*Decentralized Development in Latin America* Paul Lindert,Otto Verkoren,2010-03-02 Much of the scholarly and professional literature on development focuses either on the macro level of national policies and politics or on the micro level of development projects and household or community socio economic dynamics By contrast this collection pitches itself at the meso level with a comparative

exploration of the ways in which local institutions municipalities local governments city authorities civil society networks and others have demanded and taken on a greater role in planning and managing development in the Latin American region The book s rich empirical studies reveal that local institutions have engaged upwards with central authorities to shape their policy and resource environments and in turn been pressured from below by local actors contesting the ways in which the structures and processes of local governance are framed The examples covered in this volume range from global cities such as Mexico and Santiago to remote rural areas of the Bolivian and Brazilian Amazon As a result the book provides a deep understanding of the diversity and complexity of local governance and local development in Latin America while avoiding the stereotyped claims about the impact of globalisation or the potential benefits of decentralisation as frequently stated in less empirically grounded analysis

### **Democratic Decentralization, Local Governance and Sustainable Development**

Prince Osei-Wusu Adjei, Samuel Adu-Gyamfi, 2022-11-14 Drawing on field based data and experiences from the practice of democratic decentralization and local governance over the last three decades in Ghana this book examines whether and how democratic decentralization and local governance reforms in developing countries have produced the anticipated development outcomes In seventeen related contributions the authors present four relevant focal themes including conceptual and historical trajectories of decentralization and local governance institutional choice democratic representation and poverty reduction local governance resource capacity and service delivery and non state actors local governance and sustainable development The book blends perspectives of scholars practitioners and policy makers to provide a holistic analysis of linkages between decentralization local governance and sustainable development efforts presenting a novel and useful guide for science policy and practice of bottom up governance and development It provides relevant lessons and experiences for scholars policy makers and development practitioners in Africa in particular and developing countries in general

### **Decentralization, Local Governance, and Localizing the Sustainable Development Goals in Asia and the Pacific**

Bruno Carrasco, Hanif A. Rahemtulla, Rainer Rohdewohld, 2022-10-12 Since its adoption in 2015 the 2030 Agenda on Sustainable Development has shaped not only international development cooperation but also the design of national trajectories for social and economic development In tandem with other global agendas adopted that year such as the Paris Agreement on Climate Change and UN Habitat s New Urban Agenda it remains the global and regional blueprint for sustainable development despite the COVID 19 pandemic The term localizing the Sustainable Development Goals SDGs has been used to capture the importance of subnational governments for achieving national SDG agendas However there is little deeper analysis of the required nexus between fiscal political and legal arrangements for SNGs their involvement in national policy arenas which discuss and decide on national SDG strategies and the need for locally disaggregated data systems on the one hand and effective SDG localization strategies on the other hand It is this aspect which the present publication explores in greater detail by using country examples and conceptual analyses The text will be of interest to policymakers

scholars students and practitioners in public policy and public administration decentralization and sustainable development with a focus on the Asia and Pacific region The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivative License CC BY NC ND 3 0 IGO

**Decentralization, Local Governance, and Inequality in the Middle East and North Africa**

Kristen Kao, Ellen Lust, 2025-01-15 While many scholars policymakers and development practitioners view decentralization as a way to increase participation strengthen political representation and improve social welfare little is known about the experiences of communities in the context of decentralization particularly in the Middle East and North Africa This volume directs our attention toward the ways in which decentralization is lived locally by citizens of the MENA region underscoring the simultaneous influences of individual level factors e g gender education and local context e g development levels electoral institutions on governance processes and outcomes A group of international scholars brings together methodologically diverse original research in Lebanon Morocco Syria and Tunisia to expand the literature on decentralization Following a preface by Hicham Alaoui the empirical chapters are arranged into three thematic sections These focus on subnational variations in the relationships between central and local actors citizen engagement with state and non state institutions and the extent to which representatives reflect their local communities Together these chapters provide important insights into governance participation and representation in the MENA and open new questions for furthering the study of governance and local development Only by unpacking perspectives and governance experiences at the micro level can we understand how decentralization policies affect citizens everyday lives

Decentralization, Local Governance, and Local Economic Development in Mongolia Asian Development Bank, 2021-08-01 This publication presents an empirical assessment of Mongolia's system of decentralized governance and the extent to which it translates into the actual and practical working environment for subnational and local governments It focuses on the roles of subnational and local governments in providing public services and promoting local economic development

Decentralization, Local Governance, and Social Wellbeing in India Rani Mullen, 2017-05-18 Over the past three decades decentralization has been seen as the means for allowing local governments to become more accountable and for encouraging the deepening of democracy and the building of village communities By drawing on original village level case studies of six villages in three different Indian states this book presents a systematic analysis of the impact of decentralization on the delivery of social services at the local level within India Supplementing national and state level data and analyzing the different historical legacies in each state the book argues that decentralization is not simply a function of the structure of the decentralization

program or of the relationship between higher tiered and local government Rather the possibility of decentralization affecting social outcomes depends on several interacting factors including the distribution of power among local elites the dynamics of political competition and the level of civil society mobilization By examining constitutionally mandated political decentralization across India this book identifies the circumstances under which local government structures can lead to improved social services and societal wellbeing as well as presenting a substantial contribution to studies on South Asian Politics and Local Government

**Decentralisation and Local Governance** L. C. Jain, Lakshmi Chand Jain, 2005 This is a collection of 20 essays dedicated to Dr George Mathew by eminent scholars and academics on decentralised governance and its importance in a globalising world Based on empirical studies and paradigms of developed and developing countries it has an overarching focus on India's panchayati raj institutions The Seventy third constitution Amendment Act of 1992 by making PRIs mandatory was a historic move towards deepening democracy and advancing development through decentralisation Decentralisation programmes in other countries e.g. S Africa and Pakistan are also reviewed The book offers a comprehensive account of development and governance at the grassroots through a broad canvas of multiperspective and interdisciplinary presentations

**Decentralised Governance for Development** United Nations Development Programme, 2004

**Handbook of Decentralised Governance and Development in India** D. Rajasekhar, 2021-08-23 This handbook examines 25 years of decentralised governance and development in India It provides a historical overview of developments since the introduction of decentralisation reforms 73rd and 74th Constitutional Amendment Acts and critically assesses the measures initiated to strengthen decentralised institutions and deepen grassroots democracy It also discusses the status of service delivery and identifies the issues and challenges involved in achieving development at the local level The volume studies themes such as the devolution of powers in India administrative and fiscal decentralisation decentralised planning Panchayats in scheduled areas the sociological aspects of decentralisation caste gender and local democracy capacity building ICT for local governance urban local governance workfare and decentralisation and decentralised natural resource management It also looks at Panchayati Raj institutions from a Gandhian perspective The first of its kind this handbook will be an essential read for scholars and researchers of decentralisation and development development studies fiscal decentralisation political studies political sociology Indian politics Indian government public policy and governance political economy South Asian studies and South Asian politics

*Local Governance in Africa* Dele Olowu, James Stevenson Wunsch, 2004 An exploration of why some decentralization reforms have led to viable systems of local governance in Africa while others have failed It outlines the key issues involved provides historical context and identifies the factors that have encouraged or discouraged success

**Public Sector Reform in Developing and Transitional Countries** Christopher Rees, Farhad Hossain, 2013-09-13 Over recent decades decentralization has emerged as a key Public Sector Reform strategy in a wide variety of international contexts Yet despite its emergence as a ubiquitous activity that cuts across disciplinary lines

in international development decentralization is understood and applied in many different ways by parties acting from contrary perspectives This book offers a fascinating insight into theory and practice surrounding decentralization activities in the Public Sectors of developing and transitional countries In drawing on the expertise of established scholars the book explores the contexts achievements progress and challenges of decentralization and local governance Notably the contributions contained in this book are genuinely international in nature the chapters explore aspects of decentralization and local governance in contexts as diverse as Ghana Hong Kong India Indonesia Kazakhstan Morocco Tanzania Uganda and Viet Nam In summary by examining the subject of decentralization with reference to specific developing and transitional Public Sector contexts in which it has been practiced this book offers an excellent contribution towards a better understanding of the theory and practice of decentralization and local governance in international settings This book was published as a special double issue of the International Journal of Public Administration

**Strengthening Local Governance in Bangladesh** Shuvra Chowdhury,Pranab Kumar Panday,2018-02-23 This book explores the impact of Bangladesh s Local Government Act of 2009 on the functioning of the local governments or Union Parishads UP with a particular emphasis on people s participation and accountability Throughout the chapters the authors review the existing legal framework of UP and its relation to social accountability examine how much of the social participation is spontaneous and how much is politically induced question the success of the Citizen s Charter and Right to Information acts as mechanisms for social accountability and present suggestions to remedy some of the problems facing people s participation and accountability in the UP This book fills existing gaps in the discourse by adding new information to the literature on development research and legal reforms in Bangladesh specifically in how those legal reforms have led to strengthening or weakening people s participation in local government The target audience for this book are students and researchers in Asian studies international development studies and public administration as well as practitioners working in the local governments discussed

**Fiscal Decentralisation, Local Government and Policy Reversals in Southeastern Europe** William Bartlett,Sanja Kmezić,Katarina Đulić,2018-10-31 This edited collection provides a comprehensive geographic and chronological overview of the decentralisation processes in the successor states of former Yugoslavia and Albania during their transition and EU integration years from 1990 until 2016 These countries present a unique laboratory for the analysis of economic social and political change having traversed armed conflicts dramatic economic and political changes and EU pre accession processes involving deep institutional reform They have also endured the Eurozone crisis which has led to high levels of unemployment wide fiscal gaps and dangerously high levels of indebtedness Observing the quarter century long transition from socialism to capitalism through the prism of decentralisation sheds new light on studying the political economy of the region and the current status of the individual countries in terms of economic development and their EU integration progress The contributors enrich the wider literature on fiscal decentralisation in transition countries by exploring several broad questions

on democratisation the political economy of post communist transition the role of external actors in policy transfer and the issue of financial stability in the post crisis period      **Foundations for Local Governance** Fumihiko Saito,2008-01-15

Successful reforms need coherent approaches in which a range of stakeholders are willing to share responsibilities and resources in order to achieve the ultimate outcome of poverty reduction in developing countries This book provides a framework to access intended outcomes generated by decentralization measures implemented in Asian and African countries It is based on comparative analyses of different experiences of decentralization measures in six developing countries

**Governing Climate Change** Jolene Lin,2018-06-21 Cities are no longer just places to live in They are significant actors on the global stage and nowhere is this trend more prominent than in the world of transnational climate change governance TCCG Through transnational networks that form links between cities states international organizations corporations and civil society cities are developing and implementing norms practices and voluntary standards across national boundaries In introducing cities as transnational lawmakers Jolene Lin provides an exciting new perspective on climate change law and policy offering novel insights about the reconfiguration of the state and the nature of international lawmaking as the involvement of cities in TCCG blurs the public private divide and the traditional strictures of domestic versus international This illuminating book should be read by anyone interested in understanding how cities in many cases more than the countries in which they re located are addressing the causes and consequences of climate change      *Democratic*

*Decentralisation through a Natural Resource Lens* Jesse C. Ribot,Anne M. Larson,2013-09-13 This volume queries the state and effect of the global decentralization movement through the study of natural resource decentralizations in Africa Asia and Latin America The case studies presented here use a comparative framework to characterize the degree to which natural resource decentralizations can be said to be taking place and where possible to measure their social and environmental consequences In general the cases show that threats to national level interests are producing resistance that is fettering the struggle for reform

**Governing Smart Specialisation** Dimitrios Kyriakou,Manuel Palazuelos Martínez,Inmaculada Periañez-Forte,Alessandro Rainoldi,2016-10-04 In recent years smart specialisation has been a key building block of regional economic and development policy across the European Union Providing targeted support for innovation and research it has helped identify those areas of greatest strategic potential developing mechanisms to involve the fullest range of stakeholders before setting strategic priorities and using the policy to maximize the knowledge based potential of a region or territory Governing Smart Specialisation contributes to the emerging debate about the role of the entrepreneurial discovery process EDP which is at the heart of smart specialisation strategies for regional economic transformation Particular focus is placed on what methods procedures and institutional conditions are necessary in order to generate information that helps buttress policy decisions It draws on existing literature that analyses the relevance of EDP within smart specialisation for regional policy Chapters are complemented with case studies about regions with different geographical and socioeconomic

characteristics in Europe from Norwegian regions to the Greek region of East Macedonia and Thrace As one of the first books to directly address the EDP this is essential reading for students interested in regional economics public policy urban studies and technology innovation as well as for policy makers in regional and national administrations
