Creating Safer Organisations Marcus Erooga,2012-04-30 An accessible resource to help those in organisational settings ensure that they have taken all possible steps to safeguard the children and young people they are responsible for Draws on up to date research with people who have committed sexual offences against children in organisational settings and new developments in interviewing approaches Details recent cases to illustrate points about institutional failures in protecting children Highlights the fact that those who sexually offend against children are a diverse and heterogeneous population and the approaches taken to protect children must address the range of possible risks Makes a firm commitment to the

importance of multi agency and inter disciplinary collaboration and is relevant in both community and residential settings Offers clear and practical messages and measures for organisations to act on Assembly West Point Association of Graduates (Organization),1995 **The Politics of Expertise** Matthew Hilton,James McKay,Nicholas Crowson,Jean-François Mouhot,2013-04-25 The Politics of Expertise offers a challenging new interpretation of politics in contemporary Britain through an examination of non governmental organisations Using specific case studies of the homelessness environment and international aid and development sectors it demonstrates how politics and political activism has changed over the last half century NGOs have contributed enormously to a professionalization and a privatization of politics emerging as a new form of expert knowledge and political participation They have been led by a new breed of non party politician working in collaboration and in competition with government Skilful navigators of the modern technocratic state they have brought expertise to expertise and in so doing have changed the nature of grassroots activism As affluent citizens have felt marginalised by the increasingly complex nature of many policy solutions they have made the rational calculation to support NGOs the professionalism and resources of which make them better able to tackle complex problems Yet in doing so support rather than participation becomes the more appropriate way to describe the relationship of the public to NGOs As voter turnout has declined membership and trust in NGOs has increased But NGOs are very different types of organisations from the classic democratic institutions of political parties and the labour movement They maintain different and varied relationships with the publics they seek to represent Attracting mass support has provided them with the resources and the legitimacy to speak to power on a bewildering range of issues yet perhaps the ultimate victors in this new form of politics are the NGOs themselves **Dictionary of the Spanish and English Language** Henry Neuman,Giuseppe Marco Antonio Barretti,1832 **BOOK of MEMORIES** Winter Park Presbyterian Church,2013-11-01 As the Winter Park Florida Presbyterian Church approached its sixtieth anniversary several events and activities were considered to appropriately mark the occasion One of them was this Book of Memories It is a compilation of stories contributed by current or former members and friends of the church as they felt inspired of their memories of our church since its inception an anecdotal view of its history The cooperation of church members was wonderful Nearly 100 stories were submitted ranging in length from three lines to three pages The project was a work of love and inspiration There are fourteen subject sections Buildings and Grounds Christian Education Compassion Mission Music Preschool Youth Church Life Activities Groups Special Projects Travel and Outings Hurricanes Personalities and Personal Memories Hundreds of photographs past and present are included One elderly contributor passed away just days after reminiscing with a writer The church cat Patches is discussed The only surviving church member whose signature appears on the original charter wrote a story Many references appear to the popular Living Nativity that is produced every Christmas season The many stained glass windows are described and applauded And the personality of each writer comes through loud and clear The reader will experience an enjoyable tour of
