**Stronger** Nicola Hanney, 2025-10-11 In 2016 against all odds Nicola Hanney survived a terminal cancer diagnosis and decided to live life to the full When she matched with Garda Paul Moody on a dating app she thought her dreams had come true but could never have imagined she would be plunged into another nightmare a four year campaign of violence and coercive control at his hands Despite being told she would never conceive due to the toll cancer had taken on her body Nicola beat the odds a second time and became pregnant to Moody Trapped in an unrelenting cycle of abuse the baby she had always wished for gave Nicola newfound hope for the future Then midway through her pregnancy she found a lump in her breast The cancer was back In Stronger Nicola charts her extraordinary journey through unimaginable abuse and aggressive recurring illness Revealing the insidious nature of coercive control she recounts how Moody manipulated her and threatened her loved ones to keep her compliant Throughout it all Nicola's resilience never wavered She proved herself stronger than the disease that threatened to take her life Stronger than the man who tried to crush her spirit Stronger than the bad hand she was dealt     Happy Travels with a 'Dodgy' Heart David Cross, 2012-08-03 This is not a guidebook though I hope it gives

the reader some ideas on places worth seeing accommodation worth considering and decent restaurants worth dining in It does not normally give a list of possible places to stay only places I have experienced myself being included but at the end of each chapter there will be a Practicalities page containing the following 1 Useful websites on places maps and transport In general sites relevant to more than one chapter will be found the first time they are relevant and are referenced in later chapters 2 Accommodation on these pages will be only where I have stayed I go for cheaper places when I travel alone although I nearly always choose en suite rooms as I got older and moderately cheap when I went with Pam In general absence of comment means it is OK bearing this in mind 3 Restaurants are only mentioned on these pages if they are particularly good either absolutely or in terms of value for money or if definitely not recommended 4 Must sees appear in the chapters themselves but will be summarised on these pages The index is based on my historic fury at finding pages only to
