Decker P.i Scorpion Cay Decker Pi:

Decker P.i. Scorpion Cay Bill Craig, Laura Givens, 2011-02-05 The Florida Keys are another world. Bikinis and boat drinks laid back life and attitude. They have a darker side as well, haven for smugglers, conduits for illegal money, illegal immigrants. When Attorney Russell Cosgrove is murdered on his patio, most are willing to chalk it up to an unhappy client with a grudge or a jealous girlfriend. Not Sam Decker, however. He and Cosgrove had been old friends going back to Decker's days as an agent for the Drug Enforcement Administration. When State cops come in and try to take over the investigation, Decker wants to know why. He has no idea that finding the answers could get him killed. Corporate killers, drug smugglers, hired assassins. Decker finds himself facing them all in his efforts to solve Cosgrove's murder. It is only after a narrow escape from an attempt on his life that Decker discovers Cosgrove wasn't the real target at all. Decker himself was caught in the crosshairs. Decker must use every trick in the book just to survive. *Decker P.I. Scorpion Cay* Bill Craig, 2016-09-03

If you like Perry Mason and Phillip Marlow, you will like this. There is enough action to satisfy the most bloodthirsty. I hope Bill Craig has enough imagination to write a lot of these. I am a fan. An Amazon review: You can count on Bill Craig to deliver. Can't put it down. Action this time with a series set in that end of the road paradise known as Key West. His ex-NYPD cop who now must tangle with Cuban spies and gangsters as he looks for a missing woman. A Barnes & Noble review: Set in Key West, this new mystery series promises an intriguing story of murder, mayhem, and duplicity. Rick Marlow is a broken former NYPD cop who had been shot by his partner during the discovery of a dead body in an alley. Half dead and barely recovered, Marlow moves south to Key West, figuring the end of the road might mean a new beginning. Then hired to find a missing heiress by a Key West attorney, Marlow suddenly has purpose once more. The case takes him from Key West to Miami, where big bucks, blackmail, and Cuban Intelligence agents all cross his path. **Pieces of Eight** Bill Craig, Judy Bullard, 2014-10-22

Decker P.I. **Pieces of Eight** Tom Collins and his wife Vicki were remodeling their house on Scorpion Cay when they found what looked like a map. Curious, Tom contacted his old friend Sam Decker and asked him to take them out on the boat. But other ears overheard the call and had a good idea what was going on. When Tom and his wife were run off the road and left for dead, Sam Decker got pissed. Treasure maps in the Florida Keys are nothing unusual. But maps that somebody is willing to kill for are more unusual. As Decker and

his friends begin the search for the treasure a group of unsavory treasure hunters try to scare him off But Sam Decker doesn't scare easy Nor is he about to let anyone kill his friends for Pieces of Eight Decker P. I.
