## **Fate And Fury Quinn Loftis:**

**Fate And Fury** Quinn Loftis, 2013-03-13 The last few days have been the darkest of Sally's life. After experiencing the joy of finding her mate, she now suffers the pain of losing everything she holds dear. Both the Romanian and Serbian packs have been captured, ripping Sally's soul mate away from her almost as soon as she had found him. Her best friend and the emotional glue that usually holds Sally together, Jacques Pierce, lies writhing in a restless coma, having been put down by Desdemona's dark magic. Jennifer Adams, the unshakable one, has revealed to her friends and her mate that she is pregnant, but the Fates have marked her unborn baby for death. Though she rails against the darkness deep inside, Jen knows that Decebel's baby must die as payment for her own life, and the knowledge is tearing her soul to pieces. **The Grey Wolves Series Books 4-6** Quinn Loftis, 2019-10-28 Darkness has descended on the Transylvanian Alps. The Grey Wolves Series continues as the pack recovers from betrayal by one of their own, an Alpha hell bent on becoming the most powerful Canis lupus on earth. And though the wolf's assassination attempt on Vasile, the leader of the Romanian greys, failed, he's left destruction, death, and a missing mate behind him. The rogue Alpha fled, but he's left a surprise for the Romanian pack: a witch intent on destroying the Romanian grey wolves. A devastating curse threatens to cripple Decebel and could dissolve his fragile bond with his mate, Jennifer. Meanwhile, injured and alone, Jen has been fighting for her life. She has come to terms with her fate, accepting she will not share a life with Decebel until help comes in the most unexpected form, but will it be in time? The Romanian pack will have to use all its resources, including Sally, the pack's new gypsy healer, to find a way to destroy the witch, lift the curse, and solve a mystery that's surrounded the wolves for 300 years. What readers are saying about this series: All-time favorite Wolf Series. My new favorite series. I went through all 6 in under 5 days. I could not put them down. Best Series EVER. If you haven't started with volume one, stop, go back, and read all 7 books in order. You'll be glad you did. If you like shifter series, then you'll love the Grey Wolves Series. The Grey Wolves Series has over 100 thousand five-star reviews across all platforms. Don't start this series unless you're ready to join the pack. You will get hooked. **Beyond the Veil** Quinn Loftis, 2012-12-05 Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves' wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; she's even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia, with good reason: the danger is incalculable. Meanwhile, there are major changes rippling through the Romanian Grey Wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupus species. Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring. The wolves are beginning to lose faith, and darkness seems to be crashing in on them from all sides. But the winds of change are blowing changes that will alter the future of not only the Canis lupus but of another ancient race as well.

Amidst all of this Sally is continuing to come to terms with her relationship with the playful charming flirty unbelievably handsome bartender who happens to be a member of the Romanian pack If all that weren't enough the Fates have decided to pay a little visit to Jen It's time to collect She cheated the Fates of a life her life Now they want what they are due The problem It's more than Jen is willing to pay Yes the war is indeed far from over Bargains will be struck declarations will be made sacrifices will be given love will be tested and trust will be questioned as evil makes its stand against them all

Dream of Me Quinn Loftis, 2015-02-28 From the author who brought you the award winning Grey Wolves and Elfin Series now brings you a new series based on the human legend the Sandman The truth of who and what he is lies between these pages and he is so much more than anyone could have ever imagined In the evening he blows softly upon their necks till their heads begin to droop Under each arm he carries an umbrella one of them with pictures on the inside he spreads over the good children and then they dream the most beautiful stories the whole night Hans Christian Anderson Since the dawn of time Brudair otherwise known as the Sandman to the world has faithfully lived out his purpose faithfully performed his duties He has never questioned his lot among the immortals until now until her Sarah Serenity Tillman a consummate beauty both inside and out is a high school senior five months from her graduation She has great plans dreams of leaving the small town of her childhood behind her forever But destiny has other plans and it's the Sandman's job to make sure those plans are fulfilled The tall muscular Sandman known as Dair to his friends dressed in black wrapped in shadows is more than a myth

And he has a job to do His very existence makes him a creature of the night because dreams yes the legends got that part right were indeed his specialty But his purpose was more than just weaving dreams for sleeping children No his dreams were made to influence made to ensure that certain special individuals those individuals who would change the course of history actually accepted their chosen destiny Little does Serenity know that she is Dair s next assignment And the dream that he weaves for her if she follows its influence will change the course of not only her life but possibly the whole of history as well But she isn t the only one being influenced The beauty inside of her was weighing on the Sandman lighting up the darkness that was his constant companion Her light was warmth it was life and he didn t understand how he had survived the previous millennia without it The Sandman was indeed greater than anything humans had ever imagined and his purpose was vital to the course of history So what happens when the weaver of dreams gets so distracted by a mere human that he ignores his own duties in the immortal realm How can an immortal who was never meant to have a mate join a young woman in her destiny without irrevocably changing the lives of millions and potentially altering history in a way the Creator never intended Dream of me Princess Dair whispered into her ear Then weave me a dream Sandman she said softly And we can dream together As her eyes grew heavy she heard Dair s voice telling her to sleep to open her mind to him and let him in I m all yours she thought as sleep finally claimed her

Jacque's mind wandered as she hovered somewhere between life and death Her body longed to let go to sink into the peaceful abyss to the place where she didn't have to worry about rabid child snatching vampires and the carnage they'd caused to so many innocent families But something kept her here tethered to this world something she couldn't quite remember hovered just on the edge of her consciousness something vital It wasn't Fane he would be with her on the other side she knew that If she died he died too and he wouldn't have it any other way She could feel Peri's presence in her body The fae was fighting expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae But why Why was the fae fighting as if her own life depended upon Jacque's survival Jacque was starting to remember someone else someone that depended on her A brand new life precious and perfect her son Costin's best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae But the thread holding Costin to his own sanity was just as feeble Sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone Simply vanished Costin didn't know how or where and it was tearing him up inside The young boy Titus his adopted son was the only thing that kept his wolf from taking over completely Costin would be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral wolf at bay Bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant Though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her Drake was past the point of feral when he'd found her and that kind of darkness doesn't let go without a fight The strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf Bethany a dormant who had no idea who or what she was didn't stand a chance *Tears Of The Moon* Quinn Loftis, 2018-12-07
