Celtic Quest A Healing Journey For Irish Catholics:

Celtic Quest Timothy J. Joyce, 2000 Building on his bestselling Celtic Christianity Timothy Joyce shows how the spiritual worldview of the ancient Celtic church might breathe renewal and healing into the lives of Christians today Joyce begins by tracing the traumas that transformed the culture of Celtic Christianity into the more familiar Irish Catholicism of the past century For many people this form of Christianity is associated with feelings of anger shame and guilt Many have responded by turning their backs on a tradition that was often intolerant moralistic and closed Father Joyce addresses these restless seekers showing how the ancient traditions of Celtic Christianity offer hope for a contemporary life giving spirituality

The Living Church ,2000-07 **The Globalization of God** Dara Molloy, 2015-11-10 Roman Catholicism was the first multinational corporation Preaching was the forerunner of advertising Roman Catholicism created the template for the spread of commercial globalisation through multinational corporations For global Christianity to succeed all local expressions of Christianity had to be suppressed These included Celtic Christianity For 800 years the Roman church tried to break the independent spirit of Celtic Christianity Despite being defeated in 1014 at the Battle of Clontarf the Irish Vikings through their urban bishops were key actors in the imposition of Roman episcopal structures of church throughout Ireland in the 12th century There was an invasion of Norman monks to Ireland which began in 1142 twenty five years before the military invasion in 1167 The ecclesiastical colonisation of Ireland meant that a Roman episcopal and diocesan structure replaced the Celtic monastic structure Norman colonisers destroyed Celtic monasteries and replaced them with imported European religious orders Cistercian monasteries in Ireland were required to have French abbots and sometimes these were imposed by force no Irishman was allowed to become a bishop or attain any ecclesiastical high office St Malachy of Armagh betrayed his own Celtic heritage and was a key figure in bringing about the ecclesiastical colonisation of Ireland Monotheism is the mythical container for globalization Humans will fail to return to a sustainable way of living on this planet until the mythological container of monotheism is replaced by new bioregional spiritualities that go beyond both monotheism and polytheism The Catholic Library World ,2002 **The Publishers Weekly** ,2001 Auf denn, ihr Schwestern!
