The Latino Wave Jorge Ramos, 2009-03-17 With a population of 40 million and growing the United States witnessed Latinos becoming the largest minority in America in 2003 creating a voting bloc with the potential to determine the outcome of elections throughout the nation In The Latino Wave award winning journalist Jorge Ramos argues that the political party that can correctly understand the wants and needs of Hispanics will triumph at the polls Ramos deftly clarifies these points among many others and explains why it s necessary to bridge the gap of misunderstanding that exists between Latinos and non Latinos With insight from the nation s Latino political luminaries and interviews with Hispanics living across the United States Ramos reveals who these New Americans really are and what it means for the country **This Land Is Your Land** RD Moore, 2023-06-10 This land was made for you and me This is the emphatic refrain of Woody Guthrie s iconic anthem a profound rendering of one of our nation s most sacred truths Yet for far too many and for far too long this hasn t felt like a land made for them or one that even wants them And that s just not sustainable This Land Is Your Land TLIYL is a telling of our social story through the lens of the American people how we became who we are and who we re in the process of becoming It s about the systems we built both generative and degenerative from democracy and equality to slavery and social supremacy and how everything about us is changing Right this minute we re in the midst of the greatest sociological shift in U S history one where in every way we currently measure we ll soon be a post majority nation By 2045 incumbent majorities from racial whiteness to Christianization to heteronormativity will all be downgraded to minority status This Time of Turmoil one where everything s shifting is why we re experiencing so much unrest and instability from rising poverty to increasingly caustic elections to diminishing human regard But it s also why getting this right has never been more important or mattered more A combination of personal vignettes and cultural analysis TLIYL covers 300 years of shared history one that s been shaped by nearly 550 million lives lived and explores how together we move forward It s a story with three parts Part One How the American Race Construct ARC and other toxic frameworks impaired us Part Two How the Degenerative Cycle DGC and other predatory processes imperiled us Part Two and Part Three How through personal practices like the Four Actions each of us can help us become a society that embraces all of us Today we find ourselves in a bit of a tough place But instead of an ending this shift we re undergoing might actually be a beginning a chance to both make our founding dreams real and gift the future a future And in doing so we transform ourselves into a new land one as Woody sang made for you and me **The Language of Protest** Mary Lynne Gasaway Hill, 2018-04-16 Rooted in the performative of Speech Act Theory this interdisciplinary study crafts a new model to compare the work we do with words when we protest across genres from different geographies and languages Rich with illustrative examples from Turkey U S West Germany Romania Guatemala Great Britain and Northern Ireland it examines the language of protest chants songs poetry and prose with an innovative use of analytical tools that will advance current theory Operating at the intersection of linguistic pragmatics and
