LOG OF EFFECTIVE PAGES

## COVERAGE

The Pilot's Operating Handbook is the source of the time of delivery from Cessna Aircraft Company. Coverage information applicable to the 1985 Model A152 airplane designed by the serial number and registration number shown on the Title Page of this handbook. This information is based on data available at the time of publication.

## REVISIONS

Changes and/or additions to this handbook will be issued by revisions published by Cessna Aircraft Company. These revisions are distributed to owners of U.S. Registered aircraft according to FAA records at the time of revision issuance, and to internationally Registered aircraft according to Cessna Owner Address records at the time of issuance.

Revisions should be examined immediately upon receipt and incorporated in this handbook.

### NOTE

It is the responsibility of the owner to maintain this handbook in a current status when it is being used for operational purposes.

Owners should contact their Cessna Dealer whenever the revision status of their handbook is in question.

A revision bar will extend the full length of new or revised text and/or illustrations added to new or previously existing pages. This bar will be located adjacent to the applicable revised area on the outer margin of the page.

All revised pages will carry the revision number and date on the applicable page.

The following Log of Effective Pages provides the dates of issue for original and revised pages, and a listing of all pages in the handbook. Pages affected by the current revision are indicated by an asterisk (\*) preceding the page line.
