Demonomics Satans Economy And Your Future:

Demonomics ,2011-07-15 This is the book that will help the reader understand the tumultuous monetary madness that holds captive every person on planet earth America and the world are being rushed headlong into uncharted socioeconomic waters Unprecedented tsunami like fiscal pressures gush at sovereign national currency structures the flood bulldozing everything in its path toward a totally changed order of some sort No matter how the turbulence is examined dissected and or analyzed the ultimate destination at which the carnage is likely to arrive looks ominous from the perspectives of the authors of this book There is a force generating and pushing the tidal wave some diabolist energy that manipulates and maneuvers behind the stage of history upon which mankind acts and reacts We call this force demonomics in this book for the purpose of giving that force a face a face behind which lurks an evil intention to bring all peoples of earth under absolute control It is an ancient evil that more often than not throughout the ages has acted insidiously rather than overtly Its modus operandi of late however manifests aggression unlike at any time in man s history The evil has always been with mankind Now however this force is using heretofore unmatched methodology in exerting its determination to achieve a new world order The authors of Demonomics go behind the mask that is the face of the ancient evil Each contributor expertly removes layer after layer from the deceptive fa ade presented by the malevolence **Why Did Yahweh and His Son Yahshuah Say**

What They Said? Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions *Blast, Corrupt, Dismantle, Erase* Brett Josef Grubisic,Gisèle M. Baxter,Tara Lee,2014-06-16 What do literary dystopias reflect about the times In Blast Corrupt Dismantle Erase contributors address this amorphous but pervasive genre using diverse critical methodologies to examine how North America is conveyed or portrayed in a perceived age of crisis accelerated uncertainty and political volatility Drawing from contemporary novels such as Cormac McCarthy s The Road Neil Gaiman s American

Gods and the work of Margaret Atwood and William Gibson to name a few this book examines dystopian literature produced by North American authors between the signing of NAFTA 1994 and the tenth anniversary of 9 11 2011 As the texts illustrate awareness of and deep concern about perceived vulnerabilities ends of water oil food capitalism empires stable climates ways of life non human species and entire human civilizations have become central to public discourse over the same period By asking questions such as What are the distinctive qualities of post NAFTA North American dystopian literature and What does this literature reflect about the tensions and contradictions of the inchoate continental community of North America Blast Corrupt Dismantle Erase serves to resituate dystopian writing within a particular geo social setting and introduce a productive means to understand both North American dystopian writing and its relevant engagements with a restricted mapped reality
