Passing Orders S. Jonathon O'Donnell,2020-12-01 Demonization has increasingly become central to the global religious and political landscape Passing Orders interrogates this centrality through an analysis of evangelical spiritual warfare demonologies in contemporary America Situating spiritual warfare as part of broader frameworks of American exceptionalism ethnonationalism and empire management author S Jonathon O Donnell exposes the theological foundations of the systems of queer and transphobia anti blackness Islamophobia and settler colonialism that justify the dehumanizing practices of the current U S political order O Donnell argues that demonologies are not only tools of dehumanization but also ontological and biopolitical systems that create and maintain structures of sovereign power or orthotaxies models of the right ordering of space time and bodies that stratify humanity into hierarchies of being and nonbeing Alternative orders are demonized as passing framed as counterfeit transgressive and transient Yet these orders refuse to simply pass on instead giving strength to deviant desires that challenge the legitimacy of sovereign violence Critically examining this challenge in the demonologies of three figures Jezebel the Islamic Antichrist and Leviathan Passing Orders re imagines demons as a surprising source of political and social resistance reflecting fragile and fractious communities bound by mutual passing and precarity into strategic coalitions of solidarity subversion and survival

The Christian Countercult Movement Douglas E. Cowan,2023-08-24 Many seemingly strange questions on yoga salvation religious pluralism and so forth have been actively debated among members of a small but influential group of evangelical apologists known as the Christian countercult movement This Element explores the history of this movement from its origins in the anti heresy writings of the early church to its modern development as a reaction to religious pluralism in North America It contrasts the apologetic Christian countercult movement with its secular anticult counterpart and explains how faith based opposition both to new religious movements and to non Christian religions will only deepen as religious pluralism increases It provides a concise understanding of the two principal goals of Christian countercult apologetics support for the evangelization of non Christian believers and maintenance for the perceived superiority of the evangelical Christian

worldview **The Conqueror's Tread** Shandon L. Guthrie, 2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror's Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more **Set Your Family Free** Bob Larson, Laura Larson, 2017-05-16 One thing parents can do to thwart the enemy's plan for their children is to give them a solid foundation in spiritual warfare and equip them with the tools to survive in our ever dangerous world **Larson's Book of Spiritual Warfare** Bob Larson, 1999-04-05 Larson's Book of Spiritual Warfare is a window into a world many Christians have no idea exists An expert on the occult cults and supernatural phenomena Bob Larson provides a comprehensive guide to the motivating factors of much of the deviant behavior occurring in society today **Break Free** Vladimir Savchuk, 2018-07-01 Do you find that you are living in a spiritual cage unable to get out repeating the same sin over and over again Perhaps you are living out the sinful tendencies of your parents instead of the destiny God has prepared for you If you are tired of taking two steps forward and three steps backwards in your spiritual life then Holy Spirit will use Break Free as a key to get you out of that cage of limitation and stagnation and into a life of freedom Break Free will Remove the scales from your eyes about the reality of the spiritual world and give you the tools to stop simply dealing with the symptoms of your problems but remove the roots of those problems Challenge the belief that curses and demons are only problems in third world countries Show that demons come to build strongholds in the minds as well as destroy a person's life Define once and for all what freedom really is Teach you the practical steps of how to stay free and never return to a life of bondage Through powerful vulnerable and unforgettable storytelling Vladimir shares incredible moments in ministry and his personal life experiences that taught him how to find freedom and live in it What he has discovered as God has taken him through a journey of spiritual growth is truly life changing *The Believer's Guide to Spiritual Warfare* Tom White, 2011-04-27 People who are in trouble must discern the source of the problem A correct assessment of the problem's origins is the first step toward responding well and resolving the situation Is the issue explainable by natural causes If not it is likely that the believer is under spiritual attack The Believer

Winning the War Through Prayer C. Fred Dickason Th. D.,2016-10-25 No more general routine and unfocused praying This book lays the foundation for engaging in spiritual warfare by effective pointed biblically based prayer Part I presents in the first chapter a solid theological foundation treating worldview the reality of the spirit world and our resources The next chapters show the place of prayer in warfare and delineate some strategies tactics and cautions Part II suggests some pattern warfare prayers for personal church and world needs Believers have used some of these very effectively to see the Lord intervene and remove oppression and obstacles Winning the War through Prayer is like a bucket of cold water thrown onto a largely lukewarm Church For those who have already experienced the power of demonic forces and the triumph of Christ this book will give them more practical knowledge of how to confront the enemy For those who have ignored the biblical teaching about our invisible war such readers will be jolted in to reality Their eyes will be open to a new level of spiritual discernment and a new way of praying that is directed against the forces that seek to destroy us Dr Erwin Lutzer In my evaluation this book is the best presentation of biblical warfare praying that has been written God has use Fred to write an articulate doctrinally sound biblical call to warfare praying that exceeds anything yet written an academic and biblical study a very useable and much needed document Dr Mark I Bubeck [The Believer's Guide to Spiritual Warfare](#) ,2011
