuments and memorials that conceal but also reveal the terrible ambiguity of this marginally understood American figure John Rawls J. Donald Moon, 2014-08-26

Donald Moon's *John Rawls Liberalism and the Challenges of Late Modernity* is distinguished not only by the originality of its contribution to the literature on one of the most important political philosophers of the 20th century but for an argument that will be accessible to students as well as scholars of justice and its complex array of controversial issues at the heart of our hyper modern globalized world Rawls's work is often viewed primarily through the lens of liberal theories of social justice focusing on issues of income distribution and economic

inequality Moon allows for a more complete understanding of Rawls legacy by setting his account of social justice in the context of modern and increasingly pluralistic democracies Moon's reading of Rawls shows how his work breaks with political theory's traditional aspiration to provide a general theory of politics including a theory of justice which can be rationally vindicated Instead Rawls views theorizing as itself a practical political form of engagement which offers a specifically political conception of justice and political principles more generally that speak to the conditions of modern democratic citizens

Play Among Books Miro Roman, Alice\_ch3n81, 2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice\_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science

**The International Political Thought of Carl Schmitt** Louiza Odysseos, Fabio Petito, 2007-03-06 Presenting the first critical analysis of Carl Schmitt's *The Nomos of the Earth* and how it relates to the epochal changes in the international system that have risen from the collapse of the Westphalian international order There is an emerging recognition in political theory circles that core issues such as order social justice rights need to be studied in their global context Schmitt's international political thought provides a stepping stone in these related paths offering an alternative history of international relations of the genesis achievements and demise of the Westphalian system Writing at a time when he believed that the spatial political and legal order the *nomos* of the earth had collapsed he highlighted the advent of the modern state as the vehicle of secularization tracing how this interstate order was able to limit and rationalize and humanize war Providing a large number of case studies including global terrorism humanitarian intervention and US hegemony this book will give further impetus to and expand the nascent debate on the significance of Schmitt's legal and political thought for international politics *The International Political Thought of Carl Schmitt* will be of interest to students and scholars of international relations law and history

Foucault, Politics, and Violence Johanna Oksala, 2012 The politicization of ontology Foundational violence Dangerous animals The politics of gendered violence Political life The management of state violence The political ontology of neoliberalism Violence and neoliberal governmentality Terror and political spirituality

**Genealogies of Political Modernity** Antonio Cerella, 2020-01-23 What is political modernity And how much of its concepts and structures has changed or remained the same with the advent of the so called globalization What does it mean from a political perspective that we live in a postmodern era This book discusses these issues in light of the key authors and texts of the continental philosophical tradition from Carl Schmitt to Giorgio Agamben from Thomas Hobbes to Michel Foucault Looking at the roots of the current historical crisis that characterizes Western political regimes this book gazes into the past in order to trace the possible

development of our current global era in which all the classical concepts and our symbolic resources seem to be called into question leaving a vacuum of meaning for political action as much as for political theory

**Il nemico ritrovato. Carl Schmitt e gli Stati Uniti** Andrea Mossa, 2017-05-10 Mentre il pensiero di Carl Schmitt compromesso con il regime nazista viene bandito dal mondo accademico nelle università degli Stati Uniti fanno carriera vari studiosi europei in buona parte ebrei tedeschi costretti all'esilio che con lui hanno contratto consistenti debiti teorici Alcuni sono stati suoi allievi e amici altri semplicemente si sono confrontati con il suo pensiero perché a Weimar negli anni Venti per un filosofo o un politologo o un giurista era difficile non confrontarsi con Schmitt Come hanno fatto i conti con il bagaglio schmittiano che avevano portato con sé dall'Europa In che misura Schmitt ha influenzato il pensiero americano quando le regole della rispettabilità accademica sconsigliavano anche solo di menzionare il suo nome Com'è accaduto che a un certo punto Schmitt sia stato riscoperto e nel giro di un paio di decenni sia per così dire diventato di moda Il presente saggio tenta di rispondere a queste domande Dopo aver delineato il rapporto ambiguo tra Schmitt e gli Stati Uniti l'autore prende in esame e ridimensiona i cosiddetti dialoghi nascosti che secondo alcuni avrebbero segnato lo sviluppo del pensiero conservatore e neoconservatore americano e soprattutto ricostruisce un importantissimo dialogo mancato quello ingaggiato a partire dagli anni Cinquanta da Hannah Arendt che in Schmitt identificava l'unico vero discepolo di Hobbes e il più acuto esponente di una linea del pensiero politico che secondo lei doveva essere messa radicalmente in discussione

*Cities on the Plains* C. Miller, 2009-08-03 Theological concepts continue to maintain political concepts well after those theological concepts are no longer supported by belief *Cities on the Plains* examines some of these concepts in the light of five different times and places It is both a response to theological concerns in contemporary political theory and broadly accessible examination of familiar political issues touched by the divine such as gay marriage 9/11 or the French tradition of laïcité Concerns of difference and the divine are pursued through broadly familiar texts the Bible and Gore Vidal significant texts of political theory Plato and Augustine and less common texts Averroes Gods or the intellectual territory they used to occupy are treated as important features of the political contesting with these gods can help us visit defend and desire to paraphrase Deleuze and Guattari new cities and new peoples

*A Philosophy of Concrete Life* Mika Ojakangas, 2004 Carl Schmitt is one of the most influential political and legal theorists of the 20th century His ideas have long been familiar to intellectuals in Europe Despite growing interest in Schmitt the analysis of the metaphysical structure and logic of Schmitt's political thought is still missing This book tries to redress this flaw It focuses on Schmitt's conception of the concrete which is seen as the metaphysical core of his writings For Schmitt the concrete is a condition of possibility of any order Rather than a concept it is a name for a borderline or a passage between a concept and life between a mediating idea and an immediate existence In addition to the structure and logic of Schmitt's thought the book is a short presentation of all central themes in Schmitt's writings from *Political Theology* 1922 to *The Nomos of the Earth* 1950

**The Politics of time. Introduction to Carl Schmitt's Political Thought** Miguel

Saralegui,2021-07-01 Carl Schmitt is the last thinker to provide a complete original definition of politics His work influences many debates in contemporary political theory through a collection of concepts he created political theology the katechon friend and enemy Despite how influential his ideas are they tend to be employed metaphorically and sometimes incorrectly This miscalculation is due to Carl Schmitt himself who never gave us a final complete version of his political thought or even of some of his most famous concepts In this book I aim to reconstruct his political thought using three key concepts political theology the concept of the political and the theory of modernity To do so I have consulted all his published works but also the archival documents in particular those with ties to Spain which had previously received little attention This reconstruction offers readers a qualitative introduction to Schmitt s political thought that aims to blend logical clarity with document based evidence "Performing control" of the Covid-19 crisis Emilia Palonen,Dolors Palau,Dario

Quattromani,Virpi Salojarvi,2023-07-10 **Political Theology II** Carl Schmitt,2015-01-28 Political Theology II is Carl Schmitt s last book Part polemic part self vindication for his involvement in the National Socialist German Workers Party NSDAP this is Schmitt s most theological reflection on Christianity and its concept of sovereignty following the Second Vatican Council At a time of increasing visibility of religion in public debates and a realization that Schmitt is the major and most controversial political theorist of the twentieth century this last book sets a new agenda for political theology today The crisis at the beginning of the twenty first century led to an increased interest in the study of crises in an age of extremes an age upon which Carl Schmitt left his indelible watermark In Political Theology II first published in 1970 a long journey comes to an end which began in 1923 with Political Theology This translation makes available for the first time to the English speaking world Schmitt s understanding of Political Theology and what it implies theologically and politically **Perilous Futures** Peter Uwe Hohendahl,2018-10-15 Since his death the writings of Carl Schmitt 1888 1985 have been debated cited and adopted by political and legal thinkers on both the left and right with increasing frequency though not without controversy given Schmitt s unwavering support for National Socialism before and during World War II In Perilous Futures Peter Uwe Hohendahl calls for critical scrutiny of Schmitt s later writings the work in which Schmitt wrestles with concerns that retain present day relevance globalization asymmetrical warfare and the shifting international order Hohendahl argues that Schmitt s work seems to offer solutions to these present day issues although the ambiguity of his beliefs means that Schmitt s later work is a problematic guide Focusing on works Schmitt published after the war including The Nomos of the Earth Theory of the Partisan and Political Theology II as well as his posthumously published diaries Hohendahl reads these works critically against the backdrop of their biographical and historical contexts he charts the shift in Schmitt s perspective from a German nationalist focus to a European and then international agenda while attending to both the conceptual and theoretical continuities with his prewar work and addressing the tension between the specific circumstances in which Schmitt was writing and the later international appropriation Crossing disciplines of history political theory international

relations German studies and political philosophy Hohendahl brings Schmitt's later writings into contemporary discourse and forces us to reexamine what we believe about Carl Schmitt     New Mentalities of Government in China David Bray, Elaine Jeffreys, 2016-01-13 China continues to transform apace flowing from the forces of deregulation privatization and globalization unleashed by economic reforms which began in late 1978 The dramatic scope of economic change in China is often counterposed to the apparent lack of political change as demonstrated by continued Chinese Communist Party CCP rule However the ongoing dominance of the CCP belies the fact that much has also changed in relation to practices of government including how authorities and citizens interact in the management of daily life New Mentalities of Government in China examines how the privatization and professionalization of public service provision is transforming the nature of government and everyday life in the People's Republic of China PRC The book addresses key theoretical questions on the nature of government in China and documents the emergence of a range of new mentalities of government in China Its chapters focus on areas such as clinical trials conceptualizing government consumer activity elite philanthropy lifestyle and beauty advice public health social work volunteering and urban and rural planning Offering a topical examination of shifting modes of governance in contemporary China this book will appeal to scholars in the fields of anthropology history politics and sociology

## **Carl Schmitt And The Intensification Of Politics Modernity And Political Thought Introduction**

In today's digital age, the availability of Carl Schmitt And The Intensification Of Politics Modernity And Political Thought books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Carl Schmitt And The Intensification Of Politics Modernity And Political Thought books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Carl Schmitt And The Intensification Of Politics Modernity And Political Thought books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Carl Schmitt And The Intensification Of Politics Modernity And Political Thought versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Carl Schmitt And The Intensification Of Politics Modernity And Political Thought books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Carl Schmitt And The Intensification Of Politics Modernity And Political Thought books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Carl Schmitt And The Intensification

Of Politics Modernity And Political Thought books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Carl Schmitt And The Intensification Of Politics Modernity And Political Thought books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Carl Schmitt And The Intensification Of Politics Modernity And Political Thought books and manuals for download and embark on your journey of knowledge?

### **FAQs About Carl Schmitt And The Intensification Of Politics Modernity And Political Thought Books**

1. Where can I buy Carl Schmitt And The Intensification Of Politics Modernity And Political Thought books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
