: 1830-1939),1902 **Archaic Greek Epigram and Dedication** Joseph W. Day,2010-10-28 By the end of the Archaic period Greek sanctuaries were bursting with dedications including many that bore epigrams This study views dedications comprehensively as sites of ritual efficacy and in particular it recovers epigrams reflections of and contributions to that efficacy and restores them to an important place in the panorama of Greek religious practice In order to reconstruct the Archaic experience of reading and viewing the book draws on studies of traditional poetic language as resonant with immanent meaning early Greek poetry as socially and religiously effective performance and viewing art as an active response of aesthetic appreciation It argues that reading epigrams while viewing dedications generated effects of religious ritual and poetic performance and that visual and verbal representation of the dedicator s act of offering associated that rite with similar effects thereby framing the experiences of readers and viewers as reperformances of the earlier occasion Annual of the Northern Baptist Convention American Baptist Convention,1915 Issue for 1909 includes the annual report of the American Baptist Missionary Union for 1909 40 include the annual reports of the American Baptist Home Mission Society and the American Baptist Publication Society for 1910 40 of the American Baptist Foreign Mission Society and the Woman s American Baptist Home Mission Society for 1912 40 of the American Baptist Historical Society for 1914 40 of the Woman s Baptist Foreign Missionary Society and the Woman s Baptist Foreign Missionary Society of the West which merged in 1915 to form the Woman s American Baptist Foreign Mission Society Pennsylvania School Journal ,1927 *Materiality and Devotion in the Poetry of George Herbert* Francesca Cioni,2024 This book uses textual and material evidence in poetry prayers physiologies sermons church buildings and monuments manuscript diaries and notebooks to explore how material things held spiritual meaning in George Herbert s poetry and to reflect on scholarly approaches to matter and form in devotional poetry
