

EASY STEPS FOR FASTED PRAYER FOR BEGINNERS

1**START SMALL**

Over time, you can increase the length of your fasts if you feel the need or if something is pressing on your heart. But for now, start small.

2**PLAN THE FAST**

When you know exactly when you intend to end the fast, you can more easily turn your focus away from the next meal and aim it toward heaven as you lift your prayers to God.

3**PRE FAST PRAYER**

This helps give us direction and how to realize how important fasted prayer is and gives us even more motivation to do it. You can even keep a list of people and circumstances you want to pray for.

4**PREPARATION FOR THE FAST**

No matter how long you intend to fast for, the safest way to start fasting is to clean up your diet a bit ahead of time. This doesn't have to be drastic just be aware of what you are eating the week prior

5**FASTED PRAYER**

Initially, I set up an hour block near the end of my fast to dedicate to prayer. But it is what God puts on your heart! So you feel you need to pray all day, go for it!

6**DRINK PLENTY OF WATER**

It is important to keep in mind that though you may not usually consume much water in general, without getting water from food and other sources, drinking water is crucial.

7**END THE FAST SLOWLY**

It is really important, especially if you have fasted for more than 24 hours to ease back into food. Otherwise, you could end up making yourself sick or at the very least feel extremely uncomfortable.
