**Dark Souls : Beyond the Grave - Volume 1** Damien Mecheri,Sylvain Romieu,2019-02-19 Story of a saga video games If the Dark Souls series managed to seduce players and journalists it was mainly by word of mouth It was such a great success that Dark Souls 2 was named Game of the Year 2014 by the vast majority of gaming magazines and websites To date this saga is one of the most important in the gaming industry The odd thing is that these games are well known for their difficulty and their cryptic universe This publication narrates the epic success story but also describes its gameplay mechanics and its specific lore across more than 300 pages Characters plots and the scenario of the three Souls Demon s Souls Dark Souls and Dark Souls II are deciphered by Damien Mecheri and Sylvain Romieu who spent a long year studying these dense and enigmatic games down to the smallest detail The serie Dark Souls and her spiritual father Demon s Souls will not have secrets for you anymore  
EXTRACT In May 2014 Hidetaka Miyazaki succeeded Naotoshi Zin as president of FromSoftware after the studio was purchased by Kadokawa Shoten This was a highly significant promotion for the person who had led the company s most successful project Dark Souls And yet he did not lose from view what had attracted him to the field an insatiable creative drive In spite of his new status within the studio one of the conditions he requested and was granted was to remain creative director of his new project Bloodborne This allowed him to successfully design this spiritual successor to the first Souls game while also assuming his new responsibilities Given his drive to work and create it is not surprising how quickly Miyazaki moved up through the ranks  
ABOUT THE AUTHORS Passionate about films and video games Damien Mecheri joined the writers team of Gameplay RPG in 2004 writing several articles for the second special edition on the Final Fantasy saga He

*Story Mode* Ph. D Strunk,2021-11-15 Once considered niche fringe and the hobby of only outsiders or loners video games have rapidly become one of the most popular and influential artistic forms of this century Their imagery is near ubiquitous children adults and even professional athletes know what a Fortnite dance is without having played the game and every conversation about violence in media eventually turns toward Grand Theft Auto We ve reached a point where through streaming platforms like Twitch games don t even need to be played to be enjoyed as whole robust communities form around watching others play Games have grown into more than just products they re touchstones meaning that they ve become popular enough for something radical to have happened even while culture shapes our games games have simultaneously begun shaping our culture In *Story Mode* video games critic and host of the No Cartridge podcast Trevor Strunk traces how some of the most popular and influential game series have changed over years and even decades of their continued existence and growth We see how the Call of Duty games once historical simulators that valorized conflicts like World War II went modern complete with endless conflicts false flag murders of civilians and hyperadvanced technology It can be said that Fortnite s runaway popularity hinges on a competition for finite resources in an era of horrific inequality Strunk reveals how these shifts occurred as direct reflections of the culture in which games were produced thus offering us a uniquely clear window into society s evolving morals on a mass scale *Story Mode* asks the question Why do video games have a uniquely powerful ability to impact culture Strunk argues that the participatory nature of games themselves not only provides players with a sense of ownership of the narratives within but also allows for the consumption of games to be a revelatory experience as the meaning of a game is oftentimes derived by the manner in which they are played Combining sharp criticism of our most beloved and well known video game series with a fascinating discussion of how our cultural values form *Story Mode* is a truly original examination of the unique space games now occupy from one of the sharpest games critics working today
