court and be sure the folks in town especially the handsome new police chief doesn't think she's nuts Twenty four years ago a young woman drowned in the swimming pool of a newly elected State Senator It was ruled an accident But now as the Senator prepares to move on to higher positions the ghost of the woman is appearing to the Senator's wife Mary is hired to discover the truth behind the death She unearths a connection between the murder and the disappearance of five little girls whose cases twenty four years later are still all unsolved As she digs further she becomes the next target for serial killers quest to tie up all his loose ends **Loose Ends** Terri Reid,2012-10-16 Twenty four years ago a young woman drowned in the swimming pool of a newly elected state senator It was ruled an accident But now as the Senator prepares to move on to higher positions the ghost of the woman is appearing to the Senator's wife Mary is hired to discover the truth behind the death Back cover Natural Reaction Terri Reid,2013 The last few students climbed through windows black smoke billowing out of them The teacher turned to his student I'll let you down first But Coach whose going to help you Hey you're my best fielder I expect to jump right into your arms he said Just promise not to whip me over to Smith for a double play The young man his face streaked with soot grinned at his coach Yeah Coach I promise He took the young man's hands in a tight grip and slowly lowered him out the window When he had extended his reach as far as he could he let him go The student fell into the evergreen boughs the prickly needles scraped his arms but the branches kept him from hitting the ground He rolled off the bushes and jumped up as fast as he could He turned his eager face up to the window Okay Coach he called The explosion violently blew the windows out of the building Screaming students darted across the lawn barely escaping the shards of glass raining down on them All of the students except Stevo who still stood below the gaping hole in the wall oblivious to the blood running down his face and arms Coach Coach he screamed I'm here Coach Coach I'm here Mary O'Reilly investigates the death of a beloved high school coach while she tries to overcome the repercussion of solving Jeannine's murder *Twisted Paths* Terri Reid,2013 Gloria Foley turned off the light in the hallway and made her way slowly upstairs to bed She paused at the doorway of her daughter's bedroom and shook her head It had been such an emotional day for all of them She prayed she would have the strength to get them both through these treacherous teenaged years Slowly turning the knob on the bedroom door she quietly opened it to check on her sleeping child Through the narrow opening she could see the bed was still made and no one was sleeping on it She opened the door wider and saw the shadow on the far wall and her heart clenched Screaming she flung the door open and ran to the figure hanging from the thick electric cord suspended from the ceiling fan No she screamed as she tried to lift the inert body up to relieve the pressure against her neck Noooooooo The ghost of a teenager who committed suicide twenty years ago is haunting her family's home Can Mary link that death to the serial suicides of the girls who bullied her when she was alive And with Gary Copper still on the loose Mary and Bradley are faced with the challenge of keeping the newest member of their family safe and sound *Frayed Edges - a Mary O'Reilly Paranormal Mystery (Book 17)* Terri Reid,2016-04-28 A bullet shot rings out on the night of the Super Moon and a promising

college student is killed Was it an accident or did her research into false claims by a bio tech agricultural company garner her too much attention Mary and Bradley have to find out or Ruth McCredie will never rest Back cover **Never Forgotten** Terri Reid,2013-03-09 Bradley crept forward between the tall narrow aisles created by the shelves Just before he reached the corner he heard a thump the sound of a body hitting the floor He rushed forward into the corner of the room The desk was empty The chair was pushed up against it neatly awaiting its usual occupant No one was in the corner No one was there to make the sound No one alive A cold chill ran down his back He really wanted to leave the room Instead he moved closer He walked to the window and looked outside Snow fell softly on the rooftops in the city of Freeport It was Christmas Eve a night of peace and miracles Go home He jumped around The voice was just behind him Even before he turned he knew no one would be there He rubbed the back of his neck still cold from the breath that carried those words The curse had killed another Law Enforcement Officer in Stephenson County this time it struck on Christmas Eve Nearly a dozen good men had died in the past four years and they all had the same unexplained symptoms And Mary knew Bradley was next *Treasured Legacies - a Mary O'Reilly Paranormal Mystery* Terri Reid,2014-01 Was it raining outside Dale Johnson wondered as he woke up It was dark and he could hear the sound of rain hitting the roof Suddenly he was pelted with something small and hard He opened his eyes and sat up nearly fainting in the process His head was pounding What the hell happened He was pelted again and realized he was being hit with small pieces of corn His stomach twisted and his heart pounded He wasn't in his house he was in the grain silo Struggling to his feet he lurched to the wall and found the hatch He found the latch and pushed but it was stuck fast Pounding on it bloodying his hands he tried again and again to unlatch the door The grain was now being emptied into the silo in a rapid rate Dust from the corn was filling the interior and Dale coughed as he continued to fight with the door Help me he yelled I'm caught in here The roar of the auger and the dump truck drowned out his voice but he kept calling out and pounding on the metal door I'm in here he screamed as the grain filled the bottom of the silo first covering his feet then his knees his hips and finally it was waist high He thought about his family especially his wife who would be waiting supper for him He thought about his grandkids who he'd never see grow up He thought about his kids and prayed they wouldn't blame themselves for the accident Finally as the grain moved up past his chin he took a final deep breath and thought about dying A farm accident or murder Could the murderer be one of his own children And how will the ghost's legacy change Mary's future **Broken Promises** Terri Reid,2013 Clarissa yawned and rubbed her eyes Will I ever meet an angel Daddy she asked as she snuggled into her pillow He leaned over and kissed her on her forehead I'm sure you will sweetheart he said You just have to watch for them She nodded sleepily Night Daddy I love you I love you too he whispered to the already sleeping child A fierce feeling of protectiveness struck him as he watched her sleep from the doorway There is no way anyone is going to take her from us he vowed silently Not while I'm alive The trial for Gary Copper has begun but was there another murder in his past One that would change the future for Bradley's daughter And as Rosie

and Stanley prepare for their wedding they both have some ghosts in their own closets they will have to deal with *Good Tidings* Terri Reid, 2012 Mary O Reilly's life was changed when she stepped between a drug dealer's bullet and her beloved older brother Instead of going to the light when she died on the operating table she was given a choice a choice that would change her life
