Kieso, Jerry J. Weygandt, Terry D. Warfield, Irene M. Wiecek, Bruce J. McConomy, 2019-04-26 Intermediate Accounting 12th Edition Volume 1 continues to be the number one intermediate accounting resource in the Canadian market Viewed as the most reliable resource by accounting students faculty and professionals this course helps students understand prepare and use financial information by linking education with the real world accounting environment This new edition now incorporates new data analytics content and up to date coverage of leases and revenue recognition Financial Reporting and Analysis David A. Guenther, 2004-02-01 Financial Reporting and Analysis 1e by David Guenther was written for instructors wanting to emphasize a more conceptual framework to their intermediate accounting course Financial Reporting and Analysis examines financial reporting through the lens of economic theory giving students a way of understanding how all the rules relate to each other and to the overall goal of financial reporting This text also provides students with how financial information is used giving students a better framework about how particular rules relate to the whole structure of financial reporting

Finally David Guenther wrote this text to be rigorous in terms of topic coverage while at the same time avoiding much of the detail that seems to overwhelm students While reviewing you will find that we did not strip down or simplify a traditional intermediate accounting text but rather challenge students with concepts and ideas rather than details and rules

Fundamentals of Intermediate Accounting Neil Fargher,Victoria Wise,2008 Adapted from the successful US edition Fundamentals of Intermediate Accounting by Kieso Weygandt Warfield this text provides students with a thorough examination and explanation of concepts in financial accounting such as the conceptual framework presentation of financial statements and the major reporting issues related to assets liabilities equity revenues and expenses In response to the internationalisation of accounting standards the diversity of students backgrounds and the professional opportunities a study of commerce presents this text offers a unique comparative analysis of the financial reporting requirements under the jurisdictions of IASB FASB and AASB The text provides students with an understanding of financial accounting reporting requirements globally that equips them with an international perspective on financial reporting procedures and issues Accounting is the language of business and a qualification in accounting is seen as an international professional passport for graduates This text is ideal for commerce programs whose objective is to deliver an international context to the study of accounting As the majority of financial accounting reporting principles covered in the text are discussed within the conceptual frameworks of Australia the United States and International Accounting Standards students will learn how to account for and appreciate accounting events on a global level The text is ideal for the second course in financial accounting under the undergraduate program Master of Professional Accounting or subjects on international financial reporting

Accounting w/ S&P package Thomas Dyckman, Charles Davis, Roland Dukes, 2001-05-03 The mission of this text is to present critical concepts in a clear concise way that is most helpful to learning and enhancing the student's interest. Rather than emphasizing rote learning of rules and regulations, the authors underscore how important it is for users and preparers of financial statements to understand accounting principles and how they are applied in financial reporting decisions. The text presents GAAP as the current solution to a continually evolving host of financial reporting questions. By acquainting students with the political nature of standard setting, the reader becomes aware that both users and preparers are affected by the outcome of the standard setting process.
