Chapter 01 – The Nature of Geology

SCOPE

This chapter is designed to be an engaging introduction to geology. It introduces students to a number of different topics, all meant to convey the idea that geology is important and exciting. It covers fundamental topics, like the rock cycle and origins of rocks, to provide a foundation for subsequent chapters. Additionally, the chapter should help students understand that geology is a dynamic science that involves connections and interactions with other sciences such as biology.

The main topics covered are:

1. Geology as a Science
2. The Practical Aspects of Geology
3. Overview of the Geology of Earth

GOALS

After reading this chapter, student s should be able to:

- Explain the importance of geology in their daily lives.
- Describe some of the most important geological materials and processes.
- Describe how geology interacts with Earth's biosphere and atmosphere.
