Delta Force Vampire Insurgency:

Delta Force Vampire Alex Shaw, 2012-11 The Government made him Deadly Vampires made him Immortal A new hero and a new genre from Kindle bestselling author Alex Shaw Brad Black call sign Peter Pan is a member of America's elite Delta Force unit Tasked to recon a tunnel network in use by the Taliban it is just another day in the sandpit for the Delta Boys until something attacks them in the darkness Presumed Killed in Action Black is abducted by a shadowy figure before being forced to cross the inhospitable Afghan wilderness to be reunited with what is left of his team Meanwhile a General from Russian Military Intelligence GRU arrives at Firebase Python bringing news of a Cold War weapons experiment so shocking that its existence has until now remained secret Horrific secrets buried in the Afghan mountains for a quarter of a century are about to be unleashed

The Art of Insurgency Donald W. Hamilton, 1998-01-26 In his analysis of insurgency war Donald Hamilton first attempts to provide insight into a strategic concept he believes is little understood today and to explain its complicated relationship to American policy failures in Southeast Asia during the post 1945 era of containment The study develops a working model of insurgency explaining it as both a unique method and type of war making Significant findings include the inability of policymakers to perceive a potential insurgency in Vietnam as early as 1946 subsequent American involvement in not one but three Asian insurgencies during the 1950s and the ultimate failure of the U S military to meet the insurgency challenge in South Vietnam This inability to eliminate the insurgency led not only to the complete breakdown of the South Vietnamese government but was the primary reason why further U S military action after 1965 would prove ineffectual This historical narrative also follows the involvement of several key players including the personalities of Edward Lansdale Sir Robert Thompson Archimedes Patti and Vo Nguyen Giap who through their life experiences and writings provide a keen profundity into why insurgencies occur why they fail and why they succeed

The Political Economy of Kidnapping and Insecurity in Nigeria J. Shola Omotola, Samuel Oyewole, 2024-03-29 Providing unique perspectives on one of the leading hotspots of kidnapping in the world this book examines the political and socioeconomic dimensions of the causes manifestations and consequences of kidnapping in Nigeria as well as some of the control measures that have been adopted at different levels of governance and their effectiveness The topics covered in the volume include details on the framework of understanding kidnapping the evolution of kidnapping from pre colonial to post colonial eras and the relationship between ungoverned spaces and kidnapping in the country The book further sheds light on kidnapping in the context of insurgent campaigns with insights into oil related militancy in the Niger Delta region with the Islamist Boko Haram insurgency and terrorism in the Northern region of Nigeria It discusses non insurgent kidnapping situating kidnapping in the contexts of banditry ransoming ritualism baby factory and human trafficking Additionally the volume analyses the emerging gender and transnational frontiers of kidnapping in Nigeria Expanding the discussion on state responses this book also looks into responses of non state actors to kidnapping as well as negotiations in hostage crisis

management Finally it examines other unique subjects such as media coverage of kidnapping and the consequences for Nigeria's international image The book will appeal to students scholars and researchers of political science international relations economics sociology history law and business management in general as well as African studies security studies criminology peace and conflict studies and geography and area studies It will also be helpful for public policy makers African security experts and professionals as well as business managers risk analysts and insurance industry that are interested in a better understanding of kidnapping and associated political social economic and security dynamics in Nigeria and beyond
