spiritual teaching within the Christian tradition and exploring its relation to Charles Taylor's interpretation of the modern spiritual condition. This study also aims at exploring how Main's heritage may contribute to illuminating Christian spiritual life today.

Active Meditations for Contemplative Prayer Thomas Keating, 2023-01-19 Thomas Keating was a Cistercian monk who founded the worldwide Contemplative Outreach, teaching people the art of meditation. This is a compilation of quotes from his books to be perused in times of peace as well as crisis. His distinct voice offers solace and wise teaching on the method of Centering Prayer and how it can affect one's daily life. An inspiration and a guide for busy people who wish to find a moment in their hectic days to reflect in peaceful prayer.

Universal Truths, **Books Out Loud**, 2007

On Prayer Phyllis Zagano, 1994 A simple, instructive and practical little book written in a conversational style that gets people started in thinking about prayer.

A Taste of Silence Carl J. Arico, 2015-12-15 Like John Wesley or Jean Pierre de Caussade before him, Catholic priest Arico provides the devout with a model and method for the attainment of a deeper spirituality. Unlike them, he feels free to draw wisdom not only from Christian and ancient models but also from Sufism and Thomas Merton to show us how God is calling us from our tombs to the experience of divine union. Arico's spirituality and warmth are profound, and his guide shall be well received by most Christian readers.

Sacred Breath J. David Muyskens, 2010-09-01 When life takes an unexpected turn that leaves you reeling, sometimes you have to remind yourself to just breathe. But God is closer than the air you breathe. Grounded in scripture and Christian tradition, *Sacred Breath* walks you through the practice of Centering Prayer and helps you breathe in deeply the presence of God. Learn how to present yourself to God in silence twice a day without any agenda. Forty days of practical, encouraging meditations will help you get started in the rich experience of living in the awareness of God's love. The first 10 readings focus on receiving God's love; the second 10 on obstacles to our relationship with God; and the last 20 on the rhythm of receiving and giving in our walk with God. *Sacred Breath* includes scriptures, breathing exercises, and an outline for group meetings. For an introduction to Centering Prayer, try *Forty Days to a Closer Walk with God*, also by J. David Muyskens.

The Daily Reader for Contemplative Living Thomas Keating, O.C.S.O., S. Stephanie Iachetta, 2009-03-01 This work brings together three prayer practices for each day of the year to enhance contemplative living.

Forty Days to a Closer Walk with God J. David Muyskens, 2016-04-01 It's been said that Centering Prayer is like two friends sitting together in silence, just being in

each other's presence completely natural and comfortable Yet Centering Prayer is sometimes viewed as too mysterious too escapist too hard At first it even appeared that way to the author but events in his life and his further studies about prayer changed his views Through Muyskens insightful guidance you'll explore a method of prayer that goes deeper than verbal conversations with God This book teaches silent communion with God a method of being open to the gift of God's presence a way of receiving a deep and intimate relationship with God Each day's reading has a focal scripture verse and the author's reflection ending with simple suggestions for contemplative prayer You'll begin with as few as 5 minutes of Centering Prayer By following the guidance in this book for 40 days you will be led to a closer relationship with God As you progress through the daily scripture and meditative readings in Forty Days to a Closer Walk with God you'll find greater understanding and fresh awareness of Jesus' promise I am with you always
