services** Singh Dharamveer,2015-10-27 Economic globalization is transforming practically every service sector The legal
industry that has long remained insulated too has not remained untouched by the effects of globalization The outsourcing of
legal services in the past one decade has transformed the legal landscape Legal outsourcing to India is becoming
increasingly popular among U S and European law firms and corporations This book broadly seeks to discuss three main
topics surrounding legal process outsourcing LPO its emerging trends the legal challenges it raises and the hitherto
unrecognized potential it holds Firstly this book clarifies concepts of LPO and its operating models practiced by U S and U K
law firms and corporations Secondly the outsourcing of legal services creates significant challenges for ethics rules including
conflict of interests attorney client privilege supervision and fee sharing Thirdly this research explores the hidden potential
of LPO to improve access to justice This book develops an altogether new proposal where Indian LPO professionals could
help alleviate the access to justice problem among indigent and low income populations of the United States *Digest;
