

The background of the cover is a stylized illustration of a man with short, dark brown hair and light skin. He is wearing dark sunglasses and has a slight smile. His right hand is raised, with his index finger pointing towards the left side of his face. The lenses of his sunglasses reflect a scene of two men in a tropical setting, one of whom is shirtless. The background behind the man features a blue sky with white clouds and green tropical foliage on the right side.

## **Chasing Adonis Gay Men And The Pursuit Of Perfection:**

Chasing Adonis Tim Bergling, 2013-04-03 What is it about some men that makes them an object of our deepest desires And how far are we willing to go in pursuit of those desires Chasing Adonis Gay Men the Pursuit of Perfection delves into one of the most central mysteries of gay life What is it gay men find attractive in other men and why How much is nature how much is nurture or maybe just clever marketing This unique book examines steroid use body image disorders gym culture Internet hook ups obsession stalking porn erotic Web sites strip clubs and everything else that makes gay men act a little bit nutty when they meet someone who drives them crazy Frank sexy and controversial it uses a light touch to examine a serious subject how gay society objectifies the male body Tim Bergling author of Sissyphobia Gay Men and Effeminate Behavior and Reeling in the Years Gay Men s Perspectives on Age and Ageism surveys gay men about their individual concepts of beauty and desire and about the almost unattainable Adonis standard many of them set for themselves Teenagers senior citizens and the guys stuck in the middle discuss the idea of perfection how much it changes or evolves over time and whether the exterior package outweighs what s inside From the author It never ceases to amaze me just how powerful the d word desire can be how it can take control of our lives and shut everything out sometimes for just a few moments sometimes for days or weeks at a time depending on how badly we re smitten Ask just about anybody and they can likely pull up a story from their past or their present when they ve done something incredibly stupid or ill advised or maybe just something completely out of character in pursuit of their heart s desire Chasing Adonis examines obsession and rejection self esteem issues the allure of youth preferences in body shapes types and sizes designer genes vs first impressions assessing body parts narcissism or comfort level why men chase after guys who look like them AIDS and HIV gay porn adult book stores and the Internet the Calvin Klein ad campaign featuring Marky Mark Wahlberg the Abercrombie Fitch ads Tom of Finland gay icons weight training and fitness clubs steroids and plastic surgery circuit parties body dysmorphia and much more Chasing Adonis Gay Men and the Pursuit of Perfection is an entertaining and enlightening read for gay men of all ages **Breaking Out II**

Kevin Alderson, 2012-04 Following on the heels of the first edition Breaking Out II expands its coverage by including lesbian gay bisexual transgender and intersex LGBTI individuals While some societies have become more tolerant and accepting of sexual and gender diversity LGBTI people continue to suffer psychological damage caused by growing up in largely heterosexist homophobic biphobic and transphobic milieus How can LGBTI individuals learn to love themselves when many or most of the signals society sends out denigrate their very being Dr Kevin Alderson has developed a method of building a positive LGBTI identity based on extensive research and the best of what we know about self help psychology **The**

**Oxford Handbook of Social Class in Counseling** William Ming Liu, 2013-04-26 Social class is a pervasive facet of all lives regardless of one s own social class and status One would think its ubiquity would make it necessary for all helping professionals to understand social class and discuss it in therapy and research Yet social class and classism are one of the

most confusing and difficult concepts to understand and integrate into research and counseling practice mostly due to the relative lack of psychological theories research and quantitative data Fulfilling this need this handbook summarizes and synthesizes available research on social class and classism in counseling practice and research areas The 32 chapters included offer up to date fascinating and provocative applications of social class and classism as seasoned chapter authors provide an overview of theories related to social class and classism and its application toward research education training and practice Chapters include comprehensive coverage of lifespan issues related to social class such as unique aspects of social class and classism in the lives of children adolescents and older adults how social class is studied and empirically understood through research assessment and practice implications of social class in career counseling psychological assessment and diagnosis and the therapy relationship how social class is implicated in positive psychology career and work psychology and health psychology social class and classism and its connection to whiteness racism sexual orientation religion and spirituality and social justice This book offers the first compendium of counseling related resources on social class and classism and will be a comprehensive must have reference for professionals and academics in counseling psychology and related fields for years to come
