Stony Man VII Don Pendleton, 1993 Ground Zero Don Pendleton, 2013-12-01 OPTIMUM HIT The kidnapping of a high ranking U S intelligence official by Somali pirates requires a quick and dirty extraction and Bolan is tapped for the mission But when its successful completion red flags covert data indicating an imminent attack on U S soil the situation turns hard and deadly Bolan's prime directive from the Oval Office is clear connect the dots of the terrorist cells in New York to find the target and bury the trail America doesn't want or need a new war especially as a crucial United Nations vote on nuclear arms is days away When the dirty business leads back to Iran Bolan's only shot is to go undercover in Tehran Here seconds count as he races to eliminate the power behind the threat and stop an enemy taking aim at America's heart with intent to kill

A Forgotten Man Geoffrey Elliott, 2018-06-21 John Lodwick 1916 1959 was one of the great novelists of the early twentieth century Yet his novels and indeed his own extraordinary life story have been virtually lost to the mists of time Geoffrey Elliott here for the first time pieces together Lodwick's eventful life from his youth in Ireland to his wartime experiences in the SOE and Special Boat Service his subsequent literary career and his untimely death in a car crash in Spain at the age of just 43 Initially acclaimed by Somerset Maugham and Anthony Burgess soon after his death Lodwick's novels fell out of fashion and they have largely remained out of print since Elliott makes the case for a revival in the fortunes of this singular English novelist in a biography which sheds new light on the early twentieth century literary scene the surrealist art world and the real life experiences of World War II
