## Dee Henderson Unspoken Study Guide:

**Unspoken** Dee Henderson, 2013-10-01 Charlotte Graham is at the center of the most famous kidnapping in Chicago history. The task force of FBI and local cops found her two abductors killed them, rescued her, but it took four very long years. The fact she was found less than three miles from her home had been there the entire time haunts them. She's changed her identity, found a profession she loves, and rebuilt her life. She's never said a word to the cops, to her doctors, to family about those four years. A family legacy has brought her back to Chicago where a reporter is writing a book about the kidnapping. The cops who worked the case are cooperating with him. Her options are limited. Hope the reporter doesn't find the full truth or break her silence about what happened. And her silence is what has protected her family for years. Bryce Bishop doesn't know her past; he only knows she has coins to sell from her grandfather's estate and that the FBI director for the Chicago office made the introduction. The more he gets to know Charlotte, the more interested he becomes. An interest encouraged by those closest to her. But nothing else is working in his favor. She's decided she is single for life, she struggles with her faith, and she's willing to forego a huge inheritance to keep her privacy. She's not giving him much of an opening to work with. Charlotte wants to trust him. She needs to tell him what happened. Because a crime cops thought was solved has only opened another chapter.

Dee Henderson, 2012-10-02 Dee Henderson Is Back. Ann Silver is a cop's cop. As the Midwest Homicide Investigator, she is called in to help local law enforcement on the worst of cases, looking for answers to murder. Hers is one of the region's most trusted investigative positions. Paul Falcon is the FBI's top murder cop in the Midwest. If the victim carried a federal badge or had a security clearance, odds are good Paul and his team see the case file or work the murder. Their lives intersect when Ann arrives to pass a case off her desk and onto his. A car wreck and a suspicious death offer a lead on a hired shooter; he is tracking Paul isn't expecting to meet someone the kind that goes on the personal side of the ledger, but Ann Silver has his attention. The better he gets to know her, the more Paul realizes her job barely scratches the surface of who she is. She knows spies and soldiers and U.S. Marshals and has written books about them. She is friends with the former Vice President. People with good reason to be cautious about who they let into their lives deeply trust her. Paul wonders just what secrets Ann is keeping until she shows him the John Doe Killer case file and he starts to realize just who this lady he is falling in love with really is.
