APPLIED PETROLEUM RESERVOIR ENGINEERING

THIRD EDITION

The background of the cover features a detailed illustration of an offshore oil drilling rig. The rig is a complex structure of steel beams and platforms, extending vertically from a rocky, uneven seabed. The seabed is depicted with various shades of blue, grey, and white, suggesting different rock formations and possibly some water. The rig itself is dark, with some parts highlighted in yellow, matching the title text. The overall scene is set against a dark, textured background that resembles a night sky or a deep-sea environment.
