CHANGING IMAGES OF FATHERS
IN POPULAR CULTURE

EDITED BY LAURA TROPP AND JANICE KELLY

Deconstructing Dads Changing Fathers Popular

Florian Freitag

Deconstructing Dads Changing Fathers Popular:

Deconstructing Dads Laura Tropp, Janice Kelly, 2015-12-24 In the twenty first century fatherhood is shifting from simply being a sidekick in the parental team to taking center stage with new expectations of involvement and caretaking The social expectations of fathers start even before the children are born Mr Mom is now displaced with fathers who don't think of themselves as babysitting their own children but as central decision makers along with mothers as parents *Deconstructing Dads Changing Images of Fathers in Popular Culture* is an interdisciplinary edited collection of essays authored by prominent scholars in the fields of media sociology and cultural studies who address how media represent the image of the father in popular culture This collection explores the history of representation of fathers like the bumbling dad to question and challenge how far popular culture has come in its representation of paternal figures Each chapter of this book focuses on a different aspect of media including how advertising creates expectations of play and father crime shows and the new hero father and men as paternal figures in horror films The book also explores changing definitions of fatherhood by looking at such subjects as how the media represents sperm donation as complicating the definition of father and how specific groups have been represented as fathers including gay men as dads and Latino fathers in film This collection examines the media's depiction of the good father to study how it both challenges and reshapes the ways in which we think of family masculinity and gender roles

Deconstructing Dads Laura Tropp, Janice Kelly, 2016 In the twenty first century fatherhood is shifting from simply being a sidekick in the parental team to taking center stage with new expectations of involvement and caretaking The social expectations of fathers start even before the children are born Mr Mom is now displaced with fathers who don't think of themselves as babysitting their own children but as central decision makers along with mothers as parents *Deconstructing Dads Changing Images of Fathers in Popular Culture* is an interdisciplinary edited collection of essays authored by prominent scholars in the fields of media sociology and cultural studies who address how media represent the image of the father in popular culture This collection explores the history of representation of fathers like the bumbling dad to question and challenge how far popular culture has come in its representation of paternal figures Each chapter of this book focuses on a different aspect of media including how advertising creates expectations of play and father crime shows and the new hero father and men as paternal figures in horror films The book also explores changing definitions of fatherhood by looking at such subjects as how the media represents sperm donation as complicating the definition of father and how specific groups have been represented as fathers including gay men as dads and Latino fathers in film This collection examines the media's depiction of the good father to study how it both challenges and reshapes the ways in which we think of family masculinity and gender roles

The Graphic Lives of Fathers Mihaela Precup, 2020-02-21 This book explores the representation of fatherhood in contemporary North American autobiographical comics that depict paternal conduct from the post war period up to the present It offers equal space to autobiographical comics penned by daughters

who represent their fathers complicated and often disappointing behavior and to works by male cartoonists who depict and usually celebrate their own experiences as fathers This book asks questions about how the desire to forgive or be forgiven can compromise the authors ethics or dictate style considers the ownership of life stories whose subjects cannot or do not agree to be represented and investigates the pervasive and complicated effects of dominant masculinities By close reading these cartoonists complex strategies of self representation this volume also places photography and archival work alongside the problematic legacy of self deprecation carried on from underground comics and shows how the vocabulary of graphic narration can work with other media and at the intersection of various genres and modes to produce a valuable scrutiny of contemporary norms of fatherhood

Deconstructing Dads Laura Tropp, Janice Kelly, 2015-12-24 In the twenty first century fatherhood is shifting from simply being a sidekick in the parental team to taking center stage with new expectations of involvement and caretaking The social expectations of fathers start even before the children are born Mr Mom is now displaced with fathers who don't think of themselves as babysitting their own children but as central decision makers along with mothers as parents Deconstructing Dads Changing Images of Fathers in Popular Culture is an interdisciplinary edited collection of essays authored by prominent scholars in the fields of media sociology and cultural studies who address how media represent the image of the father in popular culture This collection explores the history of representation of fathers like the bumbling dad to question and challenge how far popular culture has come in its representation of paternal figures Each chapter of this book focuses on a different aspect of media including how advertising creates expectations of play and father crime shows and the new hero father and men as paternal figures in horror films The book also explores changing definitions of fatherhood by looking at such subjects as how the media represents sperm donation as complicating the definition of father and how specific groups have been represented as fathers including gay men as dads and Latino fathers in film This collection examines the media's depiction of the good father to study how it both challenges and reshapes the ways in which we think of family masculinity and gender roles

Fatherhood in Contemporary Discourse Anna Pilińska, 2017-05-11 This volume offers a variety of perspectives on contemporary fatherhood from analyses of literature film drama and popular culture to issues tackled by psychology gender studies and social sciences Arranged into thematic sections the chapters cover a wide range of approaches to fatherhood including studies and analyses based on fieldwork and interviews with participants Each chapter discusses various culture dependent models of masculinity in relation to the topic of fatherhood depicted in works of literary and film art emphasizing the crucial factors and features which make all these models different from one another and using examples of such cultural contexts as Australia China Indonesia Brazil and Iran With the use of methodological tools provided by literature studies film studies culture studies psychology gender and queer studies and sociology the book is a comprehensive insight into current research on both real life and fictional realizations of fatherhood

The Routledge International Handbook of Shared Parenting and Best Interest of the Child José Manuel de

Torres Perea, Edward Kruk, Margarita Ortiz-Tallo, 2021-05-26 This multidisciplinary volume offers an essential comprehensive study of perspectives on the scope and application of the best interests of the child and focuses mainly on its application in relation to child custody. With expert contributions from psychological, sociological, and legal perspectives, it offers scientific analysis and debate on whether it should be the primary consideration in deciding child custody cases in cases of divorce or separation or whether it should be one of several primary considerations. It explores complex dilemmas inherent in shared parenting and whether the advantages it offers children are sufficient when compared to attributing custody to one parent and limiting visitation rights of the other. Offering a comprehensive analysis of this complex topic, chapters provide detailed insight into the current state of research in this area as well as expert guidelines aimed at resolving the controversies when parents agree or disagree over their children's living arrangements. Cutting edge topics explored include transnational shared parenting, alternative dispute resolution, breastfeeding, parents' religious disputes, between parents and the psychological, social, and economic factors that affect shared parenting. The Routledge International Handbook of Shared Parenting and Best Interest of the Child will be essential reading for scholars and graduate students in law, psychology, sociology, and economics interested in shared parenting and family law.

Grandparents in a Digital Age Laura Tropp, 2018-11-23 This book investigates the changing culture of grandparenting. Depending on the group, the period, and the family, grandparents have been powerful patriarchs and matriarchs, reliable second parents, dependents, burdens, or community figures. The book examines the history of grandparenting and the changing depiction of grandparent culture from old to hip, including the development of the celebrity grandparent, the emergence of media technologies that allow for new communication and relationships between grandparents and their grandchildren, new rituals associated with grandparenting, the growth of the marketing of grandparenting as a new stage of life, and the impact on our culture of the commodification of grandparenting. Prior to the twentieth century within the United States, the idea of the modern grandparent likely did not even exist. Many people did not live long enough to reach the grandparent stage of life. Today, people are living longer, and grandparenting is occupying a longer phase in one's life. Grandparenting is becoming its own life stage where new rituals exclusive to grandparents are emerging. Newer technologies such as Skype, Google Hangout, and FaceTime allow grandparents who are far away to establish relationships with their children. Many grandparents also use social media and blogs to chronicle their experiences. Some grandparents have turned their grandparent lifestyle into a business. The representation of grandparenting in popular culture is shifting as well. Grandparents are becoming their own figures on television and film programs, including reality shows. Others have been thrust into the public eye across social media. Marketers have realized the power of this new consumer subgroup and have begun to direct marketing campaigns to grandparents. Yet despite the pervasive images of grandparents, some of which present empowered figures, grandparent representation in popular media continues to mimic many of the stereotypes commonly associated with aging, encouraging

people to laugh at versus laugh with these figures The Third Act Grandparenting in a Digital Age examines grandparenting through history interviews and popular culture to study the changing image of grandparents in society *Climate Change and the Contemporary Novel* Adeline Johns-Putra,2019-03-21 Analysing how contemporary fiction explores climate change Johns Putra argues that literature can help us understand our obligations to the future *Dads, Kids, and Fitness* William Marsiglio,2016-10-31 Now more than ever American dads act as hands on caregivers who are devoted to keeping themselves and their families healthy Yet men are also disproportionately likely to neglect their own health care diets and exercise routines bad habits that they risk passing on to their children In Dads Kids and Fitness William Marsiglio challenges dads to become more health conscious in how they live and raise their children His conclusions are drawn not only from his revealing interviews with a diverse sample of dads and pediatric healthcare professionals but also from his own unique personal experiences as a teenage father who thirty one years later became a later life dad to a second son Marsiglio s research highlights the value of treating dads as central players in what he calls the social health matrix which can serve both healthy children and those with special needs He also outlines how schools healthcare facilities religious groups and other organizations can help dads make a positive imprint on their families health fitness and well being Anchored in compelling life stories of joy tragedy and resilience Dads Kids and Fitness extends and deepens public conversation about health at a pivotal historical moment Its progressive message breathes new life into discussions about fathering manhood and health

Fatherhood in the Borderlands Domino Renee Perez,2022-12-06 2023 Finalist Best Academic Themed Book College Level English International Latino Book Awards A contemplative exploration of cultural representations of Mexican American fathers in contemporary media As a young girl growing up in Houston Texas in the 1980s Domino Perez spent her free time either devouring books or watching films and thinking always thinking about the media she consumed The meaningful connections between these media and how we learn form the basis of Perez s slow research approach to race class and gender in the borderlands Part cultural history part literary criticism part memoir Fatherhood in the Borderlands takes an incisive look at the value of creative inquiry while it examines the nuanced portrayal of Mexican American fathers in literature and film Perez reveals a shifting tension in the literal and figurative borderlands of popular narratives and shows how form genre and subject work to determine the roles Mexican American fathers are allowed to occupy She also calls our attention to the cultural landscape that has allowed such a racialized representation of Mexican American fathers to continue unopposed for so many years Fatherhood in the Borderlands brings readers right to the intersection of the white cultural mainstream in the United States and Mexican American cultural productions carefully considering the legibility and illegibility of Brown fathers in contemporary media *Fathers, Families and Relationships* Caroline Gatrell,Esther Dermott,2019-03-06 In this exciting book leading fatherhood scholars from Europe and Scandinavia offer unique insights into how to research fathers and fatherhood in contemporary society Outlining research methods in detail including examples of

large scale studies online research surveys and visual and aural methods they explore how each approach worked in practice what the benefits and pitfalls were and what the wider and future application of the chosen research methods might be Covering a wide range of subjects from non resident fathers to father engagement in child protection this major contribution to the field also critiques and addresses the notion that fathers especially young fathers can be hard to reach Essential reading for both students and policy makers in a fast growing area of interest **Popular New Orleans** Florian

Freitag,2020-10-01 New Orleans is unique which is precisely why there are many Crescent Cities all over the world for almost 150 years writers artists cultural brokers and entrepreneurs have drawn on and simultaneously contributed to New Orleans s fame and popularity by recreating the city in popular media from literature photographs and plays to movies television shows and theme parks Addressing students and fans of the city and of popular culture Popular New Orleans examines three pivotal moments in the history of New Orleans in popular media the creation of the popular image of the Crescent City during the late nineteenth century in the local color writings published in Scribner s Monthly Century Magazine the translation of this image into three dimensional immersive spaces during the twentieth century in Disney s theme parks and resorts in California Florida and Japan and the radical transformation of this image following Hurricane Katrina in public performances such as Mardi Gras parades and operas Covering visions of the Crescent City from George W Cable s Old Creole Days stories 1873 1876 to Disneyland s New Orleans Square 1966 to Rosalyn Story s opera Wading Home 2015 Popular New Orleans traces how popular images of New Orleans have changed from exceptional to exemplary

Critical Readings on Hammer Horror Films Fernando Gabriel Pagnoni Berns,Matthew Edwards,2024-06-28 This collection offers close readings on Hammer s cycle of horror films analysing key films and placing particular emphasis on the narratives and themes present in the works discussed Ranging from the studio s first horror outing The Mystery of the Mary Celeste 1935 to Hammer s last contemporary film Doctor Jekyll 2023 the collection celebrates cult favourites such as The Quatermass Experiment the films of Terence Fisher to overlooked classics such as Captain Clegg or The Mummy franchise This volume also delves into Hammer s psychological thrillers the studio s venture into TV with Hammer s House of Horrors with theoretical frameworks varying from queer studies to postcolonial readings This volume will appeal to scholars and students of film studies international cinema film history and horror studies **Media Across the African Diaspora**

Omotayo O. Banjo,2018-07-04 This volume gathers scholarship from varying disciplinary perspectives to explore media owned or created by members of the African diaspora examine its relationship with diasporic audiences and consider its impact on mainstream culture in general Contributors highlight creations and contributions of people of the African diaspora the interconnections of Black American and African centered media and the experiences of audiences and users across the African diaspora positioning members of the Black and African Diaspora as subjects of their own narratives active participants and creators In so doing this volume addresses issues of identity culture audiences and global influence Chapter

American Masculinities in Contemporary Documentary Film Sara Martín, 2023-05-24 Most documentaries deal with men but what do they actually say about masculinity In this groundbreaking volume Sara Martín analyses more than forty 21st century documentaries to explore how they represent American men and masculinity From Jennifer Siebel Newsom's *The Mask You Live In* to Raoul Peck's *I Am Not Your Negro* this volume explores sixteen different faces of American masculinity the good man the activist the politician the whistleblower the criminal the sexual abuser the wrongly accused the dependent man the soldier the capitalist the adventurer the sportsman the architect the photographer the musician and the writer The collective portrait drawn by the documentaries discloses a firm critical stance against the contradictions inherent in patriarchy which makes American men promises of empowerment it cannot fulfill The filmmakers view of American masculinity emphasizes the vulnerability of disempowered men before the abuses of the patriarchal system run by hegemonic men and a loss of bearings about how to be a man after the impact of feminism accompanied nonetheless by a celebration of resilient masculinity and of the good American man Firmly positioning documentaries as an immensely flexible relevant tool to understand 21st century American men and masculinity their past present and future this book will interest students and scholars of film studies documentary film American cultural studies gender and masculinity

Challenging Reproductive Control and Gendered Violence in the Américas Leandra Hinojosa Hernández, Sarah De Los Santos Upton, 2018-04-05 Challenging Reproductive Control and Gendered Violence in the Americas Intersectionality Power and Struggles for Rights utilizes an intersectional Chicana feminist approach to analyze reproductive and gendered violence against women in the Americas and the role of feminist activism through case studies including the current state of reproductive justice in Texas feminicides in Latin America raising awareness about Ni Una Más and anti feminicidal activism in Ciudad Juárez and reproductive rights in Latin America amidst the Zika virus Each of these contemporary contexts provides new insights into the relationships between and among feminist activism reproductive health the role of the state local governments health organizations and the media and the women of color who are affected by the interplay of these discourses mandates and activist efforts

The Many Lives of The Purge Ron Riecki, Kevin J. Wetmore, Jr., 2024-07-25 With a worldwide box office of more than a half billion dollars The Purge franchise has become one of the top horror franchises in film history with many reviewers wowed by the concept of the series and differentiating on the execution With five films and a TV show and another film possibly in the works the series seems unstoppable The franchise's main concept taps into underlying tensions throughout America The vast differences between the films are largely due to the ever changing casts including actors writers and directors so that each film has its own unique commentary sometimes getting right at the nerve of social issues that seem to be best discussed in fictional worlds metaphors and parables Acclaimed film and television critics and horror scholars such as Dale Bailey Jason V Brock Chesya

Burke Lisa Morton Katherine A Troyer and Kevin J Wetmore give a wide range of analyses of just what The Purge films are saying about modern day America and the world Essays in the collection examine politics violence Trump Freud class issues feminism race and more *Caribbean Migrations* Anke Birkenmaier, 2020-12-18 2021 Choice Outstanding Academic Title With mass migration changing the configuration of societies worldwide we can look to the Caribbean to reflect on the long standing entangled relations between countries and areas as uneven in size and influence as the United States Cuba Hispaniola Puerto Rico and Jamaica More so than other world regions the Caribbean has been characterized as an always already colonial region It has long been a key area for empires warring over influence spheres in the new world and where migration waves from Africa Europe and Asia accompanied every political transformation over the last five centuries In *Caribbean Migrations* an interdisciplinary group of humanities and social science scholars study migration from a long term perspective analyzing the Caribbean's unincorporated subjects from a legal historical and cultural standpoint and exploring how despite often fractured public spheres Caribbean intellectuals artists filmmakers and writers have been resourceful at showcasing migration as the hallmark of our modern age **Black Female Leaders in Academia: Eliminating the Glass Ceiling With Efficacy, Exuberance, and Excellence** Butcher, Jennifer T., 2022-06-24 Discussions surrounding the bias and discrimination against women in business have become paramount within the past few years From wage gaps to a lack of female board members and leaders various inequities have surfaced that are leading to calls for change This is especially true of Black women in academia who constantly face the glass ceiling The glass ceiling represents the metaphor for prejudice and discrimination that women may experience in the attainment of leadership positions The glass ceiling is a barrier so subtle yet transparent and strong that it prevents women from moving up There is a need to study the trajectory of Black females in academia specifically from faculty to leadership positions and their navigation of systemic roadblocks encountered along their quest to success *Black Female Leaders in Academia: Eliminating the Glass Ceiling With Efficacy Exuberance and Excellence* features full length chapters authored by leading experts offering an in depth description of topics related to the trajectory of Black female leaders in higher education It provides evidence based practices to promote excellence among Black females in academic leadership positions The book informs higher education top level administration policy experts and aspiring leaders on how to best create cultivate and maintain a culture of Black female excellence in higher education settings Covering topics such as barriers to career advancement the power of transgression and role stressors this premier reference source is an essential resource for faculty and administrators of higher education librarians policymakers students of higher education researchers and academicians *Gender and Contemporary Horror in Film* Samantha Holland, Robert Shail, Steven Gerrard, 2019-03-13 This edited collection focuses on gender and contemporary horror in film examining how and if representations of gender in horror have changed

Deconstructing Dads Changing Fathers Popular Introduction

In the digital age, access to information has become easier than ever before. The ability to download Deconstructing Dads Changing Fathers Popular has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Deconstructing Dads Changing Fathers Popular has opened up a world of possibilities. Downloading Deconstructing Dads Changing Fathers Popular provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Deconstructing Dads Changing Fathers Popular has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Deconstructing Dads Changing Fathers Popular. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Deconstructing Dads Changing Fathers Popular. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Deconstructing Dads Changing Fathers Popular, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To

protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Deconstructing Dads Changing Fathers Popular has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Deconstructing Dads Changing Fathers Popular Books
