Writer's Craft: Models, Lessons, and More Teacher Created Resources,2004-08-24

The Perfect Blend Michele Eaton,2020-06-20 Learn how to redesign lessons with technology to individualize and personalize instruction transforming what learning looks like for your students Many blended learning initiatives start from

the top down and are designed for specific populations or make drastic changes to a school's learning structure. But any K-12 classroom teacher can find ways to leverage blended learning regardless of the constructs of their learning environment. All they need is a willingness to rethink their role moving from content deliverer to architect of learning. In *The Perfect Blend* you'll learn how to create a homemade recipe for effective blended learning for your students. Rather than focusing on finding and implementing a specific established model, author Michele Eaton shows teachers how to embrace the flexibility of blended learning to take an active role as a designer of learning and in the process help students become advocates for their education. This book provides an accessible resource for teachers beginning to use technology as well as master blended teachers who are looking for new ideas or strategies. Includes templates and planning tools that can be used as is or modified to fit the needs of your students. Focuses on understanding and reflecting on your role as a designer of learning experiences and creating and using digital content in the classroom. You'll gain practical skills, strategies, and lesson ideas for various types of blended learning thanks to examples from real classrooms and educators. Along the way you'll discover how to build on the skills you already have to support blended learning. [Expansión de la nación](#) Jill K. Mulhall, 2015-07-01 Teach
