Accounting Information Systems Ulric J. Gelinas, Richard B. Dull, Patrick Wheeler, 2018-09-01 Today's accounting professionals are challenged to identify enterprise risks and provide quality assurance for a company's information systems. ACCOUNTING INFORMATION SYSTEMS 11th International Edition focuses on three critical accounting information systems in use today: enterprise systems, e-Business systems and controls for maintaining those systems. Students will easily grasp even the most challenging topics as they explore today's most intriguing AIS topics relative to business processes, information technology, strategic management, security and internal controls. The 11th International Edition provides students with the tools for organising and managing information to help them succeed and protect the integrity of their employer's information system.

Life Span Human Development Carol K. Sigelman, Linda De George, Kimberley Cunial, Elizabeth A. Rider, 2018-09-01 The third edition of Life Span Human Development helps students gain a deeper understanding of the many interacting forces affecting development from infancy, childhood, adolescence and adulthood. It includes local, multicultural and indigenous issues and perspectives, local research in development, regionally relevant statistical information and National guidelines on health. Taking a unique integrated, topical and chronological approach, each chapter focuses on a domain of development such as physical growth, cognition or personality and traces developmental trends and influences in that domain from infancy to old age. Within each chapter, you will find sections on four life stages: infancy, childhood, adolescence and adulthood. This distinctive organisation enables students to comprehend the processes of transformation that occur in key areas of human development. This text also includes a MindTap course offering with a strong suite of resources including videos and the chronological sections within the text can be easily customised to suit academic and student needs.
