Online Communication in a Second Language Sarah E. Pasfield-Neofitou, 2012-10-01 Online Communication in a Second Language examines the use of social computer mediated communication with speakers of Japanese via longitudinal case studies of up to four years Through the analysis of over 2 000 instances of online communication in addition to extensive interviews the book explores opportunities for language acquisition and use in authentic online interaction The Good Death Suzanne B. O'Brien, 2025-03-18 Practical wisdom and holistic planning to ease life's most difficult transition from an acclaimed hospice nurse death doula and end of life educator Many of us have to show up for someone we love at the end of life Knowing how to do that changes everything With over twenty years of experience as a hospice nurse palliative care professional and founder of the DoulaGivers Institute Suzanne B O'Brien RN has trained more than 350 000 people in what can be done to help the dying person caregiver and other loved ones so they may move through each stage with as much comfort and ease as possible In The Good Death O'Brien provides a comprehensive plan and the empowering knowledge to make a beautiful sacred and profound experience for everyone involved Through practical advice emotional support and expert insights O'Brien gently holds your hand through every aspect of the process including Learning how fear of death makes end of life harder and how we can begin to quell it Care instructions to ensure your loved one's comfort Support system strategies to avoid burnout as a caregiver To further empower you in facilitating a good death the second half of the book is presented workbook style The Peace of Mind Planner features prompts to initiate important conversations with your loved one about their physical mental emotional financial and spiritual preferences and space to record this important information The planner allows you to be fully present in these last precious moments and come away with a thorough plan for your loved one's end of life wishes With empathy and a careful approach The Good Death is not only a comprehensive compassionate and in depth resource it is a beacon of hope and support , **Death Notice** Zhou Haohui, 2019-05-21 Fiendishly inventive The Wall Street Journal Chengdu China The vibrant capital of Sichuan Province is suddenly held hostage when a shocking manifesto is released by an anonymous vigilante known as Eumenides It is a bold declaration of war against a corrupt legal system with Eumenides acting as judge and executioner The public starts nominating potential targets and before long hundreds of names are added to his kill list Eumenides's cunning game has only just begun First he publishes a death notice announcing his next target the crimes for which the victim will be punished and the date of the execution The note is a deeply personal taunt to the police Everyone knows who is going to die and when it's going to happen but the police fail to stop the attack The 4 18 Task Force an elite group of detectives and specialists is assembled to catch Eumenides before he strikes again In the process they discover alarming connections to an eighteen year old cold case and they find out that some members of the team have much to hide Mangaddicts: French Teenagers and Manga Reading Christine D  trez, Olivier Vanh  e, 2023-05-25 Just pronounce the word manga and conflicted representations of media reception emerge

either passive teenagers immersed in Japanese fictional worlds or hyperactive fans To understand what drives a variety of teenagers to read manga we conducted empirical research among French readers enrolled in secondary schools Manga is part of a whole constellation of interests including music and digital technology It is also the object of analytical ethical or concrete appropriations Reading then becomes a way to deal with past experiences and to connect with others to learn how to express emotions and to assert or contest age and gender norms

The End of Cool Japan Mark McLelland, 2016-07-22 Today's convergent media environment offers unprecedented opportunities for sourcing and disseminating previously obscure popular culture material from Japan However this presents concerns regarding copyright ratings and exposure to potentially illegal content which are serious problems for those teaching and researching about Japan Despite young people's enthusiasm for Japanese popular culture these concerns spark debate about whether it can be judged harmful for youth audiences and could therefore herald the end of cool Japan This collection brings together Japan specialists in order to identify key challenges in using Japanese popular culture materials in research and teaching It addresses issues such as the availability of unofficially translated and distributed Japanese material the emphasis on adult themes violence sexual scenes and under age characters and the discrepancies in legislation and ratings systems across the world Considering how these issues affect researchers teachers students and fans in the US Canada Australia China Japan and elsewhere in Asia the contributors discuss the different ways in which academic and fan practices are challenged by local regulations Illustrating from personal experience the sometimes fraught nature of teaching about cool Japan they suggest ways in which Japanese Studies as a discipline needs to develop clearer guidelines for teaching and research especially for new scholars entering the field As the first collection to identify some of the real problems faced by teachers and researchers of Japanese popular culture as well as the students over whom they have a duty of care this book will be of great interest to students and scholars of Japanese Studies and Cultural Studies

HELL INN CHAPTER 19 Anh Bar Lang, 2025-06-30 HELL INN CHAPTER 19 The second person was Ning Yi after much thought she still felt that choosing d was the best option Although she still couldn't be completely sure that this was the way out but after thinking about it this was the most feasible option Therefore she chose d Lin Tianze and Feng Lingxian almost at the same time made their choices The person in front chose b the person behind chose d Thus two options d appeared And the four people on Zi Ye's side also made their choices one after another Zi Ye hesitated for a short while then immediately chose d taking away all the currency on the ground And Xiao Ye Zi after looking at the four options for a long time finally chose a

Ancestral Crisis in Ireland Chris Paton,2025-04-28 Examines Ireland s darkest historical crises over the past 400 years and their impact on our ancestors Ireland is an extraordinarily beautiful island from which millions can claim their direct ancestry But Ireland is also an island which has experienced some truly extraordinary moments of crisis which will have directly impacted our forebears helping to shape us into the individuals that we are today Whenever such crises happened whether on a national scale or within the home there was invariably somebody standing close to hand with a quill and parchment to document the misfortunes that befell so many In this latest book family historian Chris Paton takes a look at some of the darkest episodes of Irish history over the last four hundred years as well as the everyday crises that affected everyone throughout their lives He will discuss the impact of many major events on our ancestors including colonisation conquest and rebellion as well as the various pressures endured from within the family the church and the state Along the way Chris highlights the records that can help us to show the various trials and tribulations faced by our ancestors which can help to vividly bring our family histories to life including those available both online and within Ireland s many local and national archives **Rethinking Journalism** Chris Peters,Marcel Jeroen Broersma,2013 There is no doubt journalism faces challenging times This book argues that we have to rethink journalism fundamentally Rather than just focus on the symptoms

of the crisis of journalism this collection tries to understand the structural transformation journalism is undergoing

Alexander, Elizabeth Butler Breese, María Luengo, 2016-06-13 This collection of original essays brings a dramatically different perspective to bear on the contemporary crisis of journalism Rather than seeing technological and economic change as the primary causes of current anxieties The Crisis of Journalism Reconsidered draws attention to the role played by the cultural commitments of journalism itself Linking these professional ethics to the democratic aspirations of the broader societies in which journalists ply their craft it examines how the new technologies are being shaped to sustain value commitments rather than undermining them Recent technological change and the economic upheaval it has produced are coded by social meanings It is this cultural framework that actually transforms these objective changes into a crisis The book argues that cultural codes not only trigger sharp anxiety about technological and economic changes but provide pathways to control them so that the democratic practices of independent journalism can be sustained in new forms
