Keep this manual in your stand-up counterbalance lift truck as a ready reference.

OCFEA-ATB50-180

## FOREWORD

The Occupational Safety and Health Administration (OSHA) prohibits employees under the age of 18 years old from operating lift trucks, and is now mandating operator training for all lift truck operators.

SAFE and EFFICIENT OPERATION of a lift truck depends to a great extent on the skill and alertness of the operator. To develop the skill, the operator should read this manual to understand the following points.

- (1) Working capabilities and limitations of the lift truck.
- (2) Make-up of the lift truck.
- (3) Safe driving and load handling procedures.

It is the employer's responsibility to make sure the operator can see, hear and has the physical and mental ability to operate the lift truck safely.

It is also important that a qualified person experienced in lift truck operation should guide new operators through several driving and load handling operations before they attempt to operate the lift truck on their own.

### Note:

- This manual contains information necessary for the operation and "Do-it-yourself" maintenance of standard lift trucks.
- Optional equipment is sometimes installed; it can change some operating characteristics described in this manual. Before operating such a lift truck, make sure the necessary instructions are available and understood.
- Lift truck operator training is provided through your authorized dealer. They will be glad to help you and answer any questions you may have about operating your new lift truck. Lift trucks are NOT intended for use on public roads.
- If you resell a lift truck, be sure to attach the original Operation & Maintenance Manual to the lift truck. In some countries, strict regulations do not allow imported lift trucks for resale. For resale information, contact your authorized dealer.
- If a lift truck is resold from another country, an Operation & Maintenance Manual attached to the lift truck may not meet your country's rules and regulations. For manual information, contact your authorized dealer.
