

Leader (SEL). They will be keenly involved from beginning to end. Aside from thorough process preparation, CMCs will brief Commanders/Commanding Officers on their local CPO 365 process and provide regular updates to keep them informed of progress. As Chief Petty Officers, it is our duty and responsibility to train our recruits, and critical that we be all-in and fully engaged with CPO 365. CMC leadership reinforces the conviction that CPO 365 is instrumental to the professional growth of Sailors and relevant to command esprit de corps.

We should all be proud of our CPO 365 program and possess confidence that it preserves tradition while preparing our FCPOs for promotion to the next paygrade. Both objectives stand essential to the extent of our Mess and the professional prosperity of our Sailors. Your leadership, your commitment and your energy are the fuel of this process... they will keep this distinguished institution, our U.S. Navy Chief Petty Officers' Mess, vibrant and meaningful.

Chief Petty Officers are the most respected group of enlisted leaders in the world, it is our responsibility to ensure that we provide the type and level of training that ensures this remains true today and in the future. Thank you in advance for what I know will be another successful CPO 365 season.
