series <https://www.amazon.co.uk/dp/B0CKTYTQX9> binding paperback ref dbx_dp_rwt_sb_pc_tpbk *Decoding Spacetime* Eric Carlson, 2010-11-08 This is a book about science religion and being yours and mine The study of being is called Ontology Our culture is dominated by a naturalist ontology The question is does ontology include a supernatural component Or is that idea a relic of our primeval past sort of like appendix and adenoids parts that can be excised from the body of our belief system The author argues for the primacy of the transcendent supernatural ontology by means of two books the book of nature and the book of transcendency the Bible each containing its own portion of the evidence Mr Carlson argues for the following The universe represents a small portion of Gods ontology a small reality devoted to redemption The signet of redemption is the number 7 its appearance within chronology is deliberate instructive and compelling The Creation Week account reflects a two fold metaphor 1 space time itself was created to support the redemptive act and 2 mankind's history will unfold in a series of seven ages later quantified as millennia The interval between Adam and Abraham literally filled one redemptive bi millennium but the catastrophic effects of 3 realities the Cainite civilization Noah and the break up of Pangaea contribute to the appearance of myth as viewed by the uniformitarian geologist for whom catastrophes appear invisible The 2nd bi millennium Abraham to Messiah was also fulfilled exactly in redemptive time The termination of our age is imminent and dependent upon the chronology of Israel mankind's chronograph A detailed chronology of the history of Israel is flavored with the redemptive signet especially 70 yrs or 70 heptads of yrs By decoding Israel's history in redemptive time and employing the single concept of the favor of God the author derives a Biblical based proof that modern Israel is the same and identical state founded by Samuel in 1096 BC Three independent proofs of this foundational date are provided These proofs show that the Monarchy existed for exactly 511 yrs which period is exactly equal to 73 heptads Israel is an heptadic state The author concludes that the redemptive corollary to Israel's ontology is also proven we have actually entered the end times and the events associated with the last days will soon unfold Because the reality of Israel is visible to all it is apparent that the redemptive offer made to mankind is also real and visible such as that appearing in John 3 16 John 6 40 and Romans 10 9 13 There is much to learn about our world Start now Tomorrow may be too late **Biblical and Ancient Greek Linguistics,**

Volume 6 Stanley E. Porter, Matthew Brook O'Donnell, 2017-10-30 Biblical and Ancient Greek Linguistics BAGL is an international journal that exists to further the application of modern linguistics to the study of Ancient and Biblical Greek with a particular focus on the analysis of texts including but not restricted to the Greek New Testament The journal is hosted by McMaster Divinity College and works in conjunction with its Centre for Biblical Linguistics Translation and Exegesis and the OpenText.org organization www.opentext.org in the sponsoring of conferences and symposia open to scholars and students working in Greek linguistics who are interested in contributing to advancing the discussion and methods of the field of research BAGL is a refereed on line and print journal dedicated to distributing the results of significant research in the area of linguistic theory and application to biblical and ancient Greek and is open to all scholars not just those connected to

the Centre and the OpenText org project **Toward a Science of Translating** Eugene Albert Nida,1964 **Apocalypse Now Redux** ,2005 **Who Is God?** Henry Loyd Copeland,2008-02-04 About Who Is God Who is god is written for all humankind It contains a most powerful message about two way communications between the reader and God Getting to know God requires communication In other words the prerequisite to getting to know is two way communications between the reader and God The reader actually becomes interactive with God A fundamental communications model is presented illustrating some of the simplicities and some of the complexities associated with communicating However the book proceeds to make two way communicating quite simple between the reader and God This simplicity is achieved by identifying defining and elaborating on terms relevant to good communications The reader asks Who am I and an answer is provided This is followed by an introduction to God followed by an introduction to Jesus Christ The Holy Spirit The Holy Trinity and love With this background the reader communicates with God and God communicates with the reader Who is god informs the reader as to how God communicates with the reader how the reader communicates with God some of Gods messages to the reader some of the reader s messages to God and finally the reader s conclusions after knowing himself or herself and God better The profound impacts of Who is god on the reader are 1 recognition of the true God God of the Holy Bible 2 realization that God has established the ultimate communication model and 3 realization that this type of relationship with God is both a the source of peace and joy and b the solution to terrorism crime addiction prejudice and deprivation *An Ethiopian Reading of the Bible* Keon-Sang An,2015-10-01 This book explores the biblical interpretation of the Ethiopian Orthodox Tewahido Church EOTC In doing so it illuminates the interpretation of the Bible in a particular historical and cultural context and presents a compelling example of the contextual nature of biblical interpretation Those who visit Ethiopia experience its unique spirituality which is significantly informed by the presence of the EOTC The EOTC has existed from earliest years of the Christian church It has also developed and maintained its own ecclesiastic tradition in the Ethiopian context and has its own distinctive way of reading the Bible It is noteworthy particularly in the African context that it has its own commentaries on the Scriptures which continue to serve as a vital tradition in the EOTC s interpretation of the Bible This is evident in the contemporary hermeneutics and sermons of EOTC preachers In its comprehensive consideration of the EOTC s past and present this book examines the interplay between tradition and context in biblical interpretation and contributes to current biblical scholarship Fundamentalism Steve Bruce,2008 The new edition of Steve Bruce s *Fundamentalism* grapples with the combination of social strains and religious ideas that have produced an explosion of fundamentalist activity in the wake of 9 11 In a direct and punchy style the new edition of his book investigates what lies behind the actions of Al Qaeda suicide bombings and the war against terror and also gets to grips with the continuing rise of the Christian Right in the USA It offers new insights into the Protestant fundamentalism of the American political right wing looking at the influence issues such as abortion gay rights and intelligent design have had on US foreign policy and domestic politics Bruce s broad sociological

analysis rejects the narrowly conceived notion that fundamentalists are suffering from some kind of abnormal psychology persuasively demonstrating fundamentalism's importance as a symptom of rapid social change. Social science has generally focused on the social circumstances that produce extremist movements and regarded their religious ideologies as window dressing. This study takes the religious elements of fundamentalism seriously. Topics tackled in the book include: Why are some religions more likely than others to produce fundamentalism? Why do they differ in their willingness to use violence to pursue their goals? Does fundamentalism pose a serious challenge or sustainable alternative to the secular liberal democracy of Western society? This thought provoking and highly topical book will be essential reading for students of any discipline drawing on the sociology of religion. It will also appeal to those beyond the academic community who want to know what fundamentalism really means today.

Ancient Alien Theory Decoded Robert Sickler, 2015-10-22 For those who undertake a serious investigation of unidentified flying objects (UFO) there can be no questioning their reality. Still, our government would have people believe UFOs are natural earthly phenomena. Ancient alien theorists, however, claim unidentified flying objects are highly advanced alien mechanical devices. Furthermore, the theorist would have us believe aliens are associated with the genesis of mankind and during our formative years they guided us with both technology and the teaching of civil moral standards. On the one hand we have our government saying it is nothing and on the other hand we have ancient alien theorists saying ancient aliens were the gods we used to worship. We cannot help but wonder why the government denies alien existence and at the same time ancient alien theorists preach a coming alien salvation. It is only when the ancient alien theory is decoded that elements of truth are revealed.

God's Amazing Creation Kay Arthur, Janna Arndt, 2001-08-01 God's Amazing Creation takes kids through the first five chapters of Genesis focusing on the theme of creation in chapters one and two. Young scholars will put on their archaeologist hats to help the book's main characters, inductive detectives Max and Molly, dig up the truth about how the world began. Kids will discover who the world's creator is, how the heavens and earth were formed, what exactly happened in the beginning, and how the earth, the sea, people, and animals came into existence. Great fun and wonderful Bible truths for kids with an insatiable appetite for the whys of life.

The Angel's Riddle James V. Head, 2017-09-29 First century Christians endured severe persecution, including death, from both the Jews and Romans. The Revelation of Jesus Christ was recorded by the Apostle John primarily to give those beleaguered souls strength and hope as their world became increasingly intolerable. They needed to know that God had not forgotten them. The Angels Riddle is the result of an exhaustive critical analysis of the symbolism and imagery Jesus used to convey His message of hope. A progressive process was used to analyze and decode each part of the message into a clear and concise format. This is a deep study meant to be used with your Bible and suitable materials to record any crib notes you may desire to make along the way. Commentary is provided as you progress through the book. Details, symbols, and difficult language are broken down into manageable groups through analysis and comparison to multiple Bible passages backed up by only the Word of God. The

Angels Riddle is a critical analysis and study of the most difficult book in the Bible. Don't hurry; your patience will be rewarded. I will attest that though many have tried, few could have succeeded as Jim has in peeling back Revelations' many layers. Jim has summarized centuries of biblical scholarship and pulled together a deep and impressive bibliography. In the process, he became a Revelation scholar himself. Larry Prescott PhD An Ethiopian Reading of the Bible Keon Sang An, 2016-06-30 In An Ethiopian Reading of the Bible Keon Sang An explores the distinctive biblical interpretation of the Ethiopian Orthodox Tewahido Church EOTC. He illuminates the interpretation of the Bible in a particular historical and cultural context and presents a compelling example of the contextual nature of biblical interpretation. Since the earliest years of the Christian church, the EOTC has significantly informed the unique spirituality of Ethiopia. Drawing on his own experience of teaching theology in Ethiopia, Keon Sang An provides a comprehensive consideration of the EOTC's past and present and examines the interplay between tradition and context in biblical interpretation. An Ethiopian Reading of the Bible contributes much to current biblical scholarship and equips readers with the tools for a future of mutual learning. Medieval Codicology, Iconography, Literature and Translation Peter Rolfe Monks, D. D. R. Owen, 2023-11-27 Medieval Codicology, Iconography, Literature and Translation groups 33 original essays by prominent scholars in four major medieval fields: Manuscripts of Leiden University, Beauvais Cathedral, Sir John Donne, details of scribal practices, and Dominican copyists are especially important. The codicological and iconographic studies are enhanced by 75 illustrations drawn from manuscripts or from miniatures in the Petites Heures of Jean de Berry and in copies of the Roman de la Rose. Named artists are William de Brailes, Master of Ghent Privileges, Master of Jean Rolin, Jean Colombe. The Literature Section contains research papers on Havelock, Arthur, the Tristan-Fergus Sept Sages, Chemin de Vaillance, an Anglo-Norman religious treatise, Beghine compositions, and perspectives on Cloister and Text. One also finds discussions about chevalerie, perdre son alleluia, and about translators of the Bible: St. Jerome, Boethius, and the De excidio Troi.
