The Thrall of Leif the Lucky, Vol. 1 Ottilie Adelina Liljencrantz, 2018-01-20 Excerpt from The Thrall of Leif the Lucky Vol 1 A Story of Viking Days For every heroic vice the Vikings laid upon the opposite scale an heroic virtue If they plundered and robbed as most men did in the times when Might made Right yet the heaven sent instinct of hospitality was as the marrow of their bones No beggar went from their doors without aims no traveller asked in vain for shelter no guest but was welcomed with holiday cheer and sped on his way with a gift As cunningly false as they were to their foes just so superbly true were they to their friends The man who took his enemy's last blood drop with relentless hate gave his own blood with an equally unsparing hand if in so doing he might aid the cause of some sworn brother Above all they were a race of conquerors whose knee bent only to its proved superior Not to the man who was king born merely did their allegiance go but to the man who showed himself their leader in courage and their master in skill And so it was with their choice of a religion when at last the death day of Odin dawned Not to the God who forgives nor to the God who suffered did they give their faith but they made their vows to the God who makes men strong the God who is the never dying and all powerful Lord of those who follow Him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
