Deep Revision A Guide For Teachers Students And Other Writers:

Deep Revision Meredith Sue Willis,1993-01-01 Suggesting that all phases of writing including revision have a great deal in common across age groups and levels of accomplishment this book presents 196 specific revision exercises as well as numerous examples from students and from literature The first part of the book looks at how the ability to revise develops and at how people can use one another's responses to improve their writing The second part of the book offers techniques for adding more material and deepening existing material The third part of the book is about form structure and finishing Chapters in the book are 1 A Look at Some Revised Pieces 2 Revision as a Natural Process 3 Learning to Revise by Editing Other People's Writing 4 Learning to Revise by Using Other People's Comments on Your Writing 5 Going Deeper by Adding 6 Changing Media for Deep Revision 7 Deep Revision and Fiction 8 Revising Nonfiction with Techniques of Fiction 9 Revising as a Response to Literature 10 Beginning and Polishing and 11 Structuring the Longer Work Examples from literature a 19 item annotated bibliography and an index of authors is attached RS Deep Revision Meredith Sue Willis,1993 If your students groan and go limp when you suggest they revise their writing this is the book for you Deep Revision covers Revision as a natural process Learning to revise by editing other people's writing Learning to revise by using other people's comments on your writing Going deeper by adding Changing media to revise Using point of view and voice for revising fiction Revising nonfiction with the techniques of fiction Learning revision by revising existing works of literature Beginning and polishing Structuring the longer work Willis gives a wealth of specific revision exercises for both fiction and nonfiction as well as examples from her own students and from literature **Revision** Alice Horning,Anne Becker,2006-05-22 Explores the wide range of scholarship on revision while bringing new light to bear on enduring questions in composition and rhetoric

Strategic Writing Mini-Lessons for All Students, Grades 4-8 Janet C. Richards,Cynthia A. Lassonde,2013 Short lessons with a big impact Respond to your writers needs with mini lessons that will improve their craft and confidence From the start the I Can chapter sets up writers to know what they can do by learning to note and record their own strengths Every chapter models strategies that foster students self regulated independent writing and includes adaptations that show how to adjust teaching for advanced writers writers who struggle English language learners and extending the strategies across content areas Each mini lesson is laid out step by step for ease of use including sections on materials needed modeling the lesson student practice and independent writing **Resources in Education** ,1999-10 *Teaching Multiwriting* Robert L. Davis,Mark F Shadle,2007-04-23 Formulaic ways to train students in composition and rhetoric are no longer effective say authors Robert L Davis and Mark F Shadle Scholar teachers must instead reinvent the field from the inside Teaching Multiwriting Researching and Composing with Multiple Genres Media Disciplines and Cultures presents just such a reinvention with multiwriting an alternative open approach to composition Seeking to open the minds of both writers and readers to new understandings the authors argue for the supplanting of the outdated research paper assignment with

research projects that use multiple forms to explore questions that cannot be fully answered This innovative volume geared to composition teachers at all levels includes sixteen helpful illustrations and provides classroom exercises and projects for each chapter Living Revision Elizabeth Jarrett Andrew, 2018 Revision is the spiritual practice of transformation of seeing text and therefore the world with new eyes Done well revision returns us to our original love In Living Revision award winning author and teacher Elizabeth J Andrew guides writers through the writing and revision process With insight and grace Andrew asks writers to flex their spiritual muscles helping them to transform their writing as they in turn transform themselves into more curious and reflective human beings **The Library Media Specialist In the Writing Process**
