Gender, Genre and Religion Morny Joy,Eva K. Neumaier-Dargyay,2006-01-01 Many feminists today are challenging the outmoded aspects of both the conventions and the study of religion in radical ways Canadian feminists are no exception Gender Genre and Religion is the outcome of a research network of leading women scholars organized to survey the contribution of Canadian women working in the field of religious studies and further to plot the path forward This collection of their essays covers most of the major religious traditions and offers exciting suggestions as to how religious traditions will change as women take on more central roles Feminist theories have been used by all contributors as a springboard to show that the assumptions of unified monolithic religions and their respective canons is a fabrication created by a scholarship based on male privilege Using gender and genre as analytical tools the essays reflect a diversity of approaches and open up new ways of reading sacred texts Superb essays by Pamela Dickey Young Winnie Tamm Morny Joy and Marsha Hewitt among others honour the first generation of feminist theologians and situate the current generation showing how they have learned from and gone beyond their predecessors The sensitive and original essays in Gender Genre and Religion will be of interest to feminist scholars and to anyone teaching women and religion courses      **Africans who Shaped Our Faith** Jeremiah A. **Revelation Through Science** James G. Martin,2016-11-09 Revelation through Science is written for the educated non scientist who may be troubled by apparent conflicts between science and religion Are science and faith incompatible Astronomers physicists and biologists have now shown that the more deeply science probes nature the more it reveals evidence pointing us to God After reviewing concepts from those fields Revelation through Science adds new material from chemistry It describes organic structures that are profoundly vital for life yet too complex for self assembly without some guiding principle It should lift the burden from believers and seekers to realize that science is not the enemy of faith      *The Image, the Depths and the Surface* Susan Gillingham,2002-09-01 The purpose of this book is to illustrate that reading is a subjective process which results in multivalent interpretations This is the case whether one looks at a text in its historical contexts the diachronic approach or its literary contexts the synchronic approach Three representative texts are chosen from the Law Genesis 2 3 the Writings Isaiah 23 and the Prophets Amos 5 and each is read first by way of historical analysis and then by literary analysis Each text provides a number of variant interpretations and raises the question is any one

interpretation superior What criteria do we use to measure this Or is there value in the complementary nature of many approaches and many results      **Water-resources Investigations** ,1982      *Ice Cream Field* ,1924 Vol 32 no 10

 Readerly questions are raised when readers are explicitly and programmatically brought into the process of interpreting texts Traditionally the reader and readerly interest and identities have been screened out when we have set about interpreting texts and we have set our sights on attaining an interpretation that should be as objective as possible Things are rather different now Not only is quest for objective interpretation seen as chimeric but the rewards of unabashed readerly interpretations that foreground the process of reading and the context of the reader have now been shown to be very well worth seeking That reader response approach characterizes this collection of six essays prefaced by an introduction to reader response criticism The essays for the most part read in their original form to meetings of the Society of Biblical Literature are What Does Eve Do To Help and other Irredeemably Androcentric Orientations in Genesis 1-3 What Happens in Genesis The Ancestor in Danger But Not the Same Danger The Old Testament Histories A Reader's Guide Deconstructing the Book of Job and Nehemiah Memoir The perils of Autobiography one of the liveliest writers on the Old Testament What Does Eve Do To Help does not disappoint and at times is hilariously funny C S Rodd Expository Times      **Use of Small Fish Species in Carcinogenicity Testing** ,1984      **Soil survey of Clay County, North Carolina** ,1941      Soil Survey, Jefferson County, Tennessee ,1941      *Soil Survey* ,1935      *Feasting on the Word Worship Companion: Liturgies for Year A, Volume 2* Kimberly Bracken Long,2014-01-21 Based on the Revised Common Lectionary RCL Feasting on the Word Worship Companion Liturgies for Year A Volume 2 provides liturgical pieces used in preparing for worship Written and compiled by an ecumenical team of 11 seasoned liturgy writers this resource offers a multitude of poetic prayers and responsive readings for all parts of worship and is meant to complement existing denominational resources In addition the weekly entries include questions for reflection and household prayers for morning and evening that are drawn from the lectionary allowing churches to include them in their bulletin for parishioners to use throughout the week During times of the year when two different tracks of Old Testament texts are offered by the RCL this resource offers an entire set of materials for each track Liturgy writers include the following Kimberly L Clayton Director of Contextual Education Columbia Theological Seminary Decatur Georgia Presbyterian Church U S A David Gambrell Associate for Worship in the Office of Theology and Worship Presbyterian Church U S A Louisville Kentucky Presbyterian Church U S A Daniel M Geslin Pastor Sixth Avenue United Church of Christ Denver Colorado United Church of Christ Kimberly Bracken Long Assistant Professor of Worship Columbia Theological Seminary Decatur Georgia Presbyterian Church U S A L Edward Phillips Associate Professor of Worship and Liturgical Theology Candler School of Theology Atlanta Georgia United Methodist Church Melinda Quivik Liturgical Scholar Houghton Michigan Evangelical Lutheran Church in America Carol L Wade Dean of Christ Church Cathedral Lexington
