Deng Xiaoping Leader In A Changing China Lerner Biography:

Deng Xiaoping Whitney Stewart, 2001-01-01 Traces the life and career of the Chinese Communist leader who brought reforms and international trade to China in the 1980s *Chinese Economic Statecraft from 1978 to 1989* Priscilla Roberts, 2022-05-10 This volume focuses on Chinese economic statecraft during the first decade of Deng Xiaoping's reform and opening up policies from 1978 to 1989 During these years Chinese economic engagement with the external world was tentative and experimental with long term strategies still decidedly under development Prominent topics covered are China's efforts to steer an economic course tailored to and representing what Deng Xiaoping famously described as socialism with Chinese characteristics China's quest for advanced science and technology China's dealings with international economic institutions especially the World Bank China's engagement with other powers including Japan the United States the ASEAN nations and Europe and the role of non governmental organizations including foreign policy think tanks exchange groups and educational institutions in developing Chinese economic thinking and methodology during this decade Contributors also focus on how elements of the Chinese military turned to building China's new economic infrastructure and on Chinese efforts to break into foreign markets The volume ends with an overview and reassessment of earlier findings on Chinese economic statecraft in these years by one of the leading Chinese experts on the PRC's international policy Deng Xiaoping Alexander V. Pantsov, Steven I. Levine, 2015-04-01 Deng Xiaoping joined the Chinese Communist movement as a youth and rose in its ranks to become an important lieutenant of Mao's from the 1930s onward Two years after Mao's death in 1976 Deng became the de facto leader of the Chinese Communist Party and the prime architect of China's post Mao reforms Abandoning the Maoist socio economic policies he had long fervently supported he set in motion changes that would dramatically transform China's economy society and position in the world Three decades later we are living with the results China has become the second largest economy and the workshop of the world And while it is essentially a market economy socialism with Chinese characteristics Deng and his successors ensured the continuation of CCP rule by severely repressing the democratic movement and maintaining an iron grip on power When Deng died at the age of 92 in 1997 he had set China on the path it is following to this day Alexander Pantsov and Steven Levine's new biography of Deng Xiaoping does what no other biography has done based on newly discovered documents it covers his entire life from his childhood and student years to the post Tiananmen era Thanks to unprecedented access to Russian archives containing massive files on the Chinese Communist Party the authors present a wealth of new material on Deng dating back to the 1920s In a long and extraordinary life Deng navigated one epic crisis after another Born in 1904 Deng like many Asian revolutionary leaders spent part of the 1920s in Paris where he joined the CCP in its early years He then studied in the USSR just as Stalin was establishing firm control over the Soviet communist party He played an increasingly important role in the troubled decades of the 1930s and 1940s that were marked by civil war and the Japanese invasion He was commissar of a communist dominated area in the early 1930s

loyal henchman to Mao during the Long March regional military commander in the anti Japanese war and finally a key leader in the 1946 49 revolution During Mao s quarter century rule Deng oscillated between the heights and the depths of power He was purged during the Cultural Revolution only to reemerge after Mao s death to become China s paramount leader until his own death in 1997 This objective balanced and unprecedentedly rich biography changes our understanding of one of the most important figures in modern history *Story of the World Activity Book 4 Modern Age* Susan Wise Bauer,2005-11-29 Presents a history of the ancient world from 6000 B C to 400 A D *China in Pictures* Alison Behnke,2003-01-01 Text and illustrations present detailed information on the geography history and government economy people cultural life and society of traditional and modern China home to over one fifth of the earth s population **Asian Leaders** Herbert E. Walp,2001 Asian Leaders A Bibliography **Chinese Literature** James L. Claren,2002 Chinese literature one of the world s oldest and richest and consisting originally of poetry and later of drama and fiction may be divided into three major historical periods that roughly correspond to those of Western literary history the classical period from the 6th century BC to the 2nd century AD the medieval period from the third century to the late 12th century and the modern period from the 13th century to the present This book presents an overview of Chinese literature as well as a comprehensive bibliography primarily of English language sources accessed by subject author and title indexes **Mao Zedong** Whitney Stewart,2005-12-15 Mao Zedong was one of the most powerful people in the world during his lifetime Yet when he was born China was still ruled by the Qing dynasty Many people longed for a new China however and Mao led the way He controlled power in 1949 when China became a Communist nation As China s ruler Mao controlled all aspects of Chinese life The Chinese people studied his writings and pictures of Mao adorned buildings and walls throughout the country From source other than the Library of Congress

American Images of China Oliver Turner,2014-04-16 The United States and China are arguably the most globally consequential actors of the early twenty first century and look set to remain so into the foreseeable future This volume seeks to highlight that American images of China are responsible for constructing certain truths and realities about that country and its people It also introduces the understanding that these images have always been inextricable from the enactment and justification of US China policies in Washington and that those policies themselves are active in the production and reproduction of imagery and in the protection of American identity when seemingly threatened by that of China Demonstrating how past American images of China are vital to understanding the nature and significance of those which circulate today Turner addresses three key questions What have been the dominant American images of China and the Chinese across the full lifespan of Sino US relations How have historical and contemporary American images of China and the Chinese enabled and justified US China policy What role does US China policy play in the production and reproduction of American images of China Exploring and evaluating a wide ranging variety of sources including films and television programmes newspaper and magazine articles the records and journals of politicians and diplomats and governmental
