## **Chasing The Rabbit A Dads Life Raising A Son On The Spectrum:**

**Chasing the Rabbit** Derek S. Volk, 2015-05-01 the true story of Derek Volk s experiences raising his son Dylan who has Asperger s Syndrome When Derek s oldest child his only son was two years old when his wife suggested Something is not quite right with Dylan They struggled for the next several years as they were bounced from one expert to another each offering a unique perspective on Dylan s challenging behaviors Finally at eight years old Dylan was diagnosed with Asperger s Syndrome and the Volk family was able to start making sense of Dylan s differences In Chasing the Rabbit Derek Volk shares his experiences raising a son on the Autism spectrum Both Dylan and Derek write about the challenges triumphs and coping strategies from the early days to the adolescent years to life in the real world as a young adult It is a story of how a dad learned to love the son he never expected he would have and how his son learned to accept himself as well Throughout the book Dylan shares his perspectives on what Derek was experiencing This book showcases the unique relationship between a father and his son voices rarely heard in the autism community It tells the story of a young man who has spent his entire life chasing the rabbit The title Chasing the Rabbit derives from Derek s analogy that Dylan is similar to a greyhound dog running around a track The rabbit is normal Dylan can see what normal looks like and he can almost get to it but no matter how fast he runs he never catches it It is also a success story and a testimony to faith as Derek and his wife Amy never stopped praying and never gave up on their son

**Chasing the Rabbit** Derek Volk, 2015-04-24 The true story of Derek Volk s experiences raising his son Dylan who has Asperger s Syndrome When Derek s oldest child his only son was two years old when his wife suggested Something is not quite right with Dylan They struggled for the next several years as they were bounced from one expert to another each offering a unique perspective on Dylan s challenging behaviors Finally at eight years old Dylan was diagnosed with Asperger s Syndrome and the Volk family was able to start making sense of Dylan s differences In Chasing the Rabbit Derek Volk shares his experiences raising a son on the Autism spectrum Both Dylan and Derek write about the challenges triumphs and coping strategies from the early days to the adolescent years to life in the real world as a young adult It is a story of how a dad learned to love the son he never expected he would have and how his son learned to accept himself as well Throughout the book Dylan shares his perspectives on what Derek was experiencing This book showcases the unique relationship between a father and his son voices rarely heard in the autism community It tells the story of a young man who has spent his entire life chasing the rabbit The title Chasing the Rabbit derives from Derek s analogy that Dylan is similar to a greyhound dog running around a track The rabbit is normal Dylan can see what normal looks like and he can almost get to it but no matter how fast he runs he never catches it It is also a success story and a testimony to faith as Derek and his wife Amy never stopped praying and never gave up on their son

**Bad Choices Make Good Stories** Dylan "Dielawn" Volk, 2018-11-10 This book is about all the ways that I and millions of people with autism experience the world When I was in high school I attended a seminar for people with Asperger s There was another

individual there pretty safe bet he was on the spectrum who raised his hand and repeated the cliché there's no normal. He said, "We're all different. We're all weird in our own way. So there really is no such thing as normal." I raised my hand and said, "You know what? That's bullsh—t. There is such a thing as normal. The difference between us and everybody else is that they all have quirks that fall within the range of what society considers normal and we fall outside that range." I almost felt bad because he didn't have much to say after that. I encourage you to read our first book, *Chasing the Rabbit*, because it will give you a very different perspective on my life as it's mostly written from my dad's point of view. The first book I wrote with my dad was *Chasing the Rabbit: A Dad's Life Raising a Son on the Spectrum*. My dad chose that title; he always describes me with the analogy of a greyhound chasing a mechanical rabbit; the greyhound can see the rabbit but can never catch it. My dad says that the rabbit represents normal and I'm the greyhound. As someone with Asperger's, what's now called high-functioning autism, I am always trying to be normal. I know what normal is and I know what normal looks like, but I am perpetually trying to catch the rabbit, which is normality. A lot of people have an issue with the term normal. I don't. When people say things like "There's no such thing as normal," it devalues the struggle I go through every day.

**Taking the Long Way Home** Michael Scott Shaddox, 2020-09-02. The story of a family struggling to find explanations for their son's behavioral issues. Pitted against a school system unable to meet the demands of an autistic child, this is a tale of perseverance and love. Follow the journey of this family through frustration, despair, and finally hope as they travel down a road of uncertainty searching for anyone to help them escape the situation they reluctantly found themselves in.

**Speak II Me** Jamiyl Samuels, 2022-04-19. My son is my hero. The long-awaited follow-up from the author of *Pass the Torch: How a Young Black Father Challenges the Deadbeat Dad Stereotype*. *Speak II Me* takes an honest and unflinching look at a man whose dreams of having a son carry on his name take an unexpected turn when he learns his child is on the autism spectrum. Initially paralyzed by denial and fear of what having a child with a disability would mean for his legacy, Jamiyl has to move past his personal feelings to become a father who is more aware of and accepts the challenges that lie ahead in order to save his son's life.

**Raising Cubby** John Elder Robison, 2013-03-12. The slyly funny, sweetly moving memoir of an unconventional dad's relationship with his equally offbeat son, complete with fast cars, tall tales, homemade explosives, and a whole lot of fun and trouble. Misfit, truant, delinquent, John Robison was never a model child, and he wasn't a model dad, either. Diagnosed with Asperger's syndrome at the age of forty, he approached fatherhood as a series of logic puzzles and practical jokes. When his son Cubby asked, "Where did I come from?" John said he'd bought him at the Kid Store and that the salesman had cheated him by promising Cubby would do all chores. He read electrical engineering manuals to Cubby at bedtime. He told Cubby that wizards turned children into stone when they misbehaved. Still, John got the basics right. He made sure Cubby never drank diesel fuel at the automobile repair shop he owns. And he gave him a life of adventure. By the time Cubby was ten, he'd steered a Coast Guard cutter, driven a freight locomotive, and run an antique Rolls Royce into a fence. The one thing John couldn't figure out was what to do when school

authorities decided that Cubby was dumb and stubborn the very same thing he had been told as a child Did Cubby have Asperger s too The answer was unclear One thing was clear though By the time he turned seventeen Cubby had become a brilliant chemist smart enough to make military grade explosives and bring state and federal agents calling Afterward with Cubby facing up to sixty years in prison both father and son were forced to take stock of their lives finally coming to terms with being on the spectrum as both a challenge and a unique gift By turns tender suspenseful and hilarious this is more than just the story of raising Cubby It s the story of a father and son who grow up together     Autism: Turning on the Light Keith Ambersley,2013-04-16 In celebration of Autism Awareness my son Aaron Ambersley is a great example that it is possible to overcome major learning barriers communication and social behavior challenges caused by autism Turning on the Light is a fathers approach on how to successfully challenge autism through a relentless focus on continuous improvement Aaron is now on track to reach his full potential This book is a gift of hope and inspiration It is filled with lots of real life examples relevant information and is a must have resource for parents and caregivers raising a child diagnosed on the autism spectrum     Following Ezra Tom Fields-Meyer,2011-09-06 A heartwarming intimate and amusing memoir of a father s experience raising his autistic son When Tom Fields Meyer s son Ezra was three and showing early signs of autism a therapist suggested that the father needed to grieve For what Tom asked The answer For the child he didn t turn out to be That moment helped strengthen the author s resolve to do just the opposite to love the child Ezra was a quirky boy with a fascinating and complex mind Full of tender moments and unexpected humor Following Ezra is the story of a father and son on a ten year journey from Ezra s diagnosis to the dawn of his adolescence It celebrates his growth from a toddler to an extraordinary young man connected in his own remarkable ways to the world around him And through Ezra s eyes Tom and in turn the reader gains a new and beautiful understanding of the world     **Speak II Me** Jamiyl Samuels,2022-04-19 Speak II Me takes an honest and unflinching look at a man whose dreams of having a son carry on his name take an unexpected turn when he learns his child is on the Autism spectrum     **Life Skills and Life Lessons: Autism Dad 3** Rob Errera,2018-01-02 Teenagers with autism need life skills and job training Autism Dad 3 is a personal memoir told with humor and grace that looks at the unique challenges facing special needs children transitioning into young adulthood This collection of essays not only details a father s take on raising a special needs child but tells the story of a family shaped by the everyday challenges and rewards of raising a child with autism Essays include What Causes Autism And Can It Be Prevented Teething Pain Is Only The Beginning Autism And The Art Of Toilet Seats Help Wanted Employers With Open Hearts And Minds Celebrity Autism Insults Real People Struggling With ASD Precocious Pre Teen And Racy TV Ads Yield Parental Torment     What Happens Next? Rick Schostek,2011 Rick Schostek discusses his perspective on raising a 23 year old son with autism Family members share their experiences navigating the special education and adult services systems     A Different Kind of Boy Daniel Mont,2002 This is the story of an autistic boy who is also loving brilliant and resilient In this book his

father writes about the joys fears frustration exhilaration and exhaustion involved in raising his son He writes about the impact on his family the travails of navigating the educational system and the lessons he has learned about life Chasing Rainbows G E Larrisey,2015-11-03 Chasing Rainbows is the story of a little boy with complex special needs one of which is autism It tells of the struggle and heart ache trying to fight the special education needs system which takes far too long Over a two year period our son s self esteem and confidence were shattered through lack of understanding and the mainstream school approach While his little life was full of anxiety and confusion ours too became increasingly frustrating and heart breaking thus affecting a whole family This story also tells of my own decision to set certain things aside while I fought for my son as he needed my full attention My aim with this story is to increase autism awareness or for those whose lives autism has already touched that they are not on their own There is always a rainbow after a storm *Following Ezra* Tom Fields-Meyer,2011-09-06 A heartwarming intimate and amusing memoir of a father s experience raising his autistic son When Tom Fields Meyer s son Ezra was three and showing early signs of autism a therapist suggested that the father needed to grieve For what he asked The answer For the child he didn t turn out to be That moment helped strengthen the author s resolve to do just the opposite to love the child Ezra was a quirky boy with a fascinating and complex mind Full of tender moments and unexpected humor Following Ezra is the story of a father and son on a ten year journey from Ezra s diagnosis to the dawn of his adolescence It celebrates his growth from a remote toddler to an extraordinary young man connected in his own remarkable ways to the world around him *Raising Our Son with Autism* Tsai Y. Luke,Merling C. Tsai,2015-07-13 Biographical autobiographical book focusing on the author s son who has severe autism with an emphasis on his strengths and the gifts that accrue from his very unique personality Publisher **Connor, Brave and Kind** Markham Anderson,2017-06 Famed actress and supermodel JOAN SEVERANCE said When I meet people like Markham and Conner I know how blessed I am These two remarkable human beings continue through life s ups and downs as if it were a breeze My eyes have opened more because of these two my heart as well You never know what a friendship on Facebook can bring For me it brought these two loving souls So touched by this story the courage and love that they share Wanted you to be aware of it I love you Markham and Connor you inspire me Get Connor Brave Kind and open your heart JOAN SEVERANCE <http://joanseverance.com/favorites/books/conner-brave-kind> Cherish the heartwarming stories of a devoted single dad and his beloved non verbal son The magic they discover will help you to live a fuller richer life by turning struggles into triumphs and defeats into victories Always remembering that disabilities should never define you Praise for Connor Brave KindA terrifically funny powerful and moving story of how one devoted single dad despite his own physical disabilities took the Autism Spectrum head on and refused to allow it to define his beloved son s life or his own An emotionally charged and brilliantly written first book from a gifted new storyteller that offers us a personal message of hope accompanied by a healthy dose of laughter This book is in my mind the inspirational book for a new generation who needs a laugh and a lift You will come away

with a fresh understanding of what it's like to live and cope with autism day to day Connor Brave Kind indeed now has a permanent home on my night table right next to my well worn copy of Chicken Soup for the Soul Thank you Markham You opened my eyes made me laugh and made me and my husband cry Your love for your son and the spirit you've infused into this amazingly written book will lift anyone's day Thank you thank you thank you Leslie Easterbrook Actress Police Academy Laverne Shirley Anderson solidly delivers by serving up his readers poignant yet funny and entertaining tales of how he copes as a disabled single dad raising an autistic son with little to no help from the outside world Markham's southern fried storytelling style is a delicious recipe I sorely needed and heartily recommend His chapters are loaded with outrageously funny and descriptive scenes that had me laughing out loud so many times And as a special needs parent I also cried quietly in the darkness of my room as I silently absorbed and related to the bittersweet parts But this book isn't just for a caregiver like me who happens to be a working mom caring for two sons with differing types of autism this from the heart book is a well crafted inspirational journey for anyone who genuinely needs to be uplifted Clearly the author wants you to know that you are not alone in your journey two thumbs up Amy Daleo Former Executive Dir Autism Research Center Flint Michigan Chock full of Southern style storytelling nuggets Connor Brave Kind is an inspirational journey for anyone who is struggling in their life and genuinely needs to be uplifted and personally transformed Markham has been there as a disabled Marine He's learned to overcome debilitating chronic pain and depression He continues his passionate mission of being the sole caregiver for his autistic son and his goal in life is to pay it forward by sharing what he has learned to help others overcome the same obstacles he has had to leap over whether he can help others through his seminars or through his books Author Markham Anderson teaches us that there is magic and happiness all around us in every situation all we have to do is open our eyes and let it find us Connor Brave Kind was written as a love letter from a devoted father to his sweet autistic son who teaches him about life and what's really important every day *Half My Life* Joseph Lim, 2016-07-14 Jordan is a loving intelligent and energetic boy who at a very young age was diagnosed with autism As a result he is significantly limited in his communication skills social development and academic progress He exhibits some behavioral issues and maladaptive habits Additionally Jordan sometimes has to contend with those who are either not receptive to or not well informed about special needs individuals Despite his condition Jordan's family loves him unceasingly Together they persevere through the challenges that accompany the autism and do all they can to obtain the best services and benefits available for Jordan As time goes by and the family adjusts to their unique struggles they are hit with another major blow Just prior to reaching adolescence Jordan is diagnosed with type 1 diabetes All of a sudden Jordan's health issues are more than just social and developmental they are now also physical Yet amidst the devastating news and the extremely difficult process overall the family continues to put their full trust in God *Half My Life The Testimony of a Father and His Special Needs Child* began as just a poem composed by Jordan's father Years later it grew into this biographical journal Much of it was not planned out

initially but written on the spot as thoughts and ideas came to the mind of the author and as memories and emotions filled his heart It chronicles the adventures and experience the highlights and the struggles and the surprises and setbacks as told from the perspective of one of Jordan s biggest fans his dad The author will donate a portion of the proceeds to charities dedicated to autism diabetes and special kids in general Visit Half my Life on Facebook      **Spectrumomming** Raquel Idolyantes,2019-02 When Max was first suspected to have autism his parents were devastated and lost Join Raquel Idolyantes a mother of two boys for a candid look back at her adventures as a mom a mom with an autistic son Her eldest son Max was diagnosed with autism and ADHD and Raquel brings you along for her journey She puts Max s challenges into perspective by weaving the threads of his disability into the tapestry of life Her struggles with obsessive compulsive disorder social anxiety disorder and personal tragedies have challenged Raquel and her family to persevere and emerge stronger This look at her family s struggles is not only informative it is inspiring and hopeful It is this sense of hope that helped to transform her imperfect family life dealing with the autism spectrum into the perfect life for her family Raquel visits the challenges of accepting her son s disability the process of getting a diagnosis the difficulties of being her son s advocate in school the confusion of finding her son the right therapies and activities and the heartache of dealing with the rest of what life threw her way at the same time All the challenges and difficulties may have been tiring but she has been able to deal with everything while finding time to give back to her community Her message is one of triumph over the initial disappointment of having a child with a disability She shows how her son s disability has opened her world to compassion and understanding she would otherwise never have known Max s life is proof positive that someone with autism can change the world for the better and he s just getting started      *Raising Happiness with PTSD!* Leonard Sullens,Jc Sullens,2019-12-27 Read the journey of two parents as they document raising their son with PTSD Autism From his birth to the moment every parent dreads their child running away This book is full of stories of how the deal with their Wildcat day after day and still keep going From the book I learned early that he would become obsessed with certain things and I was not wrong It didn t take long at first it was normal things for a young toddler to obsess over from balls to boxes to television shows One of his favorite obsessions was rocking and sometimes the harder the better as he grew older it moved from rocking with me in a chair to sitting on the couch and doing what we called bumping his head on the back of the couch as he rocked He usually does this while watching one of his favorite television shows or while playing a video game on the Xbox I learned it helps him to calm down and does something to help his brain      **Chasing Trains** S. Lea,2018-07-15 First in a series this book is for busy parents facing the challenges of raising a child on the spectrum and more specifically a child with an Asperger s diagnosis Each chapter is a quick easy read addressing a specific topic Each chapter closes with a suggestion based on discoveries and techniques that led a child down the road to success The focus of this first book in the series is home and family life In addition to containing valuable information the book is wonderfully illustrated and often quite entertaining It is a breath of

fresh air in a category filled with memoirs biographies and textbooks

### **Chasing The Rabbit A Dads Life Raising A Son On The Spectrum Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Chasing The Rabbit A Dads Life Raising A Son On The Spectrum has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Chasing The Rabbit A Dads Life Raising A Son On The Spectrum has opened up a world of possibilities. Downloading Chasing The Rabbit A Dads Life Raising A Son On The Spectrum provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Chasing The Rabbit A Dads Life Raising A Son On The Spectrum has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Chasing The Rabbit A Dads Life Raising A Son On The Spectrum. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Chasing The Rabbit A Dads Life Raising A Son On The Spectrum. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Chasing The Rabbit A Dads Life Raising A Son On The Spectrum, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Chasing The Rabbit A Dads Life Raising A Son On The Spectrum has transformed the way we access information. With the convenience, cost-effectiveness,

and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
