Deeper Revelations Of The Anointing:

Deeper Revelations Of The Anointing Apostle Frequency Revelator, 2017-06-28 The most overworked Christian vocabulary across a broad spectrum of Christian charismatic cycles is the word anointing Dozens of books have been written and countless messages preached on the subject of the anointing yet for all the attention the subject is given it is one of the least understood gifts God has freely bequeathed upon every believer in Christ Although the anointing is the current church's diet and a delicate recipe for living a naturally supernatural life the masses are starving for the anointing of the Holy Spirit Since it is divinely ordained by God that nothing should be accomplished in the Kingdom without the ingredient of the anointing the empty husks of humanism intellectualism and religion have failed to launch the world into greater depths of the miraculous Therefore this book presents a fresh and provocative revelation of the anointing of the Holy Spirit that will usher you into an arena of divine exploits With considerable depth insight revelation and wisdom the author has therefore provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ This writing will therefore function as a blueprint to not only understanding the greater depths of the anointing but also to unveiling the mystery of the operation of the new waves of the anointing which God is unleashing in this end time season which marks the conclusion of God's eternal plan for planet earth This book contains a flood of revelations coupled with practical demonstration of 50 different types of the anointing that will ignite the blazing fire in your spirit and change your life forever It brings us to a melting pot of understanding of the anatomy and physiology of the anointing without which Christianity would only be limited to a mechanical operation devoid of God's power Therefore the reading of this book will culminate in the following spiritual realities Firstly it will provoke an unprecedented stream flow of God's power for you to move in miracles signs and wonders Secondly it will precipitate a flood of revelations upon your spirit and saturate you with high volumes of the anointing to the brink of full spiritual capacity Thirdly it will open your mind to the scriptures and cause you to understand the word of God in ways you have never dreamed possible Lastly it will propel you into the future elevate you into the higher dimensions of excellence and catapult you into higher realms of God's presence like never before Against this background I therefore encourage you to read this book meditatively to allow these truths to sink into the depths of your being Colloquially speaking sit on the edge of your seat and fasten your seat belt as you walk with the author through this anointed book This is a man who has an insatiable hunger to see the ushering in of the Kingdom of God through ordinary people with radical faith people who believe they are cutting edge world changers because of the anointing that they have been given If you want an unprecedented wave of power coupled with measureless volumes of the anointing to flood your life and ministry in ways that you have never witnessed before continue to plunge into the depths of a flood of revelations encapsulated in this book as you read this book the liquid rain of the anointing shall precipitate upon you and saturate your spirit to the brink of full spiritual capacity as you read through you will literally absorb the anointing from the pages of this

book into your spirit such that results will immediately manifest through a practical display of signs and wonders Author Apostle Frequency Revelator Deeper Revelations of the Anointing - Revised Edition Frequency Revelator,2019-11-28 The most overworked Christian vocabulary across a broad spectrum of Christian charismatic cycles is the word anointing Dozens of books have been written and countless messages preached on the subject of the anointing yet for all the attention the subject is given it is one of the least understood gifts God has freely bequeathed upon every believer in Christ Although the anointing is the current church's diet and a delicate recipe for living a naturally supernatural life the masses are starving for the anointing of the Holy Spirit Since it is divinely ordained by God that nothing should be accomplished in the Kingdom without the ingredient of the anointing the empty husks of humanism intellectualism and religion have failed to launch the world into greater depths of the miraculous Therefore this book presents a fresh and provocative revelation of the anointing of the Holy Spirit that will usher you into an arena of divine exploits With considerable depth insight revelation and wisdom the author has therefore provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ This writing will therefore function as a blueprint to not only understanding the greater depths of the anointing but also to unveiling the mystery of the operation of the new waves of the anointing which God is unleashing in this end time season which marks the conclusion of God's eternal plan for planet earth **Supernatural Anointing** Julia Loren,2012-01-17 Stepping Into Your Destiny Ignite your passion to live an extraordinary life Supernatural Anointing is a unique compilation of engaging and motivating personal experiences and interviews with world renowned prophets pastors worship and ministry leaders These ministry leaders reveal how you can receive an exponential increase of supernatural anointing and enter into your sacred destiny The teaching prophetic exhortations and visions in this book are believable reachable and captivating Julia Loren imparts a strong anointing to re awaken your heart to God's love and your destiny to release the anointing everywhere you go The revelations that she received from God through conversations with Jesus and other supernatural encounters will ignite your passion to live an extraordinary life You be enabled To re awaken to the unfathomable love God has for you His chosen one To release the anointing in everyday life To move in apostolic power wherever you go To shift the shadows of darkness that seek to overcome your light To position yourself as an emerging leader during these tumultuous days Join Julia and other anointed leaders in navigating the shifting shadows of supernatural anointing Encounter Jesus for yourself *The Anatomy And Physiology Of The Anointing* Apostle Frequency Revelator,2019-11-16 It has been observed that some people have faltered in their Christian walk because of failure to understand how the anointing of the Holy Spirit operates Many men of God have tried to move in the anointing with little results because they ever in the first place sought to understand the anatomy and physiology of the anointing In order to be effective in ministry especially in the demonstration of the power of God it is important that you understand the character of manifestation nature of operation and genetic make up of the anointing Having a deeper understanding of the anointing to

that level will usher you into streams of practical demonstrations that will change your ministry fever In retrospect of my former book titled *Deeper Revelations Of The Anointing* where I explored deep revelations of how the anointing functions and the secrets to practically demonstrating the anointing in any setting In this publication my focus is on the anatomy and physiology of the anointing This implies dissecting the subject of the anointing in order to gasp a deeper revelation of the character composition ingredients and genetic make up of the anointing So many believers are acclimatised with practical demonstrations of the anointing yet they hardly get to understand the chemistry and physics behind these manifestations of the anointing Did you know that the anointing has its own character The anointing has its own attributes or features that distinguish it from other spiritual substances of Heaven It is for this reason that Samuel advised Saul that when he goes to join the prophets the anointing will come upon him and he will be turned into another man The phrase turned into another man alludes to the personality of the anointing The anointing is like a brand it establishes you sets you apart and causes you to be different It gives you an identity that millions of people can associate you with Bearing in mind that the anointing is an impartation of God s supernatural ability upon an available and yielded vessel to enable it to do His work efficiently and effectively when we speak of the anatomy and physiology of the anointing we connote to the chemical physical and mechanical composition of the anointing In other words we are closely examining the ingredients components and forensic details of the substance of the anointing A forensic understanding of its character will enable you as a believer to flow easily in the demonstration of the anointing It is important that since Christianity is a journey into the dimension of the spirit we ought to understand holistically how the anointing operates so that we can effectively move function and operate in that realm In other words if we wish to move mightily in the realm of the anointing without failures mistakes confusion or disappointments we ought to study and understand the dynamics of the anointing by looking at some of its inherent properties expounded in this book

Weathers, PsyD,2014 This book deals with the rites of passage into adult Christian living to pass through these powers of anointing by the Holy Spirit all of us must take a journey from babyhood new birth in Christ to growing in spiritual maturity into that perfect man or woman of God Ephesians 4 11 12 This will not come overnight or quickly in our walk with the Lord it will take time and many will have to sacrifice the things of this world to achieve it But it can be done by all who are willing to follow the Lord in this world One hundred percent of us must start by passing through the first level of power that the Holy Spirit bestows upon all who believe in Christ Jesus Everything

in our lives will begin at the cross of Calvary and from there we will all go on a trip with the Holy Spirit that will forever change our lives every day the Holy Spirit will become our teacher and guide John 16 13 and depending on how much of him we want will determine the level of growth we achieve as Christians in this world It will not come because of traditions of men or preachers proclaiming to have absolute truth but only by the Holy Spirit himself as he teaches and witnesses with your spirit the revelations of God s Word that only he can give Romans 8 16 I invite you to travel with me through the pages of this writing and discover the truths that are within I take no credit for what the Holy Spirit of God has revealed only he has the wisdom and revelations to open our eyes to his Word and only he has the anointing power to grow us up from level to level as we progress in his knowledge and power But here is a truth you must know the Holy Spirit will not take you any further in spiritual growth than you are willing to allow him to Matthew 7 11 At every level of anointing you have to pass through to grow and go on to the next level you will have to ask of him and be willing to sacrifice what needs to be given in order to achieve it Many who are tied up in religion and bondage to denominationalisms will try to keep you from this growth Very few in the body of Christ will ever reach full maturity in our Lord Most already believe that they have achieved this level because they are good Christians they go to Church give their tithes help a few people work in the church and say their prayers every day Outwardly this may seem like the perfect saint of God but the Lord is seeking more from us to pick up our cross for him and follow him This will require commitment a sold out attitude sacrifices and even death if that s what it takes Twelve apostles willingly lived their lives for him and gave their lives in death the question today is How far do you want to grow in Christ and Do you want to live your life for him or continue to play church on earth This book will change the way you see yourself with Christ it will help you come out of organized religion and walk with your Lord the way he meant it to be Only the Holy Spirit can show you these things to come I hope this book will challenge you to become the mature Christians God intends for all of us to become In Christ s love Dr Richard E Weathers PsyD

Groomed for Glory De Wet Steyn,2014-12-01 There are many things that can be written and said concerning the nature of God but among the most mysterious aspects of His being is His glory His manifested presence When you have a revelation and an understanding of the manifested presence of God His glory you will grasp all the other aspects of God so much better We will never be able to completely understand or explain the full meaning of the glory of God It is beyond description and too marvelous for mere words In fact the glory of God is not something to be understood or explained but rather something to be displayed We need to be changed by the glory of God and then we need to reflect it to the world God is more excited to let His glory fill the earth than we are to spend time in His presence the realm of His glory Allow Pastor De Wet Steyn to give you the keys so you can open the door to a personal encounter with the glory of God so that it might be brought forth and released on earth

Understanding the Deeper Life Elmer Towns,2020-04-09 The Seven Churches of Asia/ Revelation 2-3 Samuel R. Siders,2007-11-26 In the fall of 2005 the Lord told me to write about the Seven Churches of Asia written in Revelation chapters 2 and 3 With this word I prayed that the Lord would help me to know what to write and not to leave anything out nor add to it anymore than He intended The end result continues to astonish me to this day During the year it took me to write this book I cried I laughed and I got convicted It is obvious to me that what He said to these seven churches is a controversial subject but the Bible gives evidence that what is written herein is a fact God requires far more of us than what most Believers are willing to live out in their walk with God and in refusing to comply could mean being rejected at the Judgment seat of Christ where all Believers will stand to be judged You will need to read the entire book to understand what is meant by the previous sentence Having shared the manuscript of this book with a number of other Believers in Christ it

has had a positive and sobering effect on those who have read it This book contains a message all Believers need to hear that is why it has been published It is my sincere prayer for those who will read this book that God will make its content a positive life changing event that will cause them to know Him in the fullness of His character and personality what it is to fellowship and walk with God and to do it moment by moment **Speak Your Healing from the Homosexual Deception** Bonnie M.

Egglehand,2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone *Anointer Anointing Anointed: God, the Holy Spirit and You* Hugh Alexander Jackman

Dmin,2021-08-14 The word mystery is an interesting one isn't it It means enigma or puzzle or something hidden from immediate view Likewise the word revelation speaks of a revealing of something hidden When this book was first released it had the title The Mystery of Christ That is until I realised that I was contributing to the mystery God gave me a simple task which was to unveil not mask so here it is Anointer Anointing Anointed God The Holy Spirit and You Some would have picked up this book with the idea that they would discover a hidden truth not yet revealed to the world In many cases this will be profoundly true Others may have picked up this book with a feeling of intrigue the kind of feeling one gets when watching a movie that reveals something historically relevant yet profoundly life changing In most cases this will also be true Some however picked up this book because deep down inside you have felt a longing to understand more about Christ and his anointing This book has been written for you What does Christ and the anointing mean anyway At the point of finalising this book I had been a Christian for some 18 years and one thing that I can assure you is that understanding the revelation of Christ is a process It is one that will never end I would ask you therefore to pray now ask the Lord to open your eyes Ask him to begin the process and to help you see it I believe that as you read this book the mystery shall be revealed to you and you will be on your way to revelation Be blessed as you read on The concept of Christ and the Kingdom of God is indeed the foundation of our faith yet we have given very little attention to it Many Jewish believers are today as they were in Christ's day waiting upon the Messiah and his Kingdom whilst we Christians believe that the Kingdom of God has already been revealed to the world through Jesus Christ Christ is NOT the last name of Jesus 25 years ago I heard a great man of God teach about the meaning of the word Christ and the anointing That message changed my life forever I could not get it out of my mind so I dug deeper and deeper 8 years later the Lord spoke to me he told me to write in a book about all that I have learned since then about the word Christ and the anointing and I did Anointer Anointing Anointed is now available online and in stores worldwide the book chronicles 18 years of prayerful study revelations and experiences that I have encountered I

pray it will bless your life
