## **Democracy In America In Two Volumes:**

Democracy in America Alexis de Tocqueville,1970      *Democracy in America* Alexis de Toqueville,2022-11-13 In *Democracy in America* Alexis de Tocqueville presents a profound exploration of the young American democracy and its societal implications following his visit in the early 1830s Structured as a two volume work Tocqueville s literary style combines astute observations philosophical analysis and sociological insights reflecting the Enlightenment thought prevalent in 19th century Europe He meticulously examines the principles of equality individualism and the interplay between liberty and social order offering a balanced critique of democracy s strengths and weaknesses which has become a seminal text in political theory and sociology Alexis de Tocqueville a French aristocrat and political thinker was profoundly influenced by the turbulent political landscape of his homeland which experienced revolutions and upheavals during his lifetime His commitment to understanding democracy was informed by his own observations of the American experiment contrasting it with Europe s struggles to achieve similar democratic ideals His nuanced perspectives as a foreign observer provide invaluable insights into the social fabric and political dynamics of early America making the text a significant contribution to comparative politics I highly recommend *Democracy in America* to readers seeking to grasp the complexities of democratic society and its implications for contemporary governance Tocqueville s insights remain remarkably relevant today as they encourage critical reflection on the nature of freedom equality and civic responsibility making it essential reading for anyone interested in the evolutionary trajectory of democratic ideals

**Democracy in America** Alexis De Toqueville,2015-08-02 *Democracy in America* was published in two parts In 1831 the French government sent Tocqueville then a 35 year old aristocrat and statesman on a mission to report on the US prison system During his nine month trip however he and his buddy Gustave de Beaumont recorded much more the budding nation s economic and political system and its social cultural and religious systems during a the tumultuous Jacksonian political era The central focus of *Democracy in America* is the study of the nature of representative democracy why it had succeeded in the US and failed throughout Europe With no punches pulled Tocqueville also does a solid job of predicting where democracy was headed in the US including the the dangers of democracy tyranny of the majority as well as the threats to democracy such as the divisive nature of slavery and a future rivalry with Russia

**Democracy in America (100 Copy Collector's Edition)** Alexis de Tocqueville,2020-08-17 *Democracy in America* examines the democratic revolution Tocqueville believed had been occurring over the previous several hundred years The primary focus of the book is an analysis of why republican representative democracy has succeeded in the United States while failing in so many other places Tocqueville seeks to apply the functional aspects of democracy in the United States to what he sees as the failings of democracy in his native France *Democracy in America* was published in two volumes the first in 1835 and the other in 1840 It was immediately popular in both Europe and the United States while also having a profound impact on the French population By the twentieth century it had become a classic work

of political science social science and history It is a commonly assigned reading for students at American universities majoring in the political or social sciences and part of the introductory political theory syllabus at Cambridge Oxford Princeton and other institutions This cloth bound book includes a Victorian inspired dust jacket and is limited to 100 copies

**Democracy in America** Alexis De Tocqueville, Henry Reeve, 2024-11-24 The Americans live in a democratic state of society which has naturally suggested to them certain laws and a certain political character This same state of society has moreover engendered amongst them a multitude of feelings and opinions which were unknown amongst the elder aristocratic communities of Europe it has destroyed or modified all the relations which before existed and established others of a novel kind The aspect of civil society has been no less affected by these changes than that of the political world The former subject has been treated of in the work on the Democracy of America which I published five years ago to examine the latter is the object of the present book but these two parts complete each other and form one and the same work I must at once warn the reader against an error which would be extremely prejudicial to me When he finds that I attribute so many different consequences to the principle of equality he may thence infer that I consider that principle to be the sole cause of all that takes place in the present age but this would be to impute to me a very narrow view A multitude of opinions feelings and propensities are now in existence which owe their origin to circumstances unconnected with or even contrary to the principle of equality Thus if I were to select the United States as an example I could easily prove that the nature of the country the origin of its inhabitants the religion of its founders their acquired knowledge and their former habits have exercised and still exercise independently of democracy a vast influence upon the thoughts and feelings of that people Different causes but no less distinct from the circumstance of the equality of conditions might be traced in Europe and would explain a great portion of the occurrences taking place amongst us I acknowledge the existence of all these different causes and their power but my subject does not lead me to treat of them I have not undertaken to unfold the reason of all our inclinations and all our notions my only object is to show in what respects the principle of equality has modified both the former and the latter Some readers may perhaps be astonished that firmly persuaded as I am that the democratic revolution which we are witnessing is an irresistible fact against which it would be neither desirable nor wise to struggle I should often have had occasion in this book to address language of such severity to those democratic communities which this revolution has brought into being My answer is simply that it is because I am not an adversary of democracy that I have sought to speak of democracy in all sincerity Men will not accept truth at the hands of their enemies and truth is seldom offered to them by their friends for this reason I have spoken it I trust that my readers will find in this Second Part that impartiality which seems to have been remarked in the former work Placed as I am in the midst of the conflicting opinions between which we are divided I have endeavored to suppress within me for a time the favorable sympathies or the adverse emotions with which each of them inspires me If those who read this book can find a single sentence intended to flatter any of the great parties

which have agitated my country or any of those petty factions which now harass and weaken it let such readers raise their voices to accuse me The subject I have sought to embrace is immense for it includes the greater part of the feelings and opinions to which the new state of society has given birth Such a subject is doubtless above my strength and in treating it I have not succeeded in satisfying myself But if I have not been able to reach the goal which I had in view my readers will at least do me the justice to acknowledge that I have conceived and followed up my undertaking in a spirit not unworthy of success A De T **Democracy in America** Alexis de Tocqueville,2018-07-27 De La D mocratie en Am rique published in two volumes the first in 1835 and the second in 1840 is a classic French text by Alexis de Tocqueville Its title translates as On Democracy in America but English translations are usually simply entitled Democracy in America In the book Tocqueville examines the democratic revolution that he believed had been occurring over the previous several hundred years

**Democracy in America** Alexis De Toqueville,2015-08-02 Democracy in America was published in two parts In 1831 the French government sent Tocqueville then a 35 year old aristocrat and statesman on a mission to report on the US prison system During his nine month trip however he and his buddy Gustave de Beaumont recorded much more the budding nation s economic and political system and its social cultural and religious systems during a the tumultuous Jacksonian political era The central focus of Democracy in America is the study of the nature of representative democracy why it had succeeded in the US and failed throughout Europe With no punches pulled Tocqueville also does a solid job of predicting where democracy was headed in the US including the the dangers of democracy tyranny of the majority as well as the threats to democracy such as the divisive nature of slavery and a future rivalry with Russia *Democracy in America* Alexis de Tocqueville,2006-09 Democracy in America Alexis de Tocqueville,2021-10-14 Democracy in America Alexis de Tocqueville Alexis de Tocqueville 1805 59 came to America in 1831 to see what a great republic was like What struck him most was the country s equality of conditions its democracy The book he wrote on his return to France Democracy in America is both the best ever written on democracy and the best ever written on America It remains the most often quoted book about the United States not only because it has something to interest and please everyone but also because it has something to teach everyone When it was published in 2000 Harvey Mansfield and Delba Winthrop s new translation of Democracy in America only the third since the original two volume work was published in 1835 and 1840 was lauded in all quarters as the finest and most definitive edition of Tocqueville s classic thus far Mansfield and Winthrop have restored the nuances of Tocqueville s language with the expressed goal to convey Tocqueville s thought as he held it rather than to restate it in comparable terms of today The result is a translation with minimal interpretation but with impeccable annotations of unfamiliar references and a masterful introduction placing the work and its author in the broader contexts of political philosophy and statesmanship Democracy in America, Complete Alexis De Tocqueville, Henry Reeve,2015-02-10 This Book Contains The First and The Second Volumes Democracy in America published in two volumes the first in 1835 and the second in 1840 is a classic French

text by Alexis de Tocqueville *Democracy in America V2* Alexis de Tocqueville,2008-08 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Tocqueville Alexis De Tocqueville,2013-04 Alexis de Tocqueville 1805 1859 was a French political thinker and historian and wrote the famous work Democracy in America in two volumes This work is renowned for characterising the American Institutions and adding to the understanding of the United States like no other He analysed the social standards of people and the relationship between raising social standards and the free market He thereby became one of the founding fathers of sociology and political science This book is a seminal text in economic sociology Tocqueville has the capacity to stand back from the object of his study and to reflect deeply and at times with wit whilst offering the reader his incisive clarity This collection includes both volumes of Democracy in America in addition it includes the Recollections of Alexis de Tocqueville his thoughts and observations on the French Revolution another work demonstrating his shrewd objective perspective He identified the hazards of the course that his country was taking and also the difficulties of ensuring that there was both equality and freedom It is a first hand account of the upheavals that the country suffered over the months of the revolution consequently it is exhilarating honest and thrilling to read Tocqueville s analysis is relevant for any democracy and consequently this work is relevant far beyond the borders of France Democracy in America Alexis De Tocqueville,2009-01-01 Alexis de Tocqueville s Democracy in America De la d mocratie en Am rique is a classic text detailing the United States of the 1830s showing a primarily favorable view by Tocqueville as he compares it to his native France Considered to be an important account of the U S democratic system it has become a classic work in the fields of political science and history It quickly became popular in both the United States and Europe Democracy in America was first published as two volumes one in 1835 and the other in 1840 both are included in this edition **Democracy in America** Alexis De Tocqueville, Henry Reeve,2024-11-24 When in 1831 Alexis de Tocqueville came to study Democracy in America the trial of nearly a half century of the working of our system had been made and it had been proved by many crucial tests to be a government of liberty regulated by law with such results in the development of strength in population wealth and military and commercial power as no age had ever witnessed De Tocqueville had a special inquiry to prosecute in his visit to America in which his generous and faithful soul and the powers of his great intellect were engaged in the patriotic effort to secure to the people of France the blessings that Democracy in America had ordained and established throughout nearly the entire Western Hemisphere He had read the story of the French Revolution much of which had been recently written in the blood of men and women of great distinction who were his progenitors and had witnessed the agitations and terrors of the Restoration and of the Second Republic fruitful in crime and sacrifice and barren of any good to mankind He had just

witnessed the spread of republican government through all the vast continental possessions of Spain in America and the loss of her great colonies He had seen that these revolutions were accomplished almost without the shedding of blood and he was filled with anxiety to learn the causes that had placed republican government in France in such contrast with Democracy in America De Tocqueville was scarcely thirty years old when he began his studies of Democracy in America It was a bold effort for one who had no special training in government or in the study of political economy but he had the example of Lafayette in establishing the military foundation of these liberties and of Washington Jefferson Madison and Hamilton all of whom were young men in building upon the Independence of the United States that wisest and best plan of general government that was ever devised for a free people

**Tocqueville on America after 1840** ,2009-03-30 Alexis de Tocqueville s Democracy in America has been recognized as an indispensable starting point for understanding American politics From the publication of the second volume in 1840 until his death in 1859 Tocqueville continued to monitor political developments in America and committed many of his thoughts to paper in letters to his friends in America He also made frequent references to America in many articles and speeches Did Tocqueville change his views on America outlined in the two volumes of Democracy in America published in 1835 and 1840 If so which of his views changed and why The texts translated in Tocqueville on America after 1840 Letters and Other Writings answer these questions and offer English speaking readers the possibility of familiarizing themselves with this unduly neglected part of Tocqueville s work The book points out a clear shift in emphasis especially after 1852 and documents Tocqueville s growing disenchantment with America triggered by such issues as political corruption slavery expansionism and the encroachment of the economic sphere upon the political

**Democracy in America** Alexis de Tocqueville,1956-02-01 Tocqueville s monumental book is as relevant today as when it was first published in the mid nineteenth century and it remains the most comprehensive penetrating and astute picture of American life politics and morals ever written whether by an American or as in this case a foreign visitor This special edition contains the entire two volumes of Democracy in America based on the second revised and corrected text of the 1961 French edition meticulously edited by the distinguished Tocqueville scholar J P Mayer

*History of American Political Thought* Bryan-Paul Frost,Jeffrey Sikkenga,2003-01-01 Revised and updated this long awaited second edition provides a comprehensive introduction to what the most thoughtful Americans have said about the American experience from the colonial period to the present The book examines the political thought of the most important American statesmen activists and writers across era and ideologies helping another generation of students scholars and citizens to understand more fully the meaning of America This new second edition of the book includes new essays on Walt Whitman Lyndon Baines Johnson Ronald Reagan and Barack Obama Significant revisions and additions have also been made to many of the original essays increasing the breadth and depth of the collection

[The Social History of Crime and Punishment in America](#) Wilbur R. Miller,2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social

problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present It covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice

*Democracy In America: Volume II* Alexis de Tocqueville, 2014-11-18 Over the course of nine months in 1831 Alexis de Tocqueville a French political thinker and accompanied by Gustave de Beaumont travelled the United States under the pretext of studying the American prison system Over the course of his travels Tocqueville also studied American society religion politics and economics undertaking what would become one of the most comprehensive studies to that time of the practice of democracy in the United States *Democracy in America Volume II* continues Tocqueville s exploration of the nature of democracy in the United States including an analysis of American civil society *Democracy in America* was published in two volumes in 1835 and 1840 and is today considered one of the foundational works of political science HarperTorch brings great works of non fiction and the dramatic arts to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms Look for more titles in the HarperTorch collection to build your digital library

**Alexis de Tocqueville and American Intellectuals** Matthew J. Mancini, 2006 Comprehensive in its chronology the works it discusses and the commentators it critically examines *Alexis de Tocqueville and American Intellectuals* tells the surprising story of Tocqueville s reception in American thought and culture from the time of his 1831 visit to the United States to the turn of the twenty first century

## Enjoying the Song of Expression: An Mental Symphony within **Democracy In America In Two Volumes**

In some sort of consumed by displays and the ceaseless chatter of immediate conversation, the melodic splendor and emotional symphony created by the prepared term often diminish in to the background, eclipsed by the persistent sound and interruptions that permeate our lives. However, nestled within the pages of **Democracy In America In Two Volumes** a stunning fictional prize overflowing with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that charming masterpiece conducts viewers on a mental journey, well unraveling the concealed melodies and profound impact resonating within each carefully constructed phrase. Within the depths of the poignant evaluation, we will investigate the book is main harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

### **Democracy In America In Two Volumes Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Democracy In America In Two Volumes PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to

focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Democracy In America In Two Volumes PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Democracy In America In Two Volumes free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Democracy In America In Two Volumes Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Democracy In America In Two Volumes is one of the best book in our library for free trial. We provide copy of Democracy In America In Two Volumes in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Democracy In America In Two Volumes. Where to download Democracy In America In Two Volumes online for free? Are you looking for Democracy In America In Two Volumes PDF? This is definitely going to save you time and cash in something you should think about.
