**Elisha Mancer** E.C. Ambrose,2017-02-07 E C Ambrose s gritty sharp historical fantasy series The Dark Apostle follows Elisha Barber through a magical reimagining of 14th century England Elisha was once a skilled barber surgeon but healing is no longer his finest art After discovering his exceptional potential for a singularly deadly magic Elisha has slain a king stopped a war and even had the regency thrust upon his own commoner s head until he could rescue the true heir Thomas With Thomas back on the throne of England Elisha must now work on his king s behalf to fight an even greater threat than civil war the specter of the necromancers a shadowy cabal that has already corrupted priests and princes and that may have even grander darker plans Elisha travels to the continent to warn England s allies of the mancer threat as well as to discover the full extent of the mancers plans But it soon becomes clear that if he is to have any hope of stopping those plans from coming to fruition he must forge new alliances in unexpected places as well as embrace the terrifying magical abilities in his possession a move he fears will make him into just the kind of man he strives against Elisha Daemon E.C.

Ambrose,2018-02-06 In this fifth and final installment of The Dark Apostle barber surgeon turned sorcerer Elisha must save plague stricken England from its path of destruction or risk succumbing to the very dark magic he is trying to eradicate Elisha was once a lowly barber surgeon from the poorest streets of 14th century London now he may be the most powerful magus alive He faces the necromancers a shadowy cult of magi who draw their power from fear and murder and who have just unleashed the greatest plague the world has ever known upon a continent already destabilized by wars assassinations and religious conflict Empires and armies are helpless with no clear enemy to fight The Church loses its hold upon the faithful as prayers go unanswered Europe has become a bottomless well of terror and death from which the necromancers drink deep as the citizens sink into despair Elisha knows that if there is to be any chance of survival he must root out the truth of the pestilence at its unexpected source the great medical school at Salerno There Elisha might uncover the knowledge to heal his world But as he does his former mentor the beautiful witch Brigit lays her own plans For there may be one thing upon the face of the planet deadlier than the plague the unfiltered power of Death within Elisha himself Elisha Magus E. C. Ambrose,2015-03-03 E C Ambrose s gritty sharp historical fantasy series The Dark Apostle follows Elisha Barber through a magical reimagining of 14th century England Elisha a barber surgeon from the poorest streets of benighted fourteenth century London has come a long way from home He was always skilled at his work but skill alone could not protect him on the day that disaster left his family ruined and Elisha himself accused of murder With no other options Elisha accepted a devil s bargain from Lucius a haughty physician to avoid death by hanging by serving under the sadistic doctor as a battle surgeon of the king s army at the front lines of an unjust war Elisha worked night and day both tending to the

wounded soldiers and protecting them from the physician's experiments. Even so he soon found that he had a talent for a surprising and deadly sort of magic and was drawn into the clandestine world of sorcery by the enchanting young witch Brigit who had baffling ties to his past and ambitious plans for his future. Yet even Brigit did not understand the terrible power Elisha could wield until the day he was forced to embrace it and end the war by killing the king. Now Elisha has become a wanted man not only by those who hate and fear him but by those who'd seek to woo his support. Because hidden behind the politics of court and castle is magic that offers power in its purest form. And the players in that deeper game are stranger and more terrifying than Elisha could ever have dreamed. There are the magi, those who have grasped the secrets of affinity and knowledge to manipulate mind and matter, always working behind the scenes. There are the indivisi, thought mad by the rest of the magical world, those so devoted to their subject of study that they have become indivisible from it and whose influence in their realm is wondrous beyond even the imaginations of normal magi. And then there are there may be the necromancers whose methods, motives, and very existence remain mysterious. Where rumors of their passing go, death follows. But death follows Elisha too.

**Elisha Rex** E.C. Ambrose, 2015-07-07

E.C. Ambrose's gritty, sharp historical fantasy series *The Dark Apostle* follows Elisha Barber through a magical reimagining of 14th century England. Elisha was a skillful barber surgeon, cutting hair and stitching wounds for poor peasants like himself in 14th century London. But that was before catastrophe ruined his family. Before he was falsely accused of murder and sent to die in an unjust war. Before he discovered his exceptional potential for a singularly deadly magic and was forced to embrace his gifts and end that war by using his newfound abilities to kill the tyrannical king. Elisha is no longer the lowly barber he was, but it is hard to tell exactly who he is now. The beautiful witch Brigit, his former mentor, claims him for the magi, all those who have grasped the secrets of affinity and knowledge to manipulate mind and matter and who are persecuted for it. Duke Randall, the man who first rose against the mad King Hugh, has accepted him as a comrade and ally in the perilous schemes of the nobility. Somehow he has even become a friend to Thomas, both the rightful king and something rarer, a good man. But he is still a regicide, and in order to solidify Thomas's authority among the restive barons, he had to let the new king sentence him to a horrific public execution. With Thomas's covert aid, Elisha faked his death and went into hiding, but the peasants of London are beginning to call it a martyrdom, as legends of Elisha's spectacular miracles in the service of his country have spread. Yet Elisha is finally beginning to understand the dreadful power within him, and he has never felt less holy or more terrified. Because there is another force at work in the world, a shadowy cabal beyond the might of kings and nobles that sees its opportunity in the chaos of war and political turmoil and sees its mirror in Elisha's indivisible connection with Death. For these necromancers, Elisha is the ultimate prize and the perfect tool. When the necromancers' secret plans begin to bear black fruit, England teeters on the brink of a hellish anarchy that could make the previous war look like a pleasant memory, and it appears Elisha is the only man who can stop it. But if he steps forward and takes on the authority he is offered to save his nation once again, is he playing

right into the man's hands Why does it seem like his enemies are the ones most keen to call him Elisha Rex *The Burning* E.C. Ambrose,2013-06-11 The Dark Apostle is a powerful energetic historical fantasy series set in an alternate 14th century England a land of poverty and opulence prayer and plague witchcraft and necromancy As a child Elisha witnessed the burning of a witch outside of London and saw her transformed into an angel at the moment of her death though all around him denied this vision He swore that the next time he might have the chance to bind an angel's wounds he would be ready And so he became a barber surgeon at the lowest ranks of the medical profession following the only healer's path available to a peasant's son But when the magic inside him finally awakens he finds that keeping to that path will be even harder than he could ever imagine In *The Burning* a 4500 word prequel story to *Elisha Barber* Elisha's mother tells her tale of that first vision and its aftermath For if Elisha insists that his vision is a true one he risks everything she and her husband have worked for and tempts not only the fires of hell but perhaps another burning right there on the outskirts of town This DAW eOriginal includes an excerpt from *Elisha Barber* following the story **The Bastard Queen** Elaine Isaak,2012-07-12 Beloved bastard of an unloved king Fiona will do almost anything to please her father even studying magic though she never shows more than a spark of talent But the plague that grips their city sends her to work with the dying as enmity builds between the two peoples her father has brought together When arson burns a hospital everyone blames the growing racial tension until an unexpected suspect comes from the woods on a spirit quest destined to uncover the secrets of Fiona's past Then Reynaud long Fiona's suitor suddenly asks to marry her sister Struggling to find a cure for the plague Fiona becomes ever more convinced that its emergence is no coincidence and that Reynaud may be leading a conspiracy that will end in genocide **Elisha Barber** E.
